D.4.2 Certain Work Included in the Lump Sum Price

The Contractor acknowledges and understands that the Lump Sum Price is based on the Scope of Work which is incorporated into this contract. It is understood and agreed that the Lump Sum Price represents the Contractor's offer to Fully Complete the Project. The Parties acknowledge and agree that it is their intent to have the Contractor provide all labor, tools, equipment and materials necessary for the replacement of the roofing system at Central Detention Facility (CDF) as contemplated in the Contract Documents, for the Lump Sum Price and consistent with the Project Schedule. In furtherance of such intent, the Contractor hereby assumes the risks associated with and shall be responsible for (i) any changes in market conditions that affect the cost of labor or materials; (ii) coordination issues between the drawings; (iii) elements of work not shown on the Contract Documents, but which are reasonably inferable from the Contract Documents; (iv) cost associated with acceleration of the work and expediting of materials necessary to meet the Project Schedule which are the result of anything other than an Excusable Delay; and (v) the risk of subcontractor default or non-performance. It is understood and agreed by the parties that items (i) through (v) listed in the

preceding sentence are not intended to be an exclusive list of the risks assumed by the Contractor and that such items represent a partial list of the risks assumed by the Contractor.
