

SORT IT OUT GAME

Instructions

The Sort-It-Out Game is a fun and easy way to learn what materials to put in each bin found throughout your school building.

Follow these five easy steps to play the game:

Step 1: Print out the Sort It Out game board.

Step 2: Print out the Illustrations of Common Items. You can also use real items that you collect in your classroom or draw your own items!

Step 3: Play the game! Place the materials on the board above the bin where you think the item should go.

Step 4: Check your answers. Use the Answer Key to check to see if you were correct or incorrect.

Step 5: Recycle in your school. Use what you have learned playing the Sort It Out Game to recycle correctly every day at school.
