**GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF GENERAL SERVICES**

The District of Columbia (“District”) Department of General Services (“DGS” or “Department”) is issuing this Request for Proposals (“RFP”) to engage a design firm to serve as the Architect/Engineer (the “A/E”) to provide a full range of Planning, Architectural and Engineering services associated with the design of the Ward 8 Senior Wellness Center (SWC) building to be located at 1700 Q Street SE, Washington, DC 20020. The proposed SWC building will be located within the campus of Kramer Middle School. Selected A/E shall evaluate the site constraints and condition of the utility infrastructures. A/E shall explore different potential design solutions.

SCOPE OF WORK FOR ARCHITECT/ENGINEER SERVICES:

The Architect/Engineer (A/E) shall perform all the professional architectural and engineering services necessary for the Work, which is comprised of Planning, Pre-design, Design, Construction Administration, and/or Other Supplemental Services in accordance with the Contract and as described in the Scope of Work.

The Project shall be designed to meet or exceed all applicable codes. The building shall be designed energy-efficient and be designed with and constructed for durability and long-term viability. The architectural character and details shall be developed and reviewed in coordination with the overall architectural concept envisioned for the area. The Project shall include, but not be limited to, architectural, structural, mechanical, electrical, plumbing, and civil design services. Services shall include ALL aspects of site and architectural planning and design. The planning phase shall include series of meetings with the stakeholders which includes all but not limited to Department of Aging and Community Living (DACL), DGS, District of Columbia Public Schools (DCPS), Kramer Middle School, and the Community with assistance from DGS Communications Team.

The A/E shall be responsible for the professional quality, technical accuracy, and the coordination of the Work; construction documents shall be signed and “sealed” by the responsible registered professional architect(s) and engineer(s).

The Work shall conform to the established Project budget and scope throughout planning, design, and construction.

The A/E shall make site visits, attend meetings, produce meeting minutes, make presentations, utilize the services of consultants, and submit required deliverables as necessary to execute specific parts of the work described herein and in the Contract and the Scope of Work (SOW) for the Project.

Design phase services shall include the submission of deliverables in the following sequence: Planning, Programming, Schematic Design, 35% Design Development, 65% Construction Documents (or other interim submission, if required in the SOW), 95% Construction Documents, and 100% Final Documents. Any deviation from these design phase submissions will be noted in the SOW.

Title I Schedule:

The A/E shall commence the design work immediately upon the date of approval of the Letter Contract or Contract, and Notice to Proceed (NTP). The A/E shall continue working on the Project until the Project is fully (100%) completed. The following deliverable durations shall comprise the Project schedule. (It should be noted that any delay in receipt of review comments from the Client/User shall result in a corresponding delay to the final submission date, sliding accordingly relative to the delay.)

- a) NTP and kick-off meeting – Milestone
- b) Site Survey verification/validation of attached Report. Two (2) weeks
- c) Design Analysis Report providing options with recommendations: Four (4) weeks
- d) DGS/DACL/DCPS Review: Two (2) week
- e) Conceptual Design/ Schematic Design (35% Drawings and Specifications): Four (4) weeks
- f) DGS Review – One (1) Week
- g) Design Development Documents (65% Drawings and Specifications): Four (4) weeks
- h) DGS/ Review: One (1) week
- i) Permit/Bid Documents (95%) Drawings and Specifications): six (6) weeks
- j) DGS/ Review: Two (2) week
- k) Final Documents (100% Drawings and Specifications, Construction Cost Estimate): Two(2) week

Title II - Construction Administration & Project Closeout Phase: The A/E shall be a representative of and shall advise and consult with the District during construction until the final payment to the Contractor is due and during the correction period described in the Contract for Construction.

- a. Plan Approvals: The A/E is responsible for obtaining ALL plan approvals from the DCRA for the building including, but not limited to, Civil, Environmental, Architectural, Mechanical, Electrical, Plumbing and/or Fire Protection and building permit.
- b. DCRA Building Permit: The A/E shall be responsible for the building permit fees through the permit allowance that shall be provided by DGS.
- c. Construction Related Services: The A/E will provide on the owner's behalf, construction administration and inspection services. At a minimum, services to be provided consist of coordinating regular progress meetings, review of shop drawings, assist owner in color and finish material selection, undertake construction observation, and facilitate preparation of final record drawings, warranty follow-up and Project closeout.

RECONFIGURATION OF
OUTDOOR RECREATION AND PARKING SPACE at KRAMER
MIDDLE SCHOOL
OCTOBER 2020

Kramer Middle School located at 1700 Q Street, SE in the historic Anacostia neighborhood and currently has an enrollment of 208 students. The Kramer Middle School lot is 221,121 square feet which includes 124,799 square feet of outdoor recreation and parking space.

The Department of General Services, in conjunction with the Department of Aging and Community Living is investigating the potential of relocating the Ward 8 Senior Wellness Center, currently located 3500 Martin Luther King Jr Ave SE, Washington, DC 20032 to the Kramer Middle School outdoor recreation and parking space.

AreaProbe, LLC was retained to prepare a Site Survey of the school to reconfigure the outdoor recreation and parking space to include a 10,000 square foot Senior Wellness Center with 45 parking spaces. AreaProbe made on-site visits on October 22, 27, November 9, 2020 and December 15 to evaluate the outdoor recreation and parking space. The following report summarizes AreaProbe's observations and outlines recommended options.

SECTION II. AREAPROBE'S STATEMENT

The purpose of this report is to provide an initial written opinion regarding the survey of various physical, functional, and environmental components of Kramer Middle School outdoor recreation and parking space.

This report was prepared after two site visits, including a walk-through with representatives from Kramer Middle School and the Department of General Services. Additional information was gathered through communication with representatives from DGS.

This report includes our visual observations regarding the condition of the site. No site survey was conducted, and it was not possible or feasible to excavate any parts of the grounds to expose hidden conditions.

This report, therefore, does not constitute a representation or warranty of any conditions and should not be viewed or construed in such a manner.

SECTION V. PHYSICAL INSPECTION REPORT - SITE DESCRIPTION

GENERAL PROJECT INFORMATION

PROJECT NAME:	KRAMER MIDDLE SCHOOL
LOCATION:	1700 Q STREET, SE WASHINGTON, DC 20020
NUMBER OF BUILDINGS:	1

SITE AND PARKING INFORMATION

EXISTING ZONING	R-3	
SITE AREA	221,121 SF	(5.08 Acres)
SITE PARKING AREA	83,896 SF	
SITE RECREATION SPACE	40,903 SF	

SECTION VI. CAPACITY AND UTILIZATION

The current area is underutilized but has the space requirements to accommodate the requests of both the Kramer Middle School and the Senior Wellness Center. The square footage of the Kramer Middle School outdoor recreation and parking space can provide sufficient space to accommodate simultaneous utilization, meet current requests, and in the future create a synergistic environment between the school and the senior wellness center.

Capacity and Utilization

Kramer Middle School located at 1700 Q Street, SE in the historic Anacostia neighborhood and currently has an enrollment of 208 students. The site has 221,121 square feet which includes 124,799 square feet of outdoor recreation and parking space.

Ward 8 Senior Wellness Center facility in Washington DC. The outdoor recreation and parking space at Kramer Middle School would meet all of the necessary space requirements by the Department of Aging and Community Living.

Overall Existing Design Capabilities and Deficiencies

A design capability and/or deficiency exists when a building and/or outdoor space, regardless of its condition, is able or unable to meet the space requirements or operational standards without modifying or adding space.

Design Capabilities include the following:

- lot size - the school has plenty of outdoor recreation and parking space to accommodate all entities.
- adequate land to maintain recreation request by Kramer Middle School
- has the ability to accommodate staff parking for the school, a 10,000 square foot building for the Senior Wellness Center, and parking requirements by the Department of Aging and Community Living.

Design Deficiencies include the following:

- gate entrance to parking area is limited in width preventing for two-way traffic pattern
- inadequate lighting in the parking lot

External Site *condition* deficiencies are outdoor parking space is in poor condition.

Strengths Opportunities and Weaknesses

Strengths

- Kramer Middle School outdoor recreation and parking spaces has the square footage to accommodate the Senior Wellness Center
- No additional structures would need to be demolished in order to build the wellness center
- Existing parking

Opportunities

- Kramer Middle School would have two new basketball courts
- Combined programming that could benefit Kramer Middle School and the Senior Wellness Center.

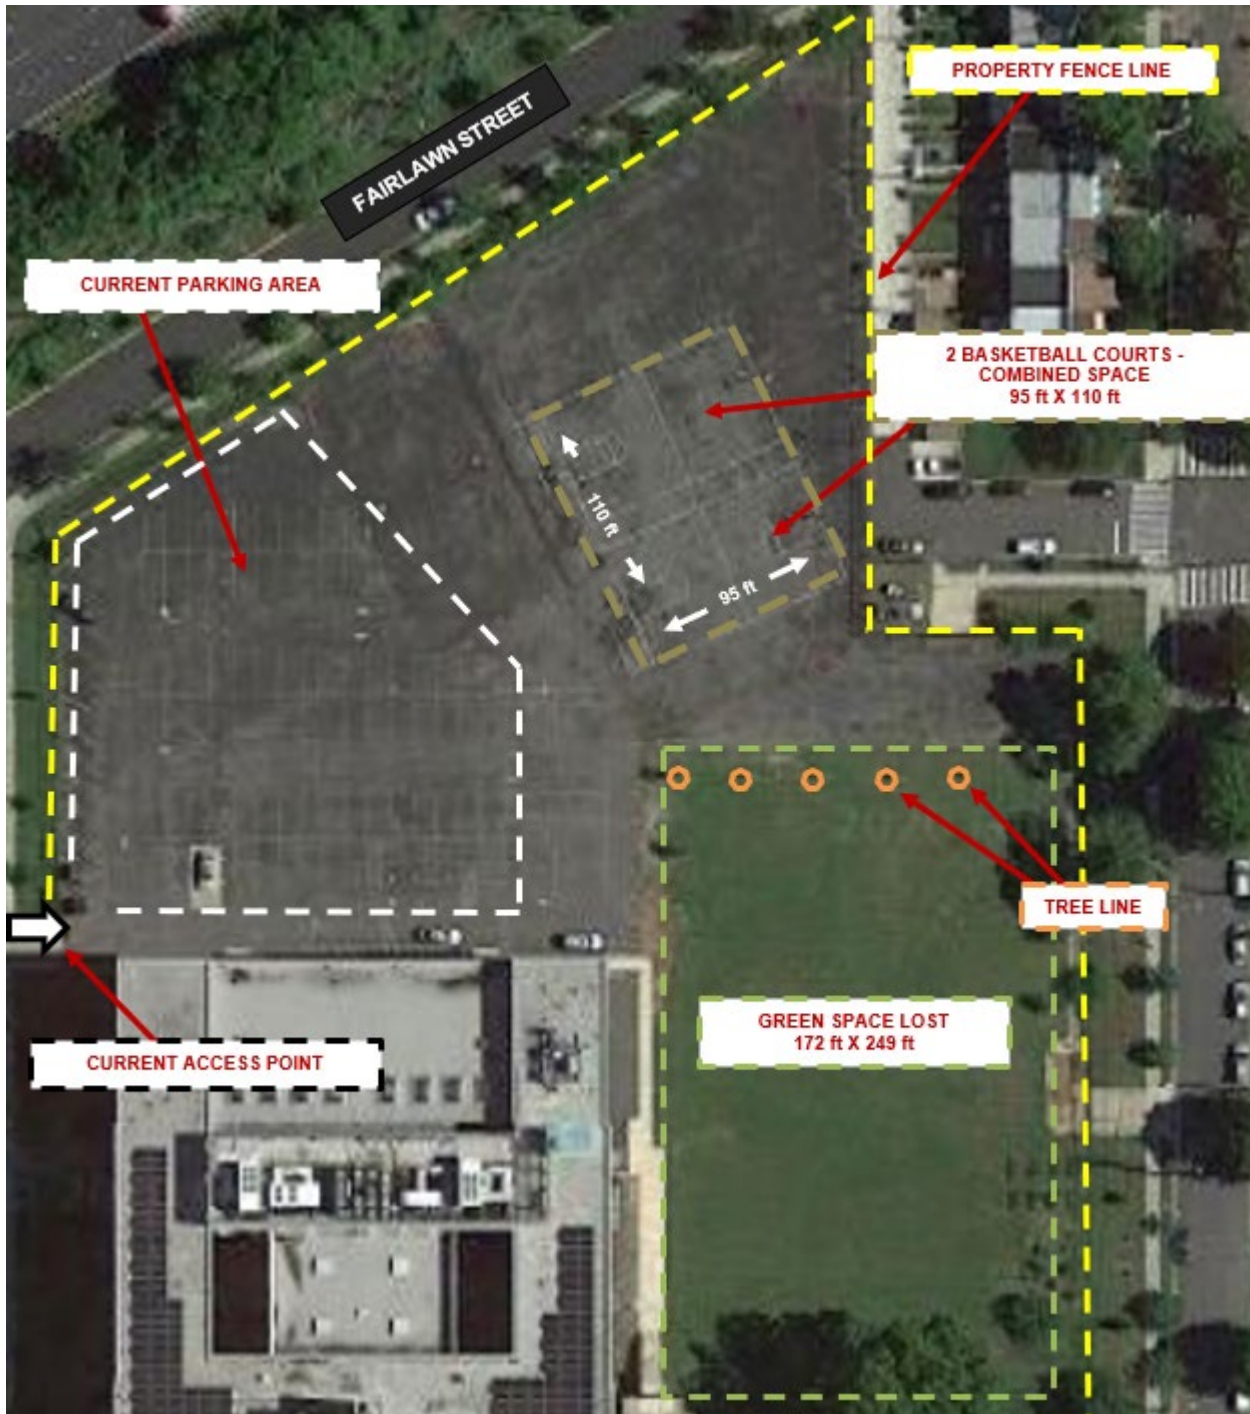

Weaknesses

- Hours of operation
- Safeguarding Children
- Location of the Senior Wellness Center (No bus stop within adequate walking distance)

SECTION VII. POTENTIAL SPACE RECONFIGURATION SCENARIO

AreaProbe has identified three potential scenarios for the reconfiguration of the outdoor recreation and parking space. Each scenario allows for 90 parking spaces (45 KMS and 45 SWC)

Current Layout

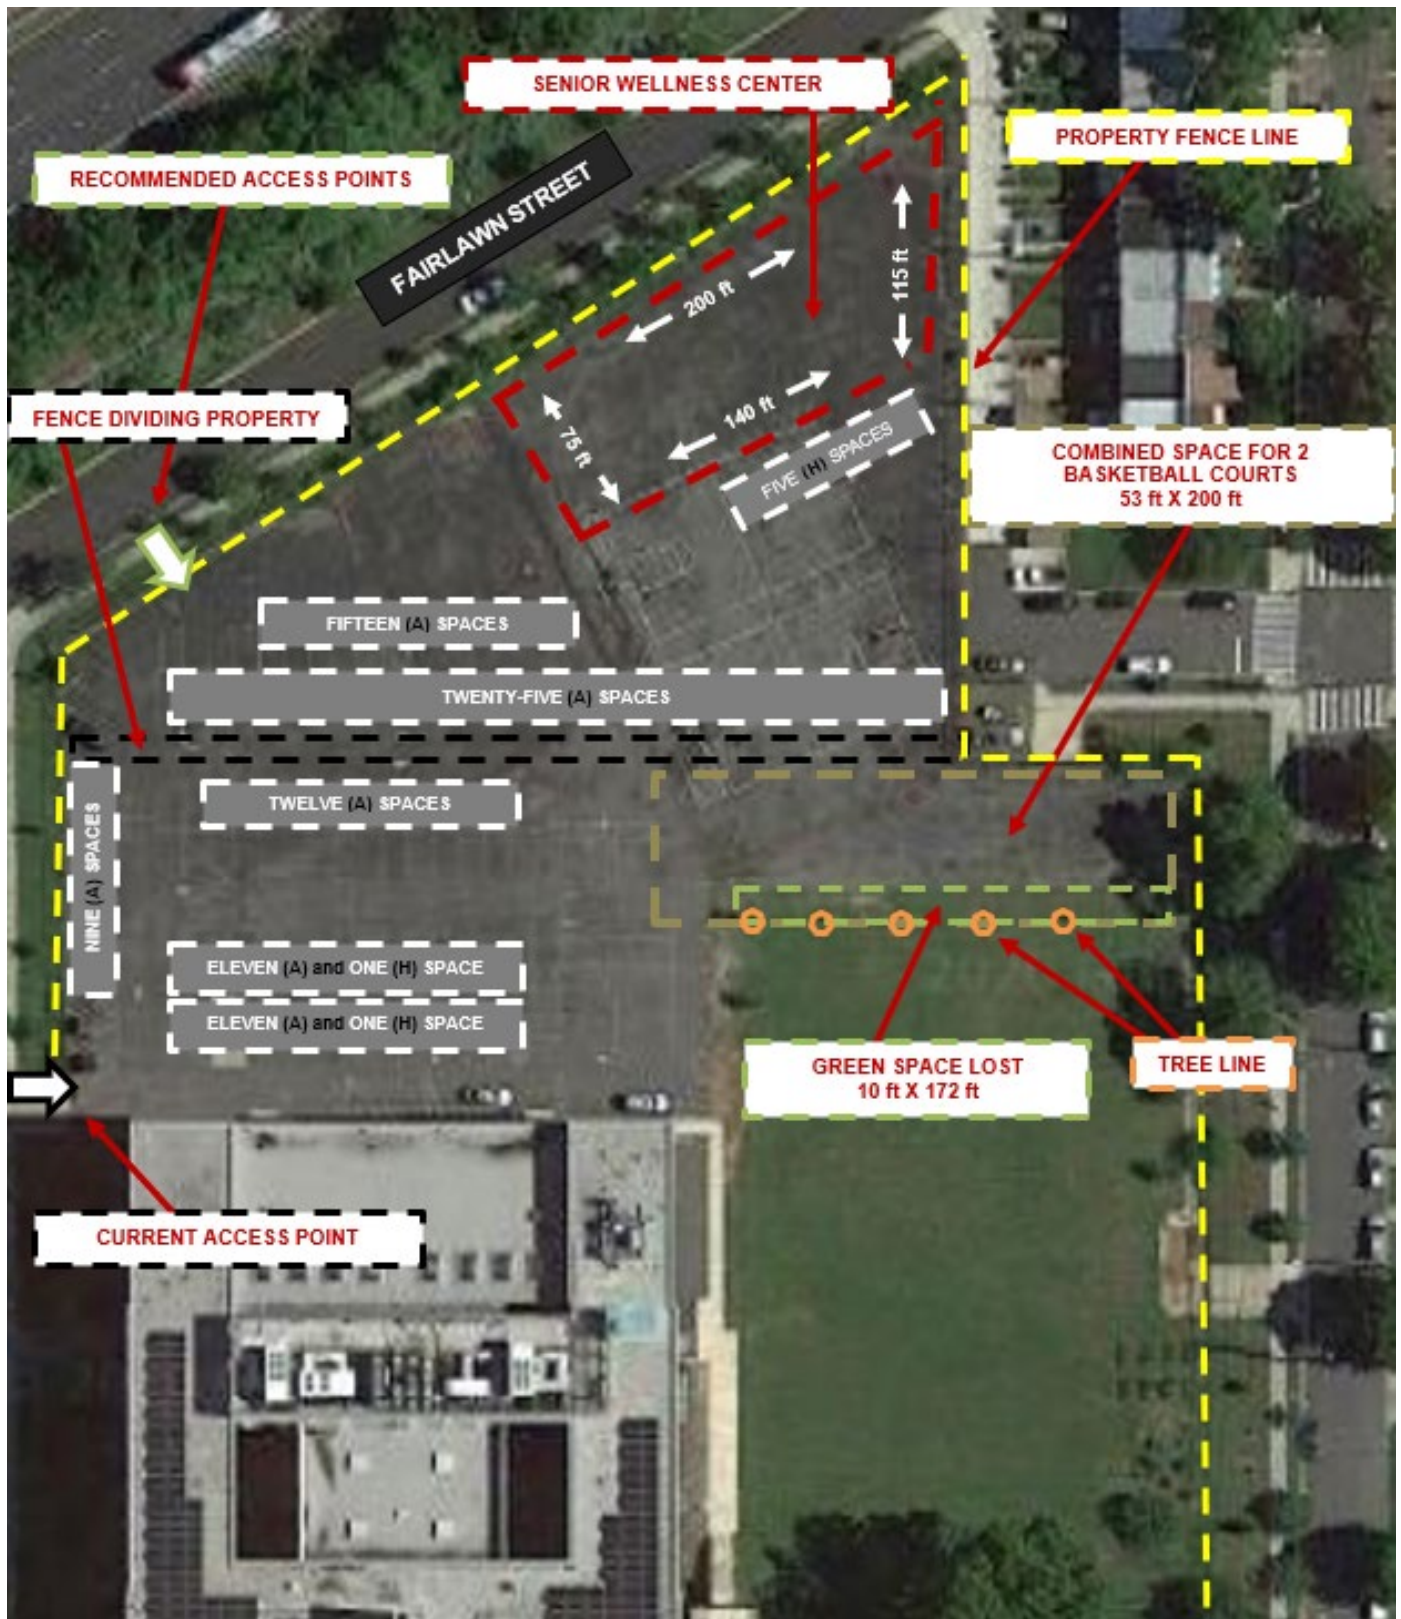

Recommendation One

Moves the basketball courts in space between the fence and green space. The outdoor recreation space would lose about 10 x 172 feet of green space to accommodate both basketball courts. A fence or wall would create a separation and added security between the school and Senior Wellness Center.

All visitors to the senior wellness center can enter through the main entrance located on Fairlawn street. An additional entrance to the building will be accessible from the parking area. A curb cut on Fairlawn Street will provide access to the senior wellness center parking area.

The school will have a combination of forty-three (43) angle parking spaces with an additional two (2) handicap perpendicular spaces. The Senior Wellness Center will have a combination of forty (40) angle and perpendicular parking spaces with an additional five (5) handicap perpendicular spaces. The Senior Wellness Center may have enough space to add outdoor recreation or garden space.

Parking Explanation:

Angle (A) Parking Space (9 x 18)

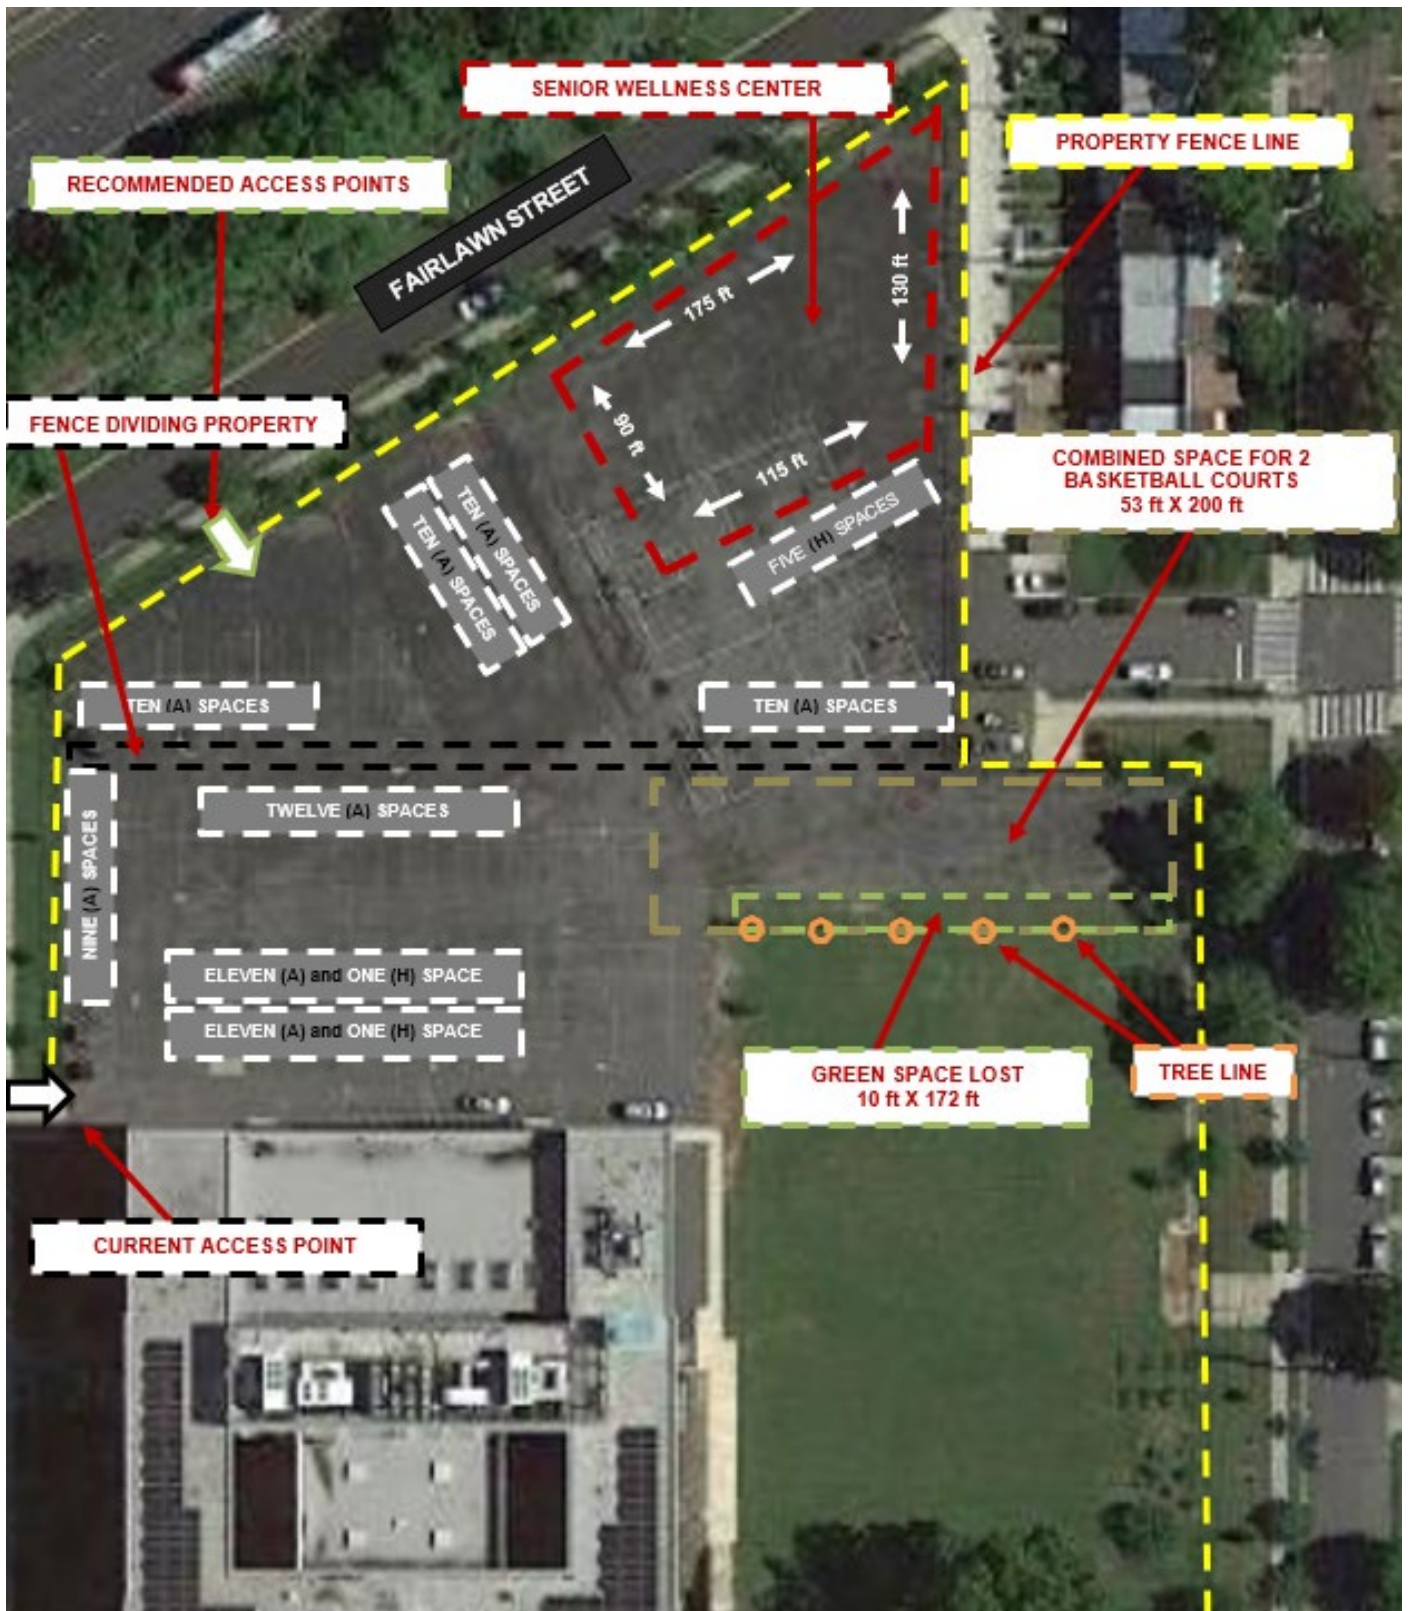

Handicap (H) Parking Space (10 x 20)

Recommendation Two:

Recommendation two has the same layout as recommendation one except for the angle parking spaces at the back of the Senior Wellness Center and the wall/fence is only a barrier for the basketball courts. The parking area is open parking.

Recommendation Three:

Recommendation three changes the size of the senior wellness center and location of the parking spaces on the senior wellness center side.

Parking Explanation:

Angle (A) Parking Space (9 x 18)

Handicap (H) Parking Space (10 x 20)

This report has been prepared for the sole use and information of Department of General Services. The information, observations, and recommendations contained herein have been developed as a result of visual observations of the property on the dates noted. AreaProbe, LLC did not perform physical tests of any equipment or building systems nor investigate for hazardous materials. AreaProbe, LLC is not a warrantor or guarantor of the structure or its systems.

Attention: Pamela Ford Dickerson
Contracting Officer

Reference: Request for Proposals ("RFP") – DCAM-21-AE-0005
Architectural/Engineering Services – Ward 8 Senior Wellness Center

Dear Pamela Ford Dickerson:

On behalf of [INSERT NAME OF Offeror] (the "Offeror"), I am pleased to submit this Proposal in response to the Department of General Services' (the "Department" or "DGS") "RFP" to provide Architectural/Engineering Services for the Ward 8 Senior Wellness Center (SWC) building to be located at 1700 Q Street SE, Washington, DC 20020. The Offeror has reviewed the RFP and the attachments thereto, any addenda thereto, and the proposed Form of Contract (collectively, the "Bid Documents") and has conducted such due diligence and analysis as the Offeror, in its sole judgment, has deemed necessary in order to submit its Proposal in response to the RFP.

The Offeror's Proposal including the Title 1 Design Fee (as describe in Section B of the RFP) are based on the Bid Documents as issued and assume no material alteration of the terms of the Bid Documents (collectively, the Proposal, the Design Fee and the Hourly Rates are referred to as the "Offeror's Bid"). Upon completion of Phase 1 design and selection of a preferred scheme the Department and Offeror will negotiate a Final Design Fee to complete the Work. As such, Offerors shall provide hourly rates for the personnel identified in paragraph B below.

The Offeror's Bid is as follows:

A. Title I Design Fee:

Preliminary Assessment and Refinement	\$ _____
Three (3) Concept Designs/Schemes	\$ _____
Total Phase 1 Design Fee	\$ _____

B. Hourly Rates (Title II and Construction Administration):

Position	Hourly Rate
Design Principal	\$ _____/hour
Project Architect (Project Manager)	\$ _____/hour
Project Designer	\$ _____/hour
MEP Engineer	\$ _____/hour
Key Structural Engineer	\$ _____/hour

Upon selection of a preferred scheme, the Department and A/E shall negotiate a Final Design Fee to complete the Work for all of the A/E's fees, using the hourly rates identified in paragraph B above, including costs associated with: a) the preparation of the schematic design; b) design development documents; c) a permit set of construction documents; d) a set of issued for construction documents, and e) construction administration services cost. The Final Design Fee shall be determined by the Department to be fair and reasonable and subject to the Independent Government cost estimate. Such Final Design Fee will be added as a Modification to the Contract with the Selected A/E.

The Offeror's Bid is based on and subject to the following conditions:

The Offeror agrees to hold its proposal open for a period of at least one hundred twenty (120) days after the date of the proposal.

1. Assuming the Offeror is selected by the Department and subject only to the changes requested in paragraph 5, the Offeror agrees to enter into a contract with the Department on the terms and conditions described in the Bid Documents within ten (10) days of the notice of the award.
2. Both the Offeror and the undersigned represent and warrant that the undersigned has the full legal authority to submit this bid form and bind the Offeror to the terms of the Offeror's Bid.
3. The Offeror further represents and warrants that no further action or approval must be obtained by the Offeror in order to authorize the terms of the Offeror's Bid.
4. The Offeror and its principal team members hereby represent and warrant that they have not: (i) colluded with any other group or person that is submitting a proposal in response to the RFP in order to fix or set prices; (ii) acted in such a manner so as to discourage any other group or person from submitting a proposal in response to the RFP; or (iii) otherwise engaged in conduct that would violate applicable anti-trust law.
5. The Offeror's Proposal is subject to the following requested changes to the Form of

Contract: **[INSERT REQUESTED CHANGES. OFFERORS ARE ADVISED THAT THE CHANGES SO IDENTIFIED SHOULD BE SPECIFIC SO AS TO PERMIT THE DEPARTMENT TO EVALUATE THE IMPACT OF THE REQUESTED CHANGES IN ITS REVIEW PROCESS. GENERIC STATEMENTS, SUCH AS “A MUTUALLY ACCEPTABLE CONTRACT” ARE NOT ACCEPTABLE. OFFERORS ARE FURTHER ADVISED THAT THE DEPARTMENT WILL CONSIDER THE REQUESTED CHANGES AS PART OF THE EVALUATION PROCESS.]**

6. The Offeror hereby certifies that neither it nor any of its team members have entered into any agreement (written or oral) that would prohibit any contractor, subcontractor or sub-consultant that is certified by the District of Columbia Office of Department of Small and Local Business Enterprises as a Local, Small, Resident Owned or Disadvantaged Business Enterprise (collectively, “LSDBE Certified Companies”) from participating in the work if another company is awarded the contract.
7. This bid form and the Offeror’s Bid are being submitted on behalf of [INSERT FULL LEGAL NAME, TYPE OF ORGANIZATION, AND STATE OF FORMATION FOR THE OFFEROR].

Sincerely,

By: _____

Note: Executive Order (EO) 13706 Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1 2017. If this contract is covered by the EO the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness injury or other health-related needs including preventive care; to assist a family member (or person who is like family to the employee) who is ill injured or has other health-related needs including preventive care; or for reasons resulting from or to assist a family member (or person who is like family to the employee) who is the victim of domestic violence sexual assault or

stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.54 per hour up to 40 hours per week or \$181.60 per week or \$786.93 per month

HEALTH & WELFARE EO 13706: \$4.22 per hour up to 40 hours per week or \$168.80 per week or \$731.47 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706 Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor 3 weeks after 5 years and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor wherever employed and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day Martin Luther King Jr.'s Birthday Washington's Birthday Memorial Day Independence Day Labor Day Columbus Day Veterans' Day Thanksgiving Day and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b) this wage determination does not apply to any employee who individually qualifies as a bona fide executive administrative or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate then the wage rate for that employee must be conformed in accordance with the

conformance procedures described in the conformance note included on this wage determination.

Additionally because job titles vary widely and change quickly in the computer industry job titles are not determinative of the application of the computer professional exemption. Therefore the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures including consulting with users to determine hardware software or system functional specifications;

(2) The design development documentation analysis creation testing or modification of computer systems or programs including prototypes based on and related to user or system design specifications;

(3) The design documentation testing creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**** HAZARDOUS PAY DIFFERENTIAL ****

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance explosives and incendiary materials. This includes work such as screening blending dying mixing and pressing of sensitive ordnance explosives and pyrotechnic compositions such as lead azide black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization modification renovation demolition and maintenance operations on sensitive ordnance explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with or in close proximity to ordnance (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands face or arms of the employee engaged in the operation irritation of the skin minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving unloading storage and hauling of ordnance explosive and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance explosives and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract by the employer by the state or local law etc.) the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition where uniform cleaning and maintenance is made the responsibility of the employee all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount or the furnishing of contrary affirmative proof as to the actual cost) reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However in those instances where the uniforms furnished are made of "wash and wear" materials may be routinely washed and dried with other personal garments and do not require any special treatment such as dry cleaning daily washing or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract by the contractor by law or by the nature of the work there is no requirement that employees be reimbursed for uniform maintenance costs.

**** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS ****

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations" Fifth Edition (Revision 1) dated September 2015 unless otherwise indicated.

**** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE Standard Form 1444 (SF-1444) ******Conformance Process:**

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e. the work to be performed is not performed by any classification listed in the wage determination) be classified by the contractor so as to provide a reasonable relationship (i.e. appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification wage rate and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure

to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award the contractor prepares a written report listing in order the proposed classification title(s) a Federal grade equivalency (FGE) for each proposed classification(s) job description(s) and rationale for proposed wage rate(s) including information regarding the agreement or disagreement of the authorized representative of the employees involved or where there is no authorized representative the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action together with the agency's recommendations and pertinent information including the position of the contractor and the employees to the U.S. Department of Labor Wage and Hour Division for review (See 29 CFR 4.6(b)(2)(ii)).
- 4) Within 30 days of receipt the Wage and Hour Division approves modifies or disapproves the action via transmittal to the agency contracting officer or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.
- 6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request the ""Service Contract Act Directory of Occupations"" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember it is not the job title but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split combine or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."

District of Columbia District of General Services

Released October 2018

Standard Contract Provisions

**General Provisions
(Architectural & Engineering Services Contract)**

ARTICLE 1. DEFINITIONS

- A.** "Architect-Engineer" means the individual, individuals, and or firm identified as the "Architect-Engineer" in the preamble of Contract executed by and between the District and the Architect-Engineer for the Project.
- B.** "Change Order" means a document signed by the District and the Architect-Engineer to authorize an addition, deletion or revision in the services, the Architect-Engineer's cost of, or the time required for, the performance of any part of the services under the Contract, issued on or after the Effective Date of the Contract.
- C.** "Contract" means the written contract for professional services between the District and the Architect-Engineer, including all exhibits, Standard Contract Provisions, and any duly executed amendments.
- D.** "Contracting Officer" means the District official authorized to execute and administrate the Contract on behalf of the District. Within DGS, the Director is the Chief Contracting Officer. The Director may make delegations of procurement authority to additional contracting officers within DGS.
- E.** "District" means the District of Columbia, Department of General Services, (the "Department" or "DGS"), a party to the Contract.
- F.** "Project" means the District's project identified in the Contract, of which Architect-Engineer's services under the Contract as a party.
- G.** "Scope of Services" means any and all work done in any and all phases of the Project, pursuant to and as set forth by the Department in the Contract.
- H.** "Day or Days" All references to day or days in these Standard Contract Provisions will be counted based on calendar days not business days.

ARTICLE 2. GENERAL

- A.** The Contracting Officer shall have authority to take any action provided for herein on behalf of the District, including approval, certifications, vouchers, acceptance and changes within the Scope of Services.
- B.** The Architect-Engineer's period of performance shall commence on the effective date as agreed and as specified in the Scope of Services or in each task order issued by the Contracting Officer and ends on the date all required services are satisfactorily completed in accordance with the terms of the Contract and Project close-out documents and all deliverables are delivered to the District.
- C.** All services shall be prosecuted under the direction of a principal officer or responsible representative of the Architect-Engineer, approved by the Contracting Officer. The design of architectural, civil, structural, mechanical, plumbing, electrical, or other engineering features of the Project shall be accomplished in accordance with the terms of the Contract and reviewed and certified in accordance with applicable District of Columbia regulations by architects or engineers registered to practice in the District of Columbia in the particular professional field involved.
- D.** The Architect-Engineer shall furnish sufficient technical, supervisory and administrative personnel

to ensure the efficient prosecution of the services in accordance with the approved Project Schedule.

- E. The Architect-Engineer agrees that duly authorized representatives of the District shall have access at all reasonable times to inspect and make copies of all notes, designs, drawings, specifications or other technical or non-technical data, including but not limited to payroll of company personnel, pertaining to the services performed under the Contract.
- F. The standard of care. The Architect-Engineer, its consultants and subcontractors shall perform the services consistent with the professional skill and care ordinarily provided by members of the same profession currently practicing under similar or same circumstances in the same or similar locality of the Project. The standard of care shall not be altered by the application, interpretation, or construction of this or any other provision of these Standard Contract Provisions or the Contract.

ARTICLE 3. PROGRESS SCHEDULES AND REPORTS

- A. **Generally.** In addition to the requirements set forth in the Scope of Services and the requirements set forth elsewhere in the Contract, the Architect-Engineer shall furnish progress reports monthly, biweekly and with each payment request, describing accomplishments, decisions and overall progress made during the period covered by the report and including the most recent Project Schedule and as set forth in more detail in this Article 3.
- B. **Monthly Reports.** The Architect-Engineer shall provide written reports to the District, at a minimum on a monthly basis on the progress of the Project, including, but not limited to, a baseline schedule and schedule updates with narrative demonstrating the critical path of the services in Primavera format in the latest available version or as designated by the Contracting Officer. The monthly written reports shall also include, at a minimum, the services accomplished, problems encountered, cost updates, an economic inclusion report, cash flow updates, quality assurance reports and other similar relevant data as the District may reasonably require.
- C. **Biweekly Updates.** The Architect-Engineer shall also provide written update reports to the District on a biweekly basis, which shall reflect actual conditions of Project progress as of the date of the update. The update shall reflect the actual progress of designs or construction, as the case may be, identify developing delays, regardless of their cause, and reflect the Architect-Engineer's best projection of the actual date by which Substantial Completion and Final Completion of the Project will be achieved. Via a narrative statement (not merely a critical path method schedule), the Architect-Engineer shall identify the causes of any potential delay and state what, in the Architect-Engineer's judgment, must be done to avoid or reduce that delay. The Architect-Engineer shall point out, in its narrative, changes that have occurred since the last update, including those related to major changes in the Scope of Services, activities modified since the last update, revised projections of durations, progress and completion, revisions to the schedule logic or assumptions, and other relevant changes. Any significant variance from the previous schedule or update shall also be identified in a narrative, together with the reasons for the variance and its impact on Project completion. All schedule updates shall be in the latest version of Primavera format and reasonably acceptable to the District. The District may make reasonable requests during the Project for changes to the format or for further explanation of information provided. Submission of updates showing that Substantial Completion or Final Completion of the Project will be achieved later than the applicable scheduled completion date shall not constitute requests for extension of time and shall not operate to change the scheduled completion date. The District's receipt of, and lack of objection to, any schedule update showing Substantial Completion or Final Completion later than

the dates agreed upon shall not be regarded as the District's agreement that the Architect-Engineer may have an extension of time, or as a waiver of any of the District's rights, but merely as the Architect-Engineer's representation that, in the Architect-Engineer's best projection, Substantial Completion or Final Completion of the Project may not be completed by the agreed upon date. Changes to the scheduled completion dates may be made only in the circumstances and only by the methods set forth in the Contract.

- D. Condition Precedent to Payment.** All payments to Architect-Engineer are contingent upon satisfactory performance of the terms and conditions set forth in the Contract as determined by the Contracting Officer. Requisitions for payment shall be accompanied by a Project Progress Report which shall include the information set forth in this Article 3 and a statement indicating the percentage of completion of all required services for the Project.

ARTICLE 4. RESPONSIBILITY OF THE ARCHITECT-ENGINEER

- A. Quality.** The Architect-Engineer shall be responsible for the professional quality, technical accuracy and the coordination of all designs, drawing, specifications, and other services furnished. The Architect-Engineer shall, without additional compensation correct or revise any errors or deficiencies in its designs, drawings, specification and other services.
- B. Scope of Services.** The Architect-Engineer shall accomplish the design services required pursuant to the Scope of Services or under each task order. The services, as set forth in the Contract, shall include but are not limited to the services required to enable the District to award the related construction contract pursuant to standard District procedures, for the construction of the facilities designed at a price that does not exceed the estimated construction contract price set forth in the Contract.
1. If bids or proposals are not solicited within 180 days following the District's acceptance of the services to be provided under the Scope of Services or task order, the Architect-Engineer shall, prepare an estimate of constructing the design submitted and such estimate will be used in lieu of bids or proposals to determine compliance with the funding limitation.
 2. If the bids or proposals for the construction contract received exceed such estimated price, the Architect-Engineer shall perform such redesign and other services as are necessary to permit contract award within such funding limitation. Such redesign services shall be performed at no increase in the price of the Contract. However, the Architect-Engineer shall not be required to perform such additional services at no cost to the District if the unfavorable bids or proposals are the results of unforeseeable causes beyond the control and without the fault and negligence of the Architect-Engineer.
- C. Designing to Budget.** The Architect-Engineer shall promptly advise the Contracting Officer if the Architect-Engineer finds that the Project design will exceed or is likely to exceed the funding limitations and the Architect-Engineer is unable to design a usable facility within these limitations. Upon receipt of such information, the Contracting Officer will review the Architect-Engineer's revised estimate of construction cost. The Contracting Officer may, if he determines that the estimated construction contract price set forth in the Scope of Services or task order is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in the scope, quality or type of materials, or both, as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth elsewhere in the Contract or he may adjust such estimated construction contract price.

D. Project Management and Inspection Entity. In the event the Contract requires the Architect-Engineer to provide construction period services, the Architect-Engineer shall also, at intervals of no less than once per week or as set forth in the Scope of Services, be responsible for:

1. *Visits to Site and Observation of Construction.* An Architect-Engineer representative who is knowledgeable of the Project and competent in each discipline that has trade activities and stages of construction being performed shall visit the site at the agreed-to intervals to observe as an experienced and qualified design professional the progress and quality of the various aspects of the contractor's work. Based on information obtained during such visits and on such observations, the Architect-Engineer shall endeavor to determine whether such work is proceeding in accordance with the Contract Documents and shall keep the District informed of the general progress of the work in relation to the overall schedule. The Architect-Engineer shall document the site visit in writing and shall submit his findings in accordance with the report requirements set forth in Article 3 herein.
2. *Inspections of Work in Progress by the Architect-Engineer.* During his periodic visits to the site to observe the work in progress, the Architect-Engineer shall, as a minimum, spot check the work installed and in progress to determine compliance with the requirements of the Contract Documents and the codes and installation/workmanship standards listed therein. Defective and noncompliant work observed during such visits shall be noted in the Architect-Engineer's reports and pointed out to the Contracting Officer and Program Manager. The Architect-Engineer shall identify for the Project Manager any specific checks or inspections to be made. The results of these inspections shall be made a part of the Project's daily log and reports. The Architect-Engineer shall document the inspection in writing.
3. *Supplemental Inspections and Tests.* For work not in compliance with the Contract Documents, the Architect-Engineer shall, with the District's approval, require additional or supplemental inspection or testing. The Architect-Engineer shall receive and review all certificates of inspections, tests and approvals required by laws, rules, regulations, ordinances, codes, orders or the Contract Documents and shall determine whether, in its opinion as an Architect-Engineer, their content complies with the requirements of each. The Architect-Engineer shall also determine whether the results certified indicate compliance with the Contract Documents. The Architect-Engineer shall document the inspection in writing.
4. *Defective Work.* During its site visits and based on its observation during such visits, the Architect-Engineer may disapprove the contractor's work, or any portion thereof, while the work is in progress if Architect-Engineer believes that such work does not conform to the Contract Documents or the approved shop drawings or other submittals. The Architect-Engineer may also recommend that the District reject any work that the Architect-Engineer believes will not result in a completed Project that conforms generally to the Contract Documents or that it believes will prejudice the integrity of the design as reflected in the Contract Documents. The Architect-Engineer shall document the defective work in writing.

E. Code and Regulatory Compliance. The Architect-Engineer is responsible for designing the project and administering the construction phase of the Project in accordance with applicable District of Columbia Codes and other regulatory requirements applicable to the Project. Nothing contained herein shall be construed as relieving the Architect-Engineer, any other professional design consultant, or any contractor, supplier or other participant from any professional or legal responsibility for performance. Reviews, comments and approvals by the Department of General Services and its divisions, or any employee or official of the District, in no way absolve any other person, firm or corporation involved in

the Project from their full responsibilities under the applicable laws, codes and professional practice as required in projects for the District of Columbia. Lack of comment by a District of Columbia reviewer does not relieve the Architect-Engineer from designing to meet the applicable code or Architect-Engineer Manual requirements or applicable regulations related to water, sewer, fire department service, and other utilities.

1. *Additional Costs.* If the correction of a code or regulatory violation results in a Change Order during construction, any additional costs incurred shall be borne by the party responsible for the violation. The District shall bear only the costs attributable to the actual code or regulation-required enhancement of the Project.
 2. *Code Interpretation.* If the Architect-Engineer believes that a code or a regulation is unclear as to meaning, the Architect-Engineer shall request a written opinion as to the applicable interpretation from the applicable regulatory agency, as appropriate. The Architect-Engineer shall be entitled to rely on the written opinion, if any, received from such agency.
- F. As-Built Drawings.** At completion of the Project, the Architect-Engineer shall prepare a full set of record drawings showing the "as-built" condition of the Project and including the locations of all utilities based on his own records and upon information supplied by the Construction Manager, Contractor or Design-Builder, as applicable, on which the Architect-Engineer may rely. These drawings will consist of the original working drawings and the original of supplemental drawings and details modified to show the "as built" conditions both in paper, tracings, and electronic media. "As-built" drawings shall be turned over to the District as a condition precedent to Substantial Completion; final payment of the Architect-Engineer's fees shall not be due until the building is accepted by the District, the final Application for Payment is made, in acceptable form, to and accepted by the District, and record drawings and "as-built" drawings in the form of paper, tracings, and electronic media in the form of Compact Discs in latest version of AutoCAD. The District reserves the right to occupy the building, or portions thereof, prior to final acceptance.
- G. No Waiver.** Neither the District's review, approval or acceptance of, nor payment for, any of the services required under the Contract shall be construed to operate as a waiver or any rights under the Contract or of any cause of action arising out of the performance of the Contract, and the Architect-Engineer shall be and remain liable to the District in accordance with applicable law for all damages to the District caused by the Architect-Engineer's negligent or intentionally wrongful act, omission or default while performing any of the services under the Contract.
- H. Remedies Inclusive.** The rights and remedies of the District and the Architect-Engineer provided for under the Contract are in addition to any other rights and remedies provided by law.

ARTICLE 5. PAYMENTS

- A. Invoices.** The Architect-Engineer shall submit an invoice to the District, along with District-required documentation. The invoice shall generally itemize the various phases or parts of the Total Contract Amount, the value of the various phases or parts, the previously invoiced and approved amounts for payment, and the amount of the current invoice. The invoice shall also include a certification statement signed by the Architect-Engineer stating that the Architect-Engineer has paid its consultants, subcontractors and suppliers their individual proportional share of all previous payments, including interest if applicable, received from the District in accordance with the terms of the Architect-Engineer's subcontract with such persons or companies and these Standard Contract Provisions. Invoices for reimbursables shall include documentation of costs for which reimbursement is sought. Invoices for Architect-Engineer Services being performed on an

hourly rate basis shall show the technical classifications, names of the persons performing the Architect-Engineer services, man hours expended, marked up hourly rates for the classification, and the extended cost amount.

- B. Invoice Disputes.** Unless there is a dispute about the compensation due the Architect-Engineer, including, but not limited to, claims by the District against the Architect-Engineer, then within thirty (30) days after receipt by the District of the Architect-Engineer's acceptable invoice, which shall be considered the invoice receipt date, the District shall pay to the Architect-Engineer the amount approved less any retainage and less any prior payments or advances made to Architect-Engineer. The date on which payment is due shall be referred to as the "payment date."
- C. Frequency.** Invoices prepared the Architect-Engineer relating to the amount and value of work and services performed by the Architect-Engineer under the Contract shall be made periodically (not more often than monthly) and sent to the District for payment, accompanied by such documentation and supporting data as may be required by the Contracting Officer.
- D. Retainage.** Upon approval of such invoice amounts by the Contracting Officer and presentation of proper documentation by the Architect-Engineer, payment of the invoice amount as determined above less agreed upon retainage and all previous payments shall be made in accordance with the Quick Payment Act, D.C. Official Code §2-221.01 *et seq.* Unless otherwise provided for in the Contract, the retained payment percentage shall be 5%, provided, however, that if the Contracting Officer determines that the work is Substantially Complete and that the amount of retained percentages is in excess of the amount considered by him to be adequate for the protection of the District, he may in his discretion release to the Architect-Engineer such excess amount.
- E. Final Payment.** Upon the satisfactory completion of the Architect-Engineer's services and formal notification of its final acceptance by the Contracting Officer, the Architect-Engineer shall be paid the unpaid balance of any money due hereunder, including retained percentages. Prior to such final payment under the Contract or prior to settlement upon termination of the Contract and as a condition precedent thereto, the Architect-Engineer shall execute and deliver to the Contracting Officer a release of all claims against the District arising under or by virtue of the Contract other than such claims, if any, as may be specifically excepted by the Architect-Engineer from the operation of the release in stated amounts to be set forth therein.
- F. Document Ownership.** All drawings, designs, specifications and other Architect-Engineer deliverables first produced solely for the District in the performance of the Contract, or in contemplation thereof, and all as-built drawings produced after completion of the work shall be and remain the sole property of the District and may be used on any other work without additional cost to the District. With respect thereto, the Architect-Engineer agrees not to assert any rights or to establish any claim under the design patent or copyright laws and not to publish or reproduce such matter in whole or in part or in any manner or form or authorize others so to do without the written consent of the District, until such time as the District may have released such matter to the public. Further, with respect to any architectural design which the District desires to protect by applying for and prosecuting a design patent application or otherwise, the Architect-Engineer agrees to furnish the Contracting Officer such duly executed instruments and other papers (prepared by the District) as are deemed necessary to vest in the District the rights granted it under this clause. The Architect-Engineer agrees to furnish and provide access to the originals or copies of all such materials on the request of the Contracting Officer for a period of three (3) years after completion for the project.

- G. Corrections of Work Post-Payment.** Notwithstanding the acceptance and approval by the District of any services performed or provided by the Architect-Engineer, the Architect-Engineer shall be responsible for the professional quality, technical accuracy and the coordination of all services furnished by the Architect-Engineer under the Contract. The Architect-Engineer shall, without additional compensation, correct or revise any errors or deficiencies or omissions in the Architect-Engineer's services.
- H. Payment Not Waiver.** The District's review, approval or acceptance of, or payment for, any of the Materials and Services required under the Contract shall not constitute any representation, warranty or guaranty by the District as to the substance or quality of the matter reviewed, approved or accepted and shall not be construed to operate as a waiver or estoppel of any of the District's rights or privileges under the Contract or of any cause of action arising out of the performance of the Contract. No person or firm shall rely in any way on such review, approval or acceptance by the District. The Architect-Engineer shall be and remain liable in accordance with Applicable Law for all damages to the District caused by the Architect-Engineer. Review, approval or acceptance by the District or the Contracting Officer under the Contract shall not constitute approval otherwise required by any of the District departments, boards, commissions, or other regulatory agencies in the exercise of their independent regulatory authority.
- I. Errors and Omissions.** Without limiting the Architect-Engineer's responsibility set forth above, such responsibility, by way of illustration shall include the following: If any error or omission in the Construction Documents submitted by the Architect-Engineer requires a change in the Scope of Services or any portion thereof, the Architect-Engineer shall promptly complete such change at no additional cost to the District.
- J. Compensation Disputes.** Disputes regarding the compensation due the Architect-Engineer may include, but are not limited to, the amount due, the value or percentage of the Architect-Engineer Services completed, defects or deficiencies in the Architect-Engineer Services, quality of the Architect-Engineer Services, compliance with the Contract Documents, completion itself, or negligent performance of professional services on the part of the Architect-Engineer. In the event of disputes, payment shall be mailed on or before the Payment Date for amounts and Architect-Engineer Services not in dispute, subject to any setoffs claimed by the District.
- K. Adjustments.** All prior payments, whether based on estimates or otherwise, may be corrected and adjusted in any payment and shall be corrected and adjusted in the final payment. In the event that any invoice by the Architect-Engineer contains a defect or impropriety which would prevent payment by the Payment Date, the District shall notify the Architect-Engineer in writing of such defect or impropriety within ten (10) days after the invoice receipt date. Any disputed amounts determined by the District to be payable to the Architect-Engineer shall be due thirty (30) days from the date the dispute is resolved. Interest shall be paid by the District in accordance with the Quick Payment Act, D.C. Official Code §2-221.01 *et seq.*
- L. Payments to Subcontractors.** The Architect-Engineer shall make a payment to each of its Consultants and Subcontractors, not later than seven (7) calendar days after receipt of amounts paid to the Architect-Engineer by the District, in an amount equal to the proportionate share of the total payment, including any interest, received from the District attributable to the Architect-Engineer Services performed by Consultants and Subcontractors less a retainage of not more than five percent (5%) if provided for in the applicable subcontract, said retainage being the same money, not additional money, retained by the District from the payment to the Architect-Engineer.

ARTICLE 6. CHANGES

- A. Generally.** The Contracting Officer may at any time by written order make changes within the general scope of the Contract to the Scope of Services to be performed under each task order. If such changes cause an increase or decrease in the Architect-Engineer's cost of or time required for performance of any service under the Contract, or both, upon approval of the Contracting Officer, an equitable adjustment shall be made and the Contract shall be modified in writing by the Contracting Officer accordingly. Any claim of the Architect-Engineer for adjustment under this clause must be made in writing to the Contracting Officer within ten (10) days from the date of receipt by the Architect-Engineer of the notification of change unless the Contracting Officer grants a further period of time before the date of final payment under this Contract. If the Architect-Engineer requests changes to the Scope of Services, the Architect-Engineer must demonstrate to the satisfaction of the District that the changes are necessary and not due to the acts or omissions of the Architect-Engineer. Generally, the time of performance of the Contract and/or any task order may be extended for the administrative convenience of the District or for other purposes whenever the Contracting Officer determines such action will not be a cause for additional fee or other related cost.
- B. Additional Compensation.** Compensation to the Architect-Engineer beyond the monetary limits set forth in the Contract shall only be made if and when a Change Order to the Contract is duly executed by the Parties. Nothing herein shall limit the District's ability to make changes to the Contract unilaterally.
- C. Designated Change Orders.** The Contracting Officer may, at any time, by written order designated or indicated to be a change order, make any changes in the work within the general scope of the Contract, including but not limited to changes:
1. In the Contract drawings and specifications;
 2. In the method or manner of performance of the services;
 3. In the District furnished facilities, equipment, materials or services; or
 4. Directing acceleration in the performance of the services.
- Nothing provided in this Article shall excuse the Architect-Engineer from proceeding with the prosecution of the services so changed.
- D. Other Change Orders.** Any other written order or an oral order (which term as used in this Section shall include direction, instruction, interpretation, or determination) from the Contracting Officer which causes any such change, shall be treated as a Change Order under this Article, provided that the Architect-Engineer gives the Contracting Officer written notice stating the date, circumstances and sources of the order and that the Architect-Engineer regards the order as a Change Order.
- E. General Requirements.** Except as herein provided, no order, statement or conduct of the Contracting Officer shall be treated as a change under this Article or entitle the Architect-Engineer to an equitable adjustment hereunder. If any change under this Article causes an increase or decrease in the Architect-Engineer's cost of, or the time required for, the performance of any part of the services under the Contract whether or not changed by any order, an equitable adjustment shall be made and the Contract modified in writing accordingly; provided, however, that except for claims based on defective specifications, no claim for any change under (B) above shall

be allowed for any cost incurred more than thirty (30) days before the Architect-Engineer gives written notice as therein required unless this thirty (30) day period is extended by the Contracting Officer and provided further, that in case of defective drawings and specifications, the equitable adjustment shall include any increased cost reasonably incurred by the Architect- Engineer in attempting to comply with such defective drawings and specifications.

1.If the Architect-Engineer intends to assert a claim for an equitable adjustment under this Article, the Architect-Engineer must, within thirty (30) days after receipt of a written Change Order under (A) above or the furnishing of a written notice under (D) above, submit to the Contracting Officer a written statement setting forth the general nature and monetary extent of such claim, unless this period is extended by the Contracting Officer. The statement of claim hereunder may be included in the notice under (D) above.

2. With respect to the notification obligations of the Architect-Engineer hereunder, time is of the essence. A failure to provide timely notice constitutes waiver of the claim. No claim by the Architect-Engineer for an equitable adjustment hereunder shall be allowed if asserted after final payment under the Contract.

F. Change Order Breakdown. Contract prices shall be used for Change Order work where the services, as changed, are of similar nature; no other costs, overhead or profit will be allowed.

1. Where Contract prices are not appropriate and the nature of the change is known in advance of construction, the parties shall attempt to agree on a fully justifiable adjustment of the Architect-Engineer's compensation and time for performance.

2. When Contract prices are not appropriate, or the parties fail to agree on equitable adjustment, or in processing claims, equitable adjustment for Change Order work shall be per this Article and Article 7 and shall be based upon the breakdown shown in following subsections a) through g). The Architect-Engineer shall assemble a complete cost breakdown that lists and substantiates each item of work and each item of cost.

a) *Labor*—Payment will be made for direct labor cost plus indirect labor cost such as insurance, taxes, fringe benefits and welfare provided such costs are considered reasonable by the District. Indirect costs shall be itemized and verified by receipted invoices. If verification is not possible, up to 18 percent of direct labor costs may be allowed. In addition, up to 20 percent of direct plus indirect labor costs may be allowed for overhead and profit.

b) *Rented Equipment*—Payment for required equipment rented from a third party company that is neither an affiliate of, nor a subsidiary of, the Architect-Engineer will be based on receipted invoices, which shall not exceed rates given in the current edition of the Rental Rate Blue Book for Construction Equipment published by Data Quest. If actual rental rates exceed manual rates, written justification shall be furnished to the Contracting Officer for consideration. No additional allowance will be made for overhead and profit. The Architect-Engineer shall submit written certification to the Contracting Officer that any required rented equipment is neither owned by nor rented from the Architect-Engineer or an affiliate of or subsidiary of the Architect- Engineer.

c) *Architect-Engineer's Equipment*—Payment for required equipment owned by the Architect-Engineer or an affiliate of the Architect-Engineer will be based solely on an hourly rate

derived by dividing the current appropriate monthly rate by 176 hours. No payment will be made under any circumstances for repair costs, freight and transportation charges, fuel, lubricants, insurance, any other costs and expenses, or overhead and profit. Payment for such equipment made idle by delays attributable to the District will be based on one-half the derived hourly rate under this subsection.

- d) *Miscellaneous*—No additional allowance will be made for general superintendence, use of small tools and other costs for which no specific allowance is herein provided.
- e) *Subcontract Work*—Payment for additional necessary subcontract work will be based on applicable procedures in a) through f), to which total additional subcontract work, up to an additional 10 percent, may be allowed for the Architect-Engineer's overhead and profit.

G. Significant Changes in Character of Services.

1. The Contracting Officer reserves the right to make, in writing, at any time during the performance of services, such changes in quantities and such alterations in the services as are necessary to satisfactorily complete the Project. Such changes in quantities and alterations shall not invalidate the Contract, and the Architect-Engineer agrees to perform the services as altered.
2. If the alterations or changes in quantities significantly change the character of the services under the Contract, whether or not changed by any such different quantities or alterations, an adjustment, excluding loss of anticipated profits, will be made to the Contract. The basis for the adjustment shall be agreed upon prior to the performance of the services. If a basis cannot be agreed upon, then an adjustment will be made either for or against the Architect-Engineer in such amount as the Contracting Officer may determine to be fair and reasonable.
3. If the alterations or changes in quantities significantly change the character of the services to be performed under the Contract, the altered services will be paid for as provided elsewhere in the Contract.
4. The term "significant change" shall be construed to apply only to the following circumstances:
 - a. When the character of the services as altered differs materially in kind or nature from that involved or included in the original proposed construction; or
 - b. When an item of work is increased in excess of 125 percent or decreased below 75 percent of the original Contract quantity. Any allowance for an increase in quantity shall apply only to that portion in excess of 125 percent of original Contract item quantity, or in the case of a decrease below 75 percent, to the actual amount of services performed.
5. If the parties fail to agree upon the adjustment to be made, the dispute shall be processed as provided in Article 10 hereof entitled "Disputes". Nothing provided in this section shall excuse the Architect-Engineer from proceeding with the prosecution of services so changed.

ARTICLE 7. EQUITABLE ADJUSTMENT OF CONTRACT TERMS

The Architect-Engineer is entitled to an equitable adjustment of the contract terms whenever the following situations develop:

A. Differing Site Conditions.

1. During the progress of the work, if subsurface or latent physical conditions are encountered at the site differing materially from those indicated in the Contract or if unknown physical

conditions of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in the work provided for in the Contract, are encountered at the site, the Architect-Engineer, upon discovering such conditions, shall promptly notify the Contracting Officer in writing of the specific differing conditions before they are disturbed and before the affected work is performed.

2. Upon written notification, the Contracting Officer will investigate the conditions, and if he/she determines that the conditions materially differ and cause an increase or decrease in the cost or time required for the performance of any work under the contract, or both, an adjustment, excluding loss of anticipated profits, will be made and the Contract modified in writing accordingly. The Contracting Officer will notify the Architect-Engineer of his/her determination whether or not an adjustment of the Contract is warranted.
3. No contract adjustment which results in a benefit to the Architect-Engineer will be allowed unless the Architect-Engineer has provided the required written notice; a failure to notify the Contracting Officer of the changed conditions prior to work being disturbed by said conditions shall constitute a permanent waiver of all right to compensation related to the changed conditions by the Architect-Engineer.
4. No contract adjustment will be allowed under this clause for any effects caused on unchanged work.

B. Suspension of Work Ordered by Contracting Officer.

1. If the performance of all or any portion of the work is suspended or delayed by the Contracting Officer in writing for an unreasonable period of time (not originally anticipated, customary, or inherent to the nature of the services) and the Architect-Engineer believes that additional compensation or contract time, or both, is due as a result of such suspension or delay, the Architect-Engineer shall submit to the Contracting Officer in writing a request for equitable adjustment within ten (10) days of receipt of the notice to resume work. The request shall set forth the reasons and support for such adjustment.
2. Upon receipt, the Contracting Officer will evaluate the Architect-Engineer's request. If the Contracting Officer agrees that the cost or time required for the performance of the Contract, or both, has increased as a result of such suspension and the suspension was caused by conditions beyond the control or and not the fault of the Architect-Engineer or its consultants or subcontractors at any approved tier, and not caused by weather, the Contracting Officer will make an adjustment (excluding profit) and modify the contract in writing accordingly. The Contracting Officer will notify the Architect-Engineer of his/her determination whether or not an adjustment of the Contract is warranted.
3. No contract adjustment will be allowed unless the Architect-Engineer has submitted the request for adjustment within the time prescribed; a failure to submit a request for adjustment in the time prescribed shall constitute waiver of all right to compensation related to the suspension of work by the Architect-Engineer.

ARTICLE 8. TERMINATION

- A. Termination for Default.** Termination, whether for default or convenience is not a Government claim. The Contracting Officer may terminate the Contract, or any task order issued thereunder by the Contracting Officer, for default, in whole or in part, if the termination is in the best interests of the Government, and the Architect-Engineer does any of the following:

1. Fails to complete the Services within the time specified in the Contract or any modification (including task orders);
2. Fails to make sufficient progress on contract performance so as to endanger performance

of the Contract (including any task order) within the time specified or in the manner specified in the Contract;

3. Fails or refuses to go forward with the services in accordance with the direction of the Contracting Officer;
4. Expresses through word or conduct an intention not to complete the services in accordance with the directions of the Contracting Officer;
5. Fails to perform any of the other provisions of the Contract (or any task order);
6. Materially deviates from the representations and capabilities set forth in the Architect-Engineer's response to the solicitation.

B. Final Decision of Contracting Officer. A termination for default is a final decision of the Contracting Officer. In order to contest a termination for default, the Architect-Engineer must submit a certified request to convert the termination for default to a termination for convenience with all documents supporting such conversion and comply with all Contract provisions and laws relating to terminations for convenience, including the submission of a certified termination for convenience settlement proposal. The submission of the certified request for conversion to a termination for convenience and certified termination settlement proposal to the Contracting Officer must occur prior to ninety (90) days from the date of the Contracting Officer's final decision.

C. Delays. If the Architect-Engineer refuses or fails to prosecute the services, or any separable part thereof, with such diligence as will provide for its completion within the time specified in the Contract, or any extension thereof, or fails to complete said services within the specified time, the District may, by written notice to the Architect-Engineer, terminate its right to proceed with the services or such part of the services involving the delay. In such event, the District may take over the services and prosecute the same to completion, by contract or otherwise, and may take possession of and utilize in completing the services such materials as may have been paid for by the District. Whether or not the Architect-Engineer's right to proceed with the services are terminated, the Architect-Engineer shall be liable for any liability to the District resulting from the Architect-Engineer's refusal or failure to complete the services within the specified time.

1. If fixed and agreed liquidated damages are provided in the Contract and if the District does not so terminate the Architect-Engineer's right to proceed, the resulting damage will consist of such liquidated damages until the services are completed and accepted.
2. The Architect-Engineer's right to proceed shall not be so terminated nor the Architect-Engineer charged with resulting damage if:
 - a) The delay in the completion the services arises from unforeseeable causes beyond the control and without the fault or negligence of the Architect-Engineer, including but not restricted to acts of God, acts of the public enemy, acts of the District in either its sovereign or contractual capacity, acts of another contractor in the performance of a contract with the District, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, climatic conditions beyond the normal which could be anticipated, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of both the Architect-Engineer and such consultants or subcontractors at any tier; and
 - b) The Architect-Engineer, within 72 hours from the beginning of any such delay, (unless the

Contracting Officer grants a further period of time before the date of final payment under the Contract) notifies the Contracting Officer in writing of the causes of delay.

3. The Contracting Officer shall ascertain the facts and the extent of the delay and extend the time for completing the services when, in his/her judgment, the findings of fact justify such an extension, and his/her findings of fact shall be final and conclusive on the parties, subject only to appeal as provided in Article 7 herein.
4. If, after notice of termination of the Architect-Engineer's right to proceed under the provisions of this Article, it is determined for any reason that the Architect-Engineer was not in default under the provisions of this Article, or that the delay was excusable under the provisions of this Article, the rights and obligations of the parties shall be in accordance with Article 6 herein. Failure to agree to any such adjustment shall be a dispute concerning a question of fact within the meaning of Article 7 herein.
5. The rights and remedies of the District provided in this Article are in addition to any other rights and remedies provided by law or under the Contract.
6. The District may, by written notice, terminate the Contract or a portion thereof as a result of an Executive Order of the President of the United States with respect to the prosecution of war or in the interest of national defense. When the Contract is so terminated, no claim for loss of anticipated profits will be permitted.

D. Opportunity to Cure. Notwithstanding the foregoing sections A and C, the Contract will not terminate as a result of the failure to perform if the Architect-Engineer begins, immediately upon receipt of such notice, to correct its failure to perform and proceeds diligently to cure such failure with no more than ten (10) days of receipt thereof. The Contracting Officer in its sole discretion, but is not obligated to, may extend the period to cure if the Department finds a legitimate reason for the extension.

E. Termination for Convenience of the District Government

1. The performance of services under the Contract, or any task order issued thereunder by the Contracting Officer, may be terminated by the District in accordance with this Article, in whole or in part, whenever the Contracting Officer shall determine that such termination is in the best interest of the District. Any such termination shall be effected by delivery to the Architect-Engineer of a Notice of Termination specifying the extent to which performance of services under the Contract (or task order) is terminated, and the date upon which such termination becomes effective.
2. After receipt of a Notice of Termination, and except as otherwise directed by the Contracting Officer, the Architect-Engineer shall:
 - a) Stop work under the Contract (or task order) on the date and to the extent specified in the Notice of Termination.
 - b) Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the services under the Contract (or task order) as is not terminated.
 - c) Terminate all orders and subcontracts to the extent that they relate to the performance of the services terminated by the Notice of Termination.

- d) Assign to the District, in the manner, at the times, and to the extent directed by the Contracting Officer, all of the right, title and interest of the Architect-Engineer under the orders and subcontracts so terminated, in which case the District shall have the right, in its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
 - e) Settle all outstanding liabilities and all claims arising out of such termination of orders or subcontracts, with the approval or ratification of the Contracting Officer to the extent he/she may require, which approval or ratification shall be final for all purposes of this Article.
 - f) Transfer title to the District and deliver in the manner, at the times, and to the extent, if any, directed by the Contracting Officer completed, or partially completed plans, drawings, information and other property which, if the Contract (or task order) had been completed, would have been required to be furnished to the District.
 - g) Complete performance of such part of the services as shall not have been terminated by the Notice of Termination.
 - h) Take such action as may be necessary, or as the Contracting Officer may direct, for the protection and preservation of the property related to the Contract that is in the possession of the Architect-Engineer and in which the District has or may acquire an interest.
 - i) The Architect-Engineer shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the cost, or any item of reimbursable cost, under this Article.
3. After receipt of a Notice of Termination, the Architect-Engineer shall submit to the Contracting Officer its termination claim, in the form with the certification prescribed by the Contracting Officer. Such claim shall be submitted promptly but in no event later than ninety (90) days from the effective date of termination, unless one or more extensions in writing are granted by the Contracting Officer upon request of the Architect-Engineer made in writing within such ninety (90)-day period or authorized extension thereof. In the event the Architect-Engineer was terminated for default and it asserts that it is entitled to a termination for convenience, its certified request for the conversion of the default termination to one for convenience and its certified termination settlement proposal must be submitted to the Contracting Officer prior to the expiration of ninety (90) days from the date of the default termination. With respect to a termination for convenience, if the Contracting Officer determines that the facts justify such action, he/she may receive and act upon any such termination claim at any time after such ninety (90)-day period or extension thereof. Nothing herein shall be construed to extend the time for the submission of a claim hereunder for a defaulted Architect-Engineer beyond ninety (90) days from the date of the default termination. Upon failure of the Architect-Engineer to submit his termination claim within the time allowed, the Contracting Officer may, subject to any review required by the District's procedures in effect as of the date of execution of the Contract, determine, on the basis of information available to him/her, the amount, if any, due to the Architect-Engineer by reason of the termination and shall thereupon pay to the Architect-Engineer the amount so determined.
4. Subject to the provisions of Section 3 above, and subject to any review required by the District's procedures in effect as of the date of execution of the Contract, the Architect-Engineer and Contracting Officer may agree upon the whole or any part of the amount or amounts to be paid to the Architect-Engineer by reason of the total or partial termination of services pursuant to this Article, which amount or amounts may include a reasonable allowance for profit on services completed; provided, that such agreed amount or amounts, exclusive of settlement costs, shall not exceed the total Contract price as reduced by the amount of

payments otherwise made and as further reduced by the Contract price of any services not terminated. The Contract shall be amended accordingly, and the Architect-Engineer shall be paid the agreed amount. Nothing in Section 5 below prescribing the amount to be paid to the Architect-Engineer in the event of failure of the Architect-Engineer and the Contracting Officer to agree upon the whole amount to be paid to the Architect-Engineer by reason of the termination of services pursuant to this Article, shall be deemed to limit, restrict or otherwise determine or effect the amount or amounts which may be agreed upon to be paid to the Architect-Engineer pursuant to this paragraph.

5. In the event of the failure of the Architect-Engineer and the Contracting Officer to agree as provided in Section 4 above upon the whole amount to be paid to the Architect-Engineer by reason of the termination of services pursuant to this Article, the Contracting Officer shall, subject to any review required by the District's procedures in effect as of the date of execution of the Contract, determine, on the basis of information available to him/her, the amount, if any, due the Architect-Engineer by reason of the termination and shall pay to the Architect-Engineer the amounts determined by the Contracting Officer, as follows, but without duplication of any amounts agreed upon in accordance with Section 4 above:
 - a) With respect to all Contract work performed prior to the effective date of the Notice of Termination, the total (without duplication of any items) of:
 - i) The cost of such services;
 - ii) The cost of settling and paying claims arising out of the termination of services under subcontracts or orders as provided in Section 2(e) above, exclusive of the amounts paid or payable on account of supplies or materials delivered or services furnished by the subcontractor prior to the effective date of the Notice of Termination of work under the Contract, which amounts shall be included in the cost on account of which payment is made under on Section 5(a)(i) above; and
 - iii) A sum, as profit on Section 5(a)(i) above, determined by the Contracting Officer to be fair and reasonable; provided however, that if it appears that the Architect-Engineer would have sustained a loss on the entire Contract had it been completed, no profit shall be included or allowed under this subparagraph and an appropriate adjustment shall be made reducing the amount of the settlement to reflect the indicated rate of loss; and provided further that profit shall be allowed only on preparations made and services performed by the Architect-Engineer for the terminated portion of the Contract (or task order) but may not be allowed on the Architect-Engineer's settlement expenses. Anticipatory profits and consequential damages shall not be allowed. Any reasonable method may be used to arrive at a fair profit, separately or as part of the whole settlement.
 - b) The reasonable cost of the preservation and protection of property incurred pursuant to Section 2(i); and any other reasonable cost incidental to termination of services under the Contract including expense incidental to the determination of amount due to the Architect-Engineer as the result of the termination of work under the Contract.
6. The total sum to be paid to the Architect-Engineer under Section 5(a) above shall not exceed the total Contract price as reduced by the amount of payments otherwise made and as further reduced by the Contract price of services not terminated. Except for normal spoilage, and except to the extent that the District shall have otherwise expressly assumed the risk of loss, there shall be excluded from the amounts payable to the Architect-Engineer under Section 5(a) above, the fair value, as determined by the Contracting Officer, of property which is destroyed, lost, stolen or damaged so as to become undeliverable to the District
7. The Architect-Engineer shall have the right of appeal, under Article 9 herein, from any determination made by the Contracting Officer under Sections 3 or 5, above, except that, if

the Architect-Engineer has failed to submit its claim within the time provided in Section 3 above and has failed to request extension of such time, the Architect-Engineer shall have no such right of appeal. In any case where the Contracting Officer has made a determination of the amount due under Sections 3 or 5, above, the District shall pay to the Architect-Engineer the following:

- a) If there is no right of appeal hereunder or if no timely appeal has been taken, the amount so determined by the Contracting Officer, or
 - b) If an appeal had been taken, the amount finally determined on such appeal.
8. In arriving at the amount due the Architect-Engineer under this Article there shall be deducted:
- a) all unliquidated advance or other payments on account theretofore made to the Architect-Engineer, applicable to the terminated portion of the Contract (or task order);
 - b) any claim which the District may have against the Architect-Engineer in connection with the Contract; and
 - c) the agreed price for, or the proceeds of sale of, any materials, supplies or other things kept by the Architect-Engineer or sold, pursuant to the provisions of this Article and not otherwise recovered by or credited to the District.
9. If the termination hereunder be partial, prior to the settlement of the terminated portion of the Contract (or task order), the Architect-Engineer may file with the Contracting Officer a request in writing for an equitable adjustment of the price or prices specified in the Contract relating to the continued portion of the Contract (the portion not terminated by the Notice of Termination), and such equitable adjustment as may be agreed upon shall be made at such price or prices; however, nothing contained herein shall limit the right of the District and the Architect-Engineer to agree upon the amount or amounts to be paid to the Architect-Engineer for the completion of the continued portion of the Contract when said Contract does not contain an established Contract price for such continued portion.
10. The District may from time to time, under such terms and conditions as it may prescribe, make partial payments against costs incurred by the Architect-Engineer in connection with the terminated portion of the Contract (or task order) whenever in the opinion of the Contracting Officer the aggregate of such payments shall be within the amount to which the Architect-Engineer will be entitled hereunder. If the total of such payments is in excess of the amount finally agreed or determined to be due under this Article, such excess shall be payable by the Architect-Engineer to the District upon demand, together with interest in accordance with the Quick Payment Act, D.C. Official Code §2-221.01 *et seq.*
11. Unless otherwise provided in the Contract or by applicable statute, the Architect-Engineer, from the effective date of termination and for a period of three (3) years after final settlement under the Contract, shall preserve and make available to the District at all reasonable times at the office of the Architect-Engineer, but without direct charge to the District, all its books, records, documents and other evidence bearing on the costs and expenses of the Architect-Engineer under the Contract and relating to the services terminated hereunder, or, to the extent approved by the Contracting Officer, photographs and other authentic reproductions thereof.
12. By virtue of a Termination for Convenience, the Architect-Engineer shall not become entitled to payment for defective services, deficient services, rejected services, or services not in accordance with the plans or specifications set forth in the Contract.

ARTICLE 9. DISPUTES

A. Generally. All disputes arising under or relating to the Contract shall be resolved as provided herein.

B. Claims by the Architect-Engineer against the District.

1. Claim, as used in this Section B of Article 9, means a written assertion by the Architect- Engineer seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to the Contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

- a) All claims by the Architect-Engineer against the District arising under or relating to the Contract shall be in writing and shall be submitted to the Contracting Officer for a decision.
 - b) Within 120 days after receipt of a claim, the Contracting Officer shall issue a decision, whenever possible taking into account factors such as the size and complexity of the claim and the adequacy of the information in support of the claim provided by the Architect-Engineer.
 - c) Any failure by the Contracting Officer to issue a decision on a Contract claim within the required time period shall be deemed to be a denial of the claim and shall authorize the commencement of an appeal on the claim as otherwise provided.
 - i) If the Architect-Engineer is unable to support any part of its claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Architect-Engineer, the Architect-Engineer shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Architect-Engineer's claim.
 - ii) Liability under this section shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.
 - d) All cost data, pricing data, and task data of claims hereunder must be certified as accurate, complete, required, and necessary to the best of the Architect-Engineer's knowledge and belief. Further, all task or work data in the claim must be described therein to the smallest unit of work or task. The Contracting Officer may require any additional certifications, descriptions or explanations of the claim.
 - e) The parties agree that time is of the essence and all claims hereunder must be presented to the Contracting Officer for a final decision within thirty (30) days of the occurrence of the circumstances giving rise to such claim or within thirty (30) days of when the Architect-Engineer knew or should have known of the circumstances giving rise to such claim, otherwise compensation for that claim is waived.
 - f) The parties agree that there shall be no claims for unabsorbed home office overhead.
2. The Architect-Engineer's claim shall contain at least the following:
- a) A description of the claim and the amount in dispute;

- b) Any data or other information in support of the claim;
 - c) A brief description of the Architect-Engineer's efforts to resolve the dispute prior to filing the claim; and
 - d) The Architect-Engineer's request for relief or other action by the Contracting Officer.
 - e) The certification of the accuracy, completeness, requirement, and necessity of all aspects of the claim.
3. The decision of the Contracting Officer shall be final and not subject to review unless an administrative appeal or action for judicial review is timely commenced by the Architect-Engineer.
 4. Pending final decision of an appeal, action, or final settlement, the Architect-Engineer shall proceed diligently with performance of the contract in accordance with the decision of the Contracting Officer.

C. Claims by the District Against the Architect-Engineer.

1. Claim as used in this Section C of Article 9, means a written demand or written assertion by the District, including the Contracting Officer, seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to the Contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant. Nothing herein shall be construed to require the District to notify the Architect-Engineer prior to the issuance of the Contracting Officer's final decision.
2.
 - a) All claims by the District against the Architect-Engineer arising under or relating to a contract shall be decided by the Contracting Officer, who shall issue a decision in writing and furnish a copy of the decision to the Architect-Engineer.
 - b) The decision shall be supported by reasons and shall inform the Architect-Engineer of its rights. Specific findings of fact shall not be required.
3. This clause shall not authorize the Contracting Officer to settle, compromise, pay, or otherwise adjust any claim involving fraud.
4. The decision of the Contracting Officer shall be final and not subject to review unless an administrative appeal or action for judicial review is timely commenced by the Architect-Engineer.
5. Pending final decision of an appeal, action, or final settlement, the Architect-Engineer shall proceed diligently with performance of the contract in accordance with the decision of the Contracting Officer.
6. The Contracting Officer may enter into a voluntary exclusion agreement with the Architect-Engineer in order to settle any claim or dispute between the parties.

ARTICLE 10. RETENTION AND EXAMINATION OF RECORDS

Unless otherwise provided in the Contract, or by applicable statute, the Architect-Engineer, from the effective date of Contract completion and for a period of three (3) years after final settlement under the Contract, shall preserve and make available to the District at all reasonable times at the office of the Architect-Engineer but without direct charge to the District, all its books, records, documents, and other evidence bearing on the costs and expenses of the Architect-Engineer under the Contract.

ARTICLE 11. COVENANT AGAINST CONTINGENT FEES

The Architect-Engineer warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Architect-Engineer for the purpose of securing business. For breach or violation of this warranty, the District shall have the right to terminate the Contract without liability or in its discretion to deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

ARTICLE 12. OFFICIALS NOT TO BENEFIT

A. District Employees Not To Benefit. Unless a determination is made as provided herein, no officer or employee of the District will be admitted to any share or part of the Contract or to any benefit that may arise therefrom, and any contract made by the Contracting Officer or any District employee authorized to execute contracts in which they or an employee of the District will be personally interested shall be void, and no payment shall be made thereon by the District or any officer thereof, but this provision shall not be construed to extend to the Contract if made with a corporation for its general benefit. A District employee shall not be a party to a contract with the District and will not knowingly cause or allow a business concern or other organization owned or substantially owned or controlled by the employee to be a party to such a contract, unless a written determination has been made by the head of the procuring agency that there is a compelling reason for contracting with the employee, such as when the District's needs cannot reasonably otherwise be met in accordance with DC Procurement Practices Act of 1985, D.C. Law 6-85, D.C. Official Code, section 2-310.01, and Chapter 18 of the DC Personnel Regulations. The Architect-Engineer represents and covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services hereunder. The Architect-Engineer further covenants not to employ any person having such known interests in the performance of the Contract.

B. Anti-Competitive Practices and Anti-Kickback Provisions.

1. The Architect-Engineer recognizes the need for markets to operate competitively and shall observe and shall comply with all applicable law, rules, and regulations prohibiting anti-competitive practices. The Architect-Engineer shall not engage, directly or indirectly, in collusion or other anti-competitive practices that reduces or eliminates competition or restrains trade. The District shall report to the appropriate authority any activity that evidences a violation of the antitrust laws, and take such other further action to which it is entitled or obligated under the law.
2. The Architect-Engineer shall observe and comply with all applicable law, rules, and regulations prohibiting kickbacks and, without limiting the foregoing, Architect-Engineer shall not (i) provide or attempt to provide or offer to provide any kickback; (ii) solicit, accept, or attempt to accept any kickback; or (iii) include, directly or indirectly, the amount of any

kickback in the contract price charged by Architect-Engineer or a Subcontractor of the Architect-Engineer to the District. The Architect-Engineer shall have in place and follow reasonable procedures designed to prevent and detect possible violations described in this subparagraph in its own operations and direct business relationships. The District may take any recourse available to it under the law for violations of this anti-kickback provision.

ARTICLE 13. CONFLICT OF INTEREST AND ETHICS

A. Former Employees Generally. Pursuant to Public Law 95-521, as amended, no former employee of the United States District or the District of Columbia:

1. Shall knowingly represent the Architect-Engineer before any District agency through personal appearance or communication in connection with a matter involving specific parties to the Contract where the former District employee participated personally and substantially in this matter while employed with the District.
2. Shall within two (2) years after terminating District employment knowingly represent the Architect-Engineer before any District agency through personal appearance or communication in connection with a matter involving specific parties to the Contract where the matter was pending under the official responsibility of the former employee within one (1) year prior to termination of District service.

B. Former Senior Employees. Pursuant to Public Law 95-591, as amended, no former senior level officer or former senior level employee of the United States District or the District of Columbia District named in or designated by the Contracting Officer of the Office of District Ethics under Section 207(d) of Title 18 USC:

1. Shall, within two (2) years after terminating District employment knowingly represent or aid counsel, advise, consult or assist in representing any other person by personal presence at any formal or informal appearance before any District agency in connection with a matter involving specific parties where the former employee participated personally aid substantially in that matter while employed with the District.
2. Shall, within one (1) year after terminating District employment knowingly act as an agent or attorney for or otherwise represent anyone in any formal or informal appearance before or with the intent to influence make any written or oral communication on behalf of anyone to his or her former District or agency or any of its officers or employees or (2) in connection with any particular District matter, whether or not involving a specific party which is pending before such District or agency or in which it has a direct and substantial interest.

C. Conflict of Interest. The Architect-Engineer represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance or rendering of the services herein provided. The Architect-Engineer represents and warrants that, in the performance of the Contract, no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the District, nor any person whose salary is payable, in whole or in part, from the District Treasury, shall participate in any decision relating to the Contract which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is, directly or indirectly, interested; nor shall any such person have any interest, direct or indirect, in the Contract or in the proceeds

thereof.

- D. No Kick-Backs.** The Architect-Engineer shall not offer or receive any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with the Contract. The Architect-Engineer shall not confer on any public employee having official responsibility for the Contract any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value.
- E. No Contractor Employment.** No official or employee of the District of Columbia whose duties as such official or employee include matters relating to or affecting the subject matter of the Contract shall, during the pendency and term of the Contract and/while serving as an official or employee of the District of Columbia, become or be an employee of the Architect-Engineer or any entity that is a subcontractor on the Contract.

ARTICLE 14. DISMISSALS AND REPLACEMENT OF KEY PERSONNEL

- A. Dismissals by the District.** Should the continued employment of any person or persons in the Architect-Engineer's organization under the Contract be deemed by the Contracting Officer to be prejudicial to the interests of the District, such person or persona shall be immediately removed from the work hereunder. The Architect-Engineer shall make every effort in the selection of its employees and in the prosecution of the work under the Contract to safeguard all drawings and specifications and to prevent the theft conversion or unauthorized use of the same.
- B. Replacement of Key Personnel.** No substitutions for Key Personnel shall be permitted unless approved by the Contracting Officer. Any proposed replacement for Key Personnel must possess qualifications substantially similar to those of the Key Personnel being replaced and are subject to the prior written approval of the Contracting Officer. In addition, at the Contracting Officer's request at any time, the Architect-Engineer shall remove any Key Personnel or other personnel and substitute another employee of the Architect-Engineer or its subcontractors reasonably satisfactory to the Contracting Officer. The Contracting Officer may request such substitution at any time, in his/her sole discretion.
- C. Liquidated Damages.** In order to maintain project continuity the District expects that the Architect-Engineer will assign the same project managers to all phases of the Project and that such personnel will be available to oversee and coordinate the services throughout the Project. Accordingly, the Architect-Engineer's designated Key Personnel shall be subject to liquidated damages for their removal or reassignment by the Architect-Engineer. In each instance where the Architect-Engineer removes or reassigns one of its Key Personnel (but excluding instances where such personnel become unavailable due to death, disability, or separation from the employment of the Architect-Engineer or any affiliate of the Architect-Engineer) without the prior written consent of the Contracting Officer, the Architect-Engineer shall pay to the District an amount set forth in the Contract as liquidated damages and not a penalty, to reimburse the District for its administrative costs arising from the Architect-Engineer's failure to provide the Key Personnel. The foregoing liquidated damage amount shall not bar recovery of any other damages, costs or expenses other than the District's internal administrative costs. In addition, the District shall have the right, to be exercised in its sole discretion, to remove, replace or to reduce the Scope of Services of the Architect-Engineer in the event that a member of the Key Personnel has been removed or replaced by the Architect-Engineer without the consent of the District. In the event the District exercises the right to remove, replace or to reduce the Scope of Services of the Architect-Engineer, the District shall have the right to enforce the terms of the Contract and to keep-in-place those members of the Architect-Engineer's team not removed or replaced and the remaining members

shall complete the services required under the Contract in conjunction with the new members of the Architect-Engineer's team approved by the District.

ARTICLE 15. COMPLIANCE WITH FEDERAL AND DISTRICT OF COLUMBIA LAWS AND REGULATIONS

- A. Generally.** The Architect-Engineer shall at all times exercise the professional skill and care required by Section 2.F of these Standard Contract Provisions in observing and complying with all laws, codes, regulations, orders and decree set forth by any department, agency or branch of the United States District, and the District of Columbia applicable to the services.
- B. Equal Opportunity: Non-Discrimination in Employment.** During the performance of the Contract the Architect-Engineer shall comply with the provisions of Mayor's Order 85-85 as implemented by Title 4, Chapter 11 – Equal Employment Opportunity Requirements in Contracts, 33 DCR 4952 (August 15, 1986).
- C. Buy American Act.**
1. *Agreement*—In accordance with the Buy American Act (41 USC 10a-10d), and Executive Order 10582. December 17, 1954 (3 CFR, 1954-58 Comp., p. 230), as amended by Executive Order 11051, September 27, 1962 (3 CFR, 1059—63 Comp., p. 635), the Architect-Engineer agrees that only domestic construction material will be used by the Architect-Engineer, subcontractors, material men and suppliers in the performance of the Contract, except for non-domestic material listed in the Contract.
 2. *Domestic Construction Material*—"Construction material" means any article, material or supply brought to the construction site for incorporation in the building or work. An unmanufactured construction material is a "domestic construction material" if it has been mined or produced in the United States. A manufactured construction material is a "domestic construction material" if it has been manufactured in the United States and if the cost of its components which have been mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. "Component" means any article, material, or supply directly incorporated in a construction material.
 3. *Domestic Component*—A component shall be considered to have been "mined, produced, or manufactured in the United States" regardless of its source, in fact, if the article, material or supply in which it is incorporated was manufactured in the United States and the component is of a class or kind determined by the District to be not mined, produced or manufactured in the United States in sufficient and reasonably available commercial quantities and of a satisfactory quality.
 4. *Foreign Material* – When steel materials are used in a project a minimal use of foreign steel is permitted. The cost of such materials cannot exceed one-tenth of one percent of the total project cost, or \$2,500,000, whichever is greater.
- D. Service Contract Act.** The Architect-Engineer agrees that the work performed under this Contract shall be subject to the Service Contract Act (41 U.S.C. 351 *et seq.*). The wage rates applicable to this Project shall be attached as an exhibit to the Contract. The Architect-Engineer further agrees that it and all of its subcontractors shall comply with the regulations implementing the Service Contract Act and such regulations are hereby incorporated by reference.

- E. False Claims Act.** The Architect-Engineer shall be governed by all laws and regulations prohibiting false or fraudulent statements and claims made to the government, including the prescriptions set forth in District of Columbia Code §22-2405 and §§2-381.01 et seq.

ARTICLE 16. APPOINTMENT OF ATTORNEY

The Architect-Engineer does hereby irrevocably designate and appoint the Clerk of the Superior Court of the District and his successors in office as the true and lawful attorney of the Architect-Engineer for the purpose of receiving service of all notices and processes issued by any court in the District, as well as service of all pleadings and other papers, in relation to any action or legal proceeding arising out of or pertaining to the Contract or the work required or performed hereunder.

The Architect-Engineer expressly agrees that the validity of any service upon the said Clerk as herein authorized shall not be affected either by the fact that the Architect-Engineer was personally within the District of Columbia and otherwise subject to personal service at the time of such service upon the said Clerk or by the fact that the Architect-Engineer failed to receive a copy of such process, notice, pleading or other paper so served upon the said Clerk, provided that said Clerk shall have deposited in the United States mail, certified and postage prepaid, a copy of such process, notice, pleading or other papers addressed to the Architect-Engineer at the address stated in the Contract.

ARTICLE 17. INDEMNIFICATION

- A. Violation of Laws, Regulations, Specifications, and Breach of Contract.** If the Architect-Engineer violates any laws, regulations, codes or industry standards relating to the Project, the Architect-Engineer shall take prompt action to correct or abate such violation and shall indemnify and hold the District of Columbia and its officials, officers, agents, and employees, the Department and its consultants, representatives, agents, servants and employees harmless against any and all claims or liability, damages, fines, penalties, third party claims, suits, awards, actions, causes of action or judgments, including but not limited to reasonable attorney's fees and costs incurred thereunder, arising from or based on the violation of any such law, code, regulation, codes or industry standards, order or decree in performance of the Contract services whether by the Architect-Engineer, an employee or agent of the Architect-Engineer, any person, firm or corporation employee engaged by the Architect-Engineer or contractually associated with the Architect-Engineer in the performance of or in connection with the Services contemplated or performed under the Contract.. If the Architect-Engineer breaches the terms of this Contract, including the solicitation, letter contract, standard contract provisions, directives, specifications, manufacturer's specifications, and the RFP, the Architect-Engineer shall indemnify and hold the Department and its consultants, representatives, agents, servants and employees harmless against any damages, fines, penalties, claims, suits, awards, actions, causes of action or judgments, including but not limited to reasonable attorney's fees and costs incurred thereunder, that result from such breach.
- B. Professional Services.** To the fullest extent permitted by law, the Architect-Engineer shall defend, indemnify and hold harmless the Department and the Department's consultants and agents and employees from and against claims, damages, losses and expenses, including but not limited to reasonable attorneys' fees, arising out of or resulting from performance of the services, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself), but only to the extent caused by the negligent acts or omissions of the Architect-Engineer, a consultant or subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party

indemnified hereunder.

- C. Non-Professional Services.** In addition, other than claims arising out of the performance of professional services, the Architect-Engineer shall defend, indemnify and hold harmless the Department, its representatives, consultants, officers, agents, servants and employees, from and against claims, liabilities, demands, losses, damages, judgments, costs, or expenses, including reasonable attorneys' fees and expenses recoverable under applicable law, to the extent such claims are caused by acts or omissions of the Architect-Engineer, a consultant or subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder or arising out of the Contract services, provided that, such claims arise out of non-professional services required under the Contract.
- D. Third Party Disputes.** Disputes between the Architect-Engineer and any subcontractors, material suppliers, or any other third parties over payments allegedly owed by the Architect-Engineer to a third party shall be resolved exclusively between the Architect-Engineer and the third party; the Architect-Engineer shall permit no pass-through suits to be brought against the District by a third party in the Architect-Engineer's name. However, nothing herein shall be construed to prevent the Architect-Engineer from paying a subcontractor's claim and seeking a timely equitable adjustment hereunder.

ARTICLE 18. SUBCONTRACTORS AND/OR OUTSIDE ASSOCIATES AND CONSULTANTS

- A. Prior Consent Required.** Except as otherwise provided in this Section 18 (A), the Architect-Engineer shall not delegate or enter into any Subcontracts for the performance of its obligations under the Contract, in whole or in part, without on each occasion obtaining the prior written consent of the Contracting Officer. Any subcontractors and/or outside associates or consultants required by the Architect-Engineer in connection with the Services covered by the Contract shall be limited to such individuals or firms as were specifically identified in the Architect-Engineer's written proposal and approved by the District during negotiations. Any proposed changes in such subcontractors, associates, or consultants shall be subject to the prior written approval of the Contracting Officer.
- B. Requests.** The Architect-Engineer shall submit to the Contracting Officer copies of all proposed subcontract(s) to be entered into by the Architect-Engineer, along with the Architect-Engineer's written request for the District's consent. All such subcontracts must specify that:
1. work performed by the subcontractor shall be in accordance with the terms of the Contract;
 2. nothing contained in such subcontract shall be construed to impair the rights of the District under the Contract;
 3. the District's consent to or approval of any subcontract shall not create any obligation of the District to any subcontractor;
 4. nothing contained in such subcontract, or under the Contract, shall create any obligation of the District to any subcontractor;
 5. the District shall be expressly designated a third party beneficiary of the subcontract;
 6. upon request by the District (at the District's sole option) and upon receipt of written notice from the District stating that the Contract between the District and the Architect-Engineer has been

terminated, the subcontractor agrees that it will continue to perform its obligations under the subcontract for the benefit of the District in accordance with the terms and conditions of the Contract, provided the District pays the subcontractor for the services rendered and materials provided by the subcontractor from and after the date of the termination of the Contract between the District and the Architect-Engineer at the same rate or in the same amount as set forth in the subcontract for services and materials after such date of termination;

7. the subcontractor shall be bound by the same requirements as the Architect-Engineer including confidentiality, maintenance and preservation of records, and audit by government representatives, under the Contract; and
8. the subcontractor agrees (i) to assign and transfer to the District all of its rights to sales and use tax which may be refunded as a result of a claim for refund for any materials purchased in connection with the subcontract or the Contract, (ii) that, other than as directed by the District, it will not file a claim for refund for any sales or use tax which is the subject of this assignment; and (iii) that the District, in its own name or in the name of subcontractor, may file a claim for a refund of any sales or use tax covered by the assignment.

C. No Relief of Obligations. No permitted subcontract shall relieve the Architect-Engineer of any obligation under the Contract. The Architect-Engineer shall be as fully responsible for the acts and omissions of its subcontractors or persons either directly or indirectly employed by them, as it is for the acts and omissions of the Architect-Engineer or persons directly or indirectly employed by the Architect-Engineer.

D. No Effect. Any purported subcontract in violation of this Section or of any other section in the Contract shall be of no force and effect.

E. Right to Reject. The District may, in its sole discretion, reject any or all bids and proposals received by the Architect-Engineer from any subcontractor for any portion of the services, and may require the Architect-Engineer to obtain new or revised bids or proposals or subcontractors.

F. Incorporation by Reference. Any agreement the Architect-Engineer makes with a subcontractor, outside associate or consultant shall incorporate specifically or by reference thereto, each and every provision of the Contract, these Standard Contract Provisions, the Attachment(s) and Appendices hereto, and if applicable, the District's Standard Contract Provisions for Construction Contracts.

ARTICLE 19. WAIVER

No waiver by the District or the Architect-Engineer of any breach of any provision of the Contract shall operate as a waiver of such provision or of the Contract or as a waiver of subsequent or other breaches of the same or any other provision of the Contract; nor shall any action or non-action by the Contracting Officer or by the District or the Architect-Engineer be construed as a waiver of any provision of the Contract or of any breach thereof unless the same has been expressly declared or recognized as a waiver by the Contracting Officer or the District or the Architect-Engineer, as applicable, in writing.

ARTICLE 20. PATENTED AND PROPRIETARY ITEMS

- A. Prior Approval Required.** The Architect-Engineer shall not, without the prior written approval of the Contracting Officer, specify for the Project, or necessarily imply the required use of any article, product, material, fixture or form of construction, the use of which is covered by a patent, or which

is otherwise exclusively controlled by a particular firm or group of firms.

- B. Indemnity.** The Architect-Engineer shall be liable to and hereby agrees to defend, indemnify and hold harmless the District against any claim, action cost or judgment against the District for patent infringement, trademark violation, copyright violation or infringement of rights in technical data, in any systems, graphs, charts, designs, drawings or specifications furnished by the Architect-Engineer in the performance of the Contract.

ARTICLE 21. TRANSFER OR ASSIGNMENT OF CONTRACT

- A. Prior Consent Required.** Unless otherwise provided by law, neither the Contract nor any interest therein may be transferred or assigned by the Architect-Engineer to any other party without the written consent of the Contracting Officer; and any attempted transfer or assignment not authorized by this Article shall constitute a breach of the Contract and the District may for such cause terminate the Contract for default and terminate the right of the Architect-Engineer to proceed in the same manner as provided in Article 8.B. herein, and the Architect-Engineer shall be liable to the District for any excess cost occasioned the District thereby.
- B. Monies.** The Architect-Engineer shall not assign any right to any monies to be paid under the Contract, without on each occasion obtaining the prior written consent of the Contracting Officer. In no case shall approval by the District of the assignment of any monies to be paid under the Contract relieve the Architect-Engineer from its obligations hereunder or change the remaining terms of the Contract. Any purported assignment in violation of this Article shall be of no effect.
- C. Applicability in Case of Bankruptcy or Insolvency.** A receiver or trustee in any federal or state bankruptcy, insolvency or other proceedings shall comply with the requirements set forth in the Standard Contract Provisions.
- D. Obligation of Architect-Engineer.** The Architect-Engineer acknowledges that the Services are the obligation of the Architect-Engineer and the District shall have no obligation to accept performance by a third party without the Contracting Officer's prior and express written consent.
- E. Failure to Obtain Consent.** Failure to obtain the previous written consent of the Contracting Officer to such an assignment, transfer or conveyance, shall justify, at the option of the Contracting Officer, the revocation and annulment of the Contract. The District shall thereupon be relieved and discharged from any further liability and obligation to the Architect-Engineer, his assignees or transfers, and the Architect-Engineer and his assignees shall forfeit and lose all monies theretofore earned under the Contract, except so much as may be required to pay the Architect-Engineer's employees.
- F. Assignment by the District.** This Contract may be assigned by the District to any corporation, agency or instrumentality of the District having authority to accept such assignment.

ARTICLE 22. QUALIFICATIONS

- A. Signatory Authority and Qualifications.** The Architect-Engineer hereby warrants that the signature or signatures herein before affixed are duly authorized further the Architect-Engineer warrants as a true statement any and all statements of qualification with respect to but not limited to professional status premises, employees experience and financial standing such as may be set forth in documents furnished by the Architect-Engineer or required by the District for the purpose of securing the District's consent to enter into the Contract. Misrepresentation shall be

cause for termination for default of the Contract and such other action as may be appropriate including with limitation suspension and debarment and civil or criminal penalties.

- B. Good Standing.** If the Architect-Engineer is an entity, the Architect-Engineer is either: (1) a not-for-profit corporation or other entity determined to be tax exempt pursuant to section 501(c) of the Internal Revenue Code by the Internal Revenue Service; or (2) a business corporation, partnership or other business entity duly organized, validly existing and in good standing under the laws of the state of its incorporation or organization. The Architect-Engineer shall also be duly licensed, qualified and in good standing in the District of Columbia. The Architect-Engineer's loss of good standing is grounds for Termination for Default without liability upon the Department.
- C. Authority to Act.** The Architect-Engineer has full legal power and authority to enter and perform the Contract and provide the Services without resulting in a default under or a breach or violation of (1) the Architect-Engineer's certificate or articles of incorporation or bylaws or other organizational documents, if applicable; (2) any applicable law, or any license, permit or other instrument or obligation to which the Architect-Engineer is now a party or by which the Architect-Engineer may be bound or affected; and (3) the Architect-Engineer's tax exempt status, if applicable.
- D. Legal Obligation.** The Contract has been duly authorized, executed and delivered by the District and the Architect-Engineer, by and through persons authorized to execute the Contract on their respective behalf, and constitutes the legal, valid and binding obligation of the District and the Architect-Engineer, enforceable against the District and the Architect-Engineer in accordance with its terms.
- E. No Litigation Preventing Performance.** There is no litigation, claim, consent order, settlement agreement, investigation, challenge or other proceeding pending or threatened against the Architect-Engineer, its properties or business, or any individuals acting on the Architect-Engineer's behalf, including, without limitation, subcontractors, which seek to enjoin or prohibit the Architect-Engineer from entering into or performing its obligations under the Contract.
- F. Requisite Licensure and Qualifications.** The Architect-Engineer and all of the entities and individuals acting on the Architect-Engineer's behalf, including, without limitation, consultants and subcontractors, in connection with the Services under the Contract, possess and, at all times during the term of the Contract, shall possess all licenses, certifications, qualifications, or other credentials as required in accordance with all applicable laws, regulations and the terms of the Contract, to perform the Services. The Architect-Engineer shall provide the District with copies of all licenses, credentials, and/or certifications specified in this Section within five (5) days of request by the District.

ARTICLE 23. ARCHITECT-ENGINEER'S WARRANTY AGAINST DEBARMENT

The Architect-Engineer certifies that it is not currently (i) debarred, suspended or excluded, (ii) a party to a voluntary exclusion agreement, or (iii) otherwise enjoined from submitting bids or proposals on contracts for the type of services covered by the Contract, nor is the Architect-Engineer an agent of any person or entity that is currently so debarred, suspended, excluded or otherwise enjoined.

ARTICLE 24. RECOVERY OF DEBTS OWED THE GOVERNMENT

The Architect-Engineer hereby agrees that the Department may use all or any portion of any payment, consideration or refund due the Architect-Engineer under the Contract to satisfy, in whole or part, any debt due the District.

ARTICLE 25. ADMINISTRATIVE LIQUIDATED DAMAGES

In addition to any other liquidated damages provided for in the Contract, the Architect-Engineer hereby agrees that the Government may assess administrative liquidated damages for the Architect-Engineer's failure to submit when due any deliverable required by the Contract. Unless otherwise prescribed by the Contracting Officer, the rate of the administrative liquidated damages shall be \$250 per day until the required deliverable is received and accepted by the Department. The Department's remedies for failure to comply with the Contract terms and conditions are cumulative and not exclusive. Nothing herein shall be construed to limit the Department's ability to terminate the Architect-Engineer for the failure to submit Contract deliverables when due.

ARTICLE 26. FORCE MAJEURE

If the Architect-Engineer, because of Force Majeure, is rendered wholly or partly unable to perform its obligations when due under this Contract, the Architect-Engineer may be excused from whatever performance is affected by the Force Majeure to the extent so affected. In order to be excused from its performance obligations under this Contract by reason of Force Majeure, within 72 hours of the occurrence or event, the Architect-Engineer must provide the Contracting Officer written notice of its inability to perform as well as a description of the Force Majeure and its effect on Contract performance. The Contracting Officer will have the right to cause the inspection of the work site to determine the validity of the Architect-Engineer's assertion of its inability to perform. If the Contracting Officer agrees that the Architect-Engineer is wholly or partly unable to perform its obligations under the Contract a decision will be issued indicating the extent to which the Architect-Engineer is excused from its performance obligations. In no event will the Contractor be entitled to money damages from the Department due to Force Majeure.

II. GENERAL TERMS

- A. Subject to the terms and conditions set forth herein, DOES will receive the Agreement from the Contracting Agency no less than seven (7) calendar days in advance of the Contract start date. No work associated with the relevant Contract can begin until the Agreement has been accepted by DOES.
- B. The EMPLOYER shall require all contract Employers with contracts or subcontracts, under a contract receiving government assistance or benefits valued at \$300,000 or more, to enter into an Agreement with DOES.
- C. DOES will provide recruitment, referral, and placement services to the EMPLOYER, subject to the limitations in this Agreement.
- D. Agreement will take effect once beneficiary/Employer been awarded a contract and has started work on the government assisted contract and no work can begin prior to execution of the Agreement and will be fully effective through the duration, any extension or modifications of the contract and until such as construction is complete and a certificate of occupancy is issued.
- E. If an EMPLOYER began work prior to the execution of a First Source Employment Agreement, the EMPLOYER shall cease work on the contract and sign a revised First Source Employment Agreement to be bound by the applicable First Source Employment Agreement requirements, retroactively, from the start of work throughout the duration of the contract.
- F. DOES and the EMPLOYER agree that, for purposes of this Agreement, new hires and jobs created for the Contract (both union and nonunion) include all of EMPLOYER'S job openings and vacancies in the Washington Metropolitan Statistical Area created for the Contract as a result of internal promotions, terminations, and expansions of the EMPLOYER'S workforce.
- G. This Agreement includes apprentices as defined in D.C. Official Code §§ 32-1401- 1431.
- H. DOES will make every effort to work within the terms of all collective bargaining agreements to which the EMPLOYER is a party. The EMPLOYER will provide DOES with written documentation that the EMPLOYER has provided the representative of any collective bargaining unit involved with this Contract a copy of this Agreement and has requested comments or objections. If the representative has any comments or objections, the EMPLOYER will promptly provide them to DOES.

- I. EMPLOYER with a contract with the District of Columbia government to perform construction, renovation work, or information technology work with a single contract, or cumulative contracts, of at least \$500,000, within a 12-month period will be required to register an apprenticeship program with the District of Columbia Apprenticeship Council as required by DC Code 32-1431.
- J. If, during the term of this Agreement, the EMPLOYER should transfer possession of all or a portion of its business concerns affected by this Agreement to any other party by lease, sale, assignment, merger, or otherwise this First Source Agreement shall remain in full force and effect and transferee shall remain subject to all provisions herein. In addition, the EMPLOYER as a condition of transfer shall:
 - 1. Notify the party taking possession of the existence of this EMPLOYER'S First Source Employment Agreement.
 - 2. Notify DOES within seven (7) business days of the transfer. This notice will include the name of the party taking possession and the name and telephone of that party's representative.
- K. The EMPLOYER and DOES may mutually agree to modify this Agreement. Any modification shall be in writing, signed by the EMPLOYER and DOES, and attached to the original Agreement.
- L. To the extent that this Agreement is in conflict with any federal labor laws or governmental regulations, the federal laws or regulations shall prevail.

III. TRAINING

- A. DOES and the EMPLOYER may agree to develop skills training and on-the-job training programs as approved by DOES; the training specifications and cost for such training will be mutually agreed upon by the EMPLOYER and DOES and will be set forth in a separate Training Agreement.

IV. RECRUITMENT

- A. The Employer shall complete a Revised Employment Plan that will include the information outlined in Section I.O.
- B. The EMPLOYER shall register and post all job vacancies with the Job Bank Services of DOES at www.dcnetworks.org for a minimum of 10 calendar days. Should Employer need assistance posting job vacancies, Employer may contact Job Bank Services at (202) 698-6001.
- C. The EMPLOYER shall notify DOES of all new jobs created for the Contract within at least seven (7) business days (Monday - Friday) of the EMPLOYER'S identification/creation of the new jobs. The Notice of New Job Creation shall include the number of employees needed by job title, qualifications and specific skills required to perform the job, hiring date, rate of pay, hours of work, duration of employment, and a description of the work to be performed. This must be done before using any other referral source.

- D. Job openings to be filled by internal promotion from the EMPLOYER'S current workforce shall be reported to DOES for placement and referral, if the job is newly created. EMPLOYER shall provide DOES a Notice of New Job Creation that details such promotions in accordance with Section IV.C.
- E. The EMPLOYER shall submit to DOES, prior to commencing work on the Contract, a list of current employees that includes the name, Social Security Number, and residency status of all current employees, including apprentices, trainees, and laid-off workers who will be employed on the Contract. All EMPLOYER information reviewed or gathered, including Social Security Numbers, as a result of DOES' monitoring and enforcement activities will be held confidential in accordance with all District and federal confidentiality and privacy laws and used only for the purposes that it was reviewed or gathered.

V. REFERRAL

- A. DOES will screen applicants through carefully planned recruitment and training events and provide the EMPLOYER with a list of qualified applicants according to the number of employees needed by job title, qualifications and specific skills required to perform the job, hiring date, rate of pay, hours of work, duration of employment, and a description of the work to be performed as supplied by the EMPLOYER in its Notice of New Job Creation set forth above in Section IV.C.
- B. DOES will notify the EMPLOYER of the number of applicants DOES will refer, prior to the anticipated hiring dates.

VI. PLACEMENT

- A. The EMPLOYER shall in good faith, use reasonable efforts to select its new hires or employees from among the qualified applicants referred by DOES. All hiring decisions are made by the EMPLOYER.
- B. In the event that DOES is unable to refer qualified applicants meeting the EMPLOYER'S established qualifications, within seven (7) business days (Monday - Friday) from the date of notification from the EMPLOYER, the EMPLOYER will be free to directly fill remaining positions for which no qualified applicants have been referred. However, EMPLOYER shall still be required to meet the First Source hiring requirements for all new jobs created by the Contract.
- C. After the EMPLOYER has selected its employees, DOES is not responsible for the employees' actions and the EMPLOYER hereby releases DOES, and the Government of the District of Columbia, the District of Columbia Municipal Corporation, and the officers and employees of the District of Columbia from any liability for employees' actions.

VII. REPORTING REQUIREMENTS

- A. EMPLOYER with Contracts receiving government assistance valued at \$300,000 or more shall hire DC residents for at least 51% of all new jobs created by the contract and 35% of all apprenticeship hours worked in connection with the Contract shall be worked by DC residents registered in programs approved by the District of Columbia Apprenticeship Council.
- B. EMPLOYER shall register in the First Source Online Registration and Reporting System for electronic submission of all monthly Contract Compliance data, payroll records and any other

documents required by DOES for reporting and monitoring.

- C. EMPLOYER shall submit to the Department of Employment Services each month from the start of the contract a hiring compliance report for the contract that includes the following Contract Compliance data:
1. Number of new job openings created/available;
 2. Number of new job openings listed with DOES, or any other District Agency;
 3. Number of DC residents hired for new jobs;
 4. Number of employees transferred to the Contract;
 5. Number of DC residents transferred to the Contract;
 6. Direct or indirect labor cost associated with the Contract;
 7. Each employee's name, job title, Social Security Number, hire date, residence, and referral source;
 8. Number of apprenticeship hours worked;
 9. Number of apprenticeship hours worked by DC residents; and
 10. Workforce statistics throughout the entire Contract tenure.
- D. Monthly, EMPLOYER must electronically submit the Contract Compliance data to DOES. EMPLOYER is also required to make payroll and employment records available to DOES as a part of compliance monitoring, upon request.

VIII. FINAL REPORT AND GOOD FAITH EFFORTS

- A. With the submission of the final request for payment from the Contracting Agency, the EMPLOYER shall:
1. Document in a report to DOES its compliance with the hiring percentage requirements for all new jobs created by the Contract and the percentages of DC residents employed in all Job Classifications, for each area of the Contract; or
 2. Submit to DOES a request for a waiver of the hiring percentage requirements for all new jobs created by the Contract that will include the following documentation:
 - a. Documentation supporting EMPLOYER'S good faith effort to comply;
 - b. Referrals provided by DOES and other referral sources; and
 - c. Advertisement of job openings listed with DOES and other referral sources.
- B. DOES may waive the hiring percentage requirements for all new jobs created by the Contract, and/or the required percentages of DC residents in all Job Classifications areas on the Contract, if DOES finds that:
1. DOES certified that Beneficiary or EMPLOYER demonstrated a good faith effort to comply, as set forth in Section VIII.C.; or
 2. EMPLOYER is located outside the Washington Metropolitan Statistical Area and none of the contract work is performed inside the Washington Metropolitan Statistical Area; or
 3. The beneficiary published each job opening or part-time work needed for 7 calendar days in a District newspaper of city-wide circulation; and
 4. DOES certified that there are insufficient numbers of DC residents in the labor market

possessing the skills required by the EMPLOYER for the positions created as a result of the Contract.

5. EMPLOYER entered into a special workforce development training or placement arrangement with DOES or with the District of Columbia Workforce Intermediary.

C. DOES shall consider documentation of the following when making a determination of a good-faith effort to comply:

1. DOES has certified that there are insufficient number of District residents in the labor market possessing the skills required by the Employer for the positions created as a result of the Project;
2. Whether the EMPLOYER posted the jobs on the DOES job website for a minimum of ten (10) calendar days;
3. Whether the EMPLOYER advertised each job opening in a District newspaper with city-wide circulation for a minimum of seven (7) calendar days;
4. Whether the EMPLOYER advertised each job opening in special interest publications and on special interest media for a minimum of seven (7) calendar days;
5. Whether the EMPLOYER hosted informational/recruiting or hiring fairs;
6. Whether the EMPLOYER contacted churches, unions, and/or additional Workforce Development Organizations;
7. Whether the EMPLOYER interviewed employable candidates;
8. Whether the EMPLOYER created or participated in a workforce development program approved by DOES;
9. Whether the EMPLOYER created or participated in a workforce development program approved by the District of Columbia Workforce Intermediary;
10. Whether the EMPLOYER substantially complied with the relevant monthly reporting requirements set forth in this section;
11. Whether the EMPLOYER has submitted and substantially complied with its most recent employment plan that has been approved by DOES; and
12. Any additional documented efforts.

IX. MONITORING

- A. DOES is the District agency authorized to monitor and enforce the requirements of the Workforce Intermediary Establishment and Reform of the First Source Amendment Act of 2011 (D.C. Official Code §§ 2-219.01 – 2.219.), and relevant provisions of the Apprenticeship Requirements Amendment Act of 2004 (D.C. Official Code § 2-219.03 and § 32-1431). As a part of monitoring and enforcement, DOES may require and EMPLOYER shall grant access to Contract sites, employees, and documents.
- B. EMPLOYER'S noncompliance with the provisions of this Agreement may result in the imposition of penalties.

- C. All EMPLOYER information reviewed or gathered, including Social Security Numbers, as a result of DOES' monitoring and enforcement activities will be held confidential in accordance with all District and federal confidentiality and privacy laws and used only for the purposes that it was reviewed or gathered.
- D. DOES shall monitor all Contracts as authorized by law. DOES will:
 - 1. Review all contract controls to determine if the Beneficiary or EMPLOYER, including any Contractors or Subcontractors, are subject to the Workforce Intermediary Establishment and Reform of the First Source Amendment Act of 2011.
 - 2. Notify stakeholders and company officials and establish meetings to provide technical assistance involving the First Source process.
 - 3. Make regular site visits to determine if the EMPLOYER or Subcontractor's workforce is in concurrence with the submitted Agreement and Monthly Compliance Reports.
 - 4. Inspect and copy payroll, personnel records and any other records or information necessary to ensure the required workforce utilization is in compliance with the First Source Law.
 - 5. Conduct desk reviews of *Monthly Compliance Reports*.
 - 6. Educate EMPLOYERS about additional services offered by DOES, such as On-the-Job Training programs and tax incentives for EMPLOYERS who hire from certain categories.
 - 7. Monitor and complete statistical reports that identify the overall Contract, Employer, contractor, and subcontractors' hiring.
 - 8. Provide formal notification of non-compliance with the required hiring or any alleged breach of the First Source Law to all contracting agencies, and stakeholders.

X. PENALTIES

- A. Willful Breach of the Agreement by the EMPLOYER, failure to submit the contract compliance reports, deliberate submission of falsified data may result in DOES imposing a fine of 5% of the total amount of the direct and indirect labor costs of the contract, in addition to other penalties provided by law. Failure to meet the required hiring requirements or failure to receive good faith waiver may result in the Department of Employment Services imposing a penalty equal to 1/8 of 1% of the total amount of the direct and indirect labor costs of the contract for each percentage by which the beneficiary fail to meet the hiring requirements.
- B. EMPLOYERS who have been found in violation two (2) times or more over a 10-year period may be debarred and/or deemed ineligible for consideration for Contracts for a period of five (5) years.
- C. Appeals of violations or fines will be filed with the Contract Appeals Board.

I hereby certify that I have the authority to bind the EMPLOYER to this Agreement from the start of work on the Contract throughout the duration of the Contract.

LIVING WAGE ACT FACT SHEET

The Living Wage Act of 2006, D.C. Official Code §§ 2-220.01 – 2-220.11, provides that District of Columbia government contractors and recipients of government assistance (grants, loans, tax increment financing) in the amount of \$100,000 or more shall pay affiliated employee wages at no less than the current living wage rate.

Effective January 1, 2020 until June 30, 2020, the living wage rate is \$14.65 per hour.

Effective July 1, 2020, the living wage rate and the minimum wage rate are \$15.00 per hour.

Subcontractors of D.C. government contractors who receive \$15,000 or more from the contract and subcontractors of the recipients of government assistance who receive \$50,000 or more from the assistance are also required to pay their affiliated employees no less than the current living wage rate.

“Affiliated employee” means any individual employed by a recipient who receives compensation directly from government assistance or a contract with the District of Columbia government, including any employee of a contractor or subcontractor of a recipient who performs services pursuant to government assistance or a contract. The term “affiliated employee” does not include those individuals who perform only intermittent or incidental services with respect to the government assistance or contract, or who are otherwise employed by the contractor, recipient or subcontractor.

Exemptions – The following contracts and agreements are exempt from the Living Wage Act:

1. Contracts or other agreements that are subject to higher wage level determinations required by federal law (i.e., if a contract is subject to the Service Contract Act and certain wage rates are lower than the District’s current living wage, the contractor must pay the higher of the two rates);
2. Existing and future collective bargaining agreements, provided that the future collective bargaining agreement results in the employee being paid no less than the current living wage;
3. Contracts for electricity, telephone, water, sewer or other services provided by a regulated utility;
4. Contracts for services needed immediately to prevent or respond to a disaster or imminent threat to public health or safety declared by the Mayor;
5. Contracts or other agreements that provide trainees with additional services including, but not limited to, case management and job readiness services, provided that the trainees do not replace employees subject to the Living Wage Act;

6. An employee, under 22 years of age, employed during a school vacation period, or enrolled as full-time student, as defined by the respective institution, who is in high school or at an accredited institution of higher education and who works less than 25 hours per week; provided that he or she does not replace employees subject to the Living Wage Act;
7. Tenants or retail establishments that occupy property constructed or improved by receipt of government assistance from the District of Columbia; provided, that the tenant or retail establishment did not receive direct government assistance from the District of Columbia;
8. Employees of nonprofit organizations that employ not more than 50 individuals and qualify for taxation exemption pursuant to Section 501 (c) (3) of the Internal Revenue Code of 1954, approved August 16, 1954 (68 A Stat. 163; 26. U.S.C. §501(c)(3));
9. Medicaid provider agreements for direct care services to Medicaid recipients, **provided, that** the direct care service is not provided through a home care agency, a community residence facility, or a group home for persons with intellectual disabilities as those terms are defined in section 2 of the Health-Care and Community Residence Facility, Hospice, and Home Care Licensure Act of 1983; D.C. Official Code § 44-501; and
10. Contracts or other agreements between managed care organizations and the Health Care Safety Net Administration or the Medicaid Assistance Administration to provide health services.

Enforcement

The Department of Employment Services (DOES) Office of Wage-Hour and the D.C. Office of Contracting and Procurement share monitoring responsibilities.

Home Care Final Rule: The Department of Labor extended overtime protections to home care workers and workers who provide companionship services. Employers within this industry are now subject to recordkeeping provisions.

If you learn that a contractor subject to this law is not paying at least the current living wage, you should report it to the contracting officer. If you believe that your employer is subject to this law and is not paying at least the current living wage, you may file a complaint with the DOES Office of Wage - Hour, located at 4058 Minnesota Avenue, N.E. Suite 3600, Washington, D.C. 20019, call (202) 671-1880, or file your claim on-line: www.does.dc.gov. Go to "File a Claim" tab.

For questions and additional information, contact the Office of Contracting and Procurement at (202) 727-0252 or the Department of Employment Services on (202) 671-1880.

Please note: *This fact sheet is for informational purposes only as required by Section 106 of the Living Wage Act. It should not be relied on as a definitive statement of the Living Wage Act or any regulations adopted pursuant to the law.*

THE LIVING WAGE ACT OF 2006

D.C. Official Code §§ 2-220.01 – 2-220.11

Recipients of new contracts or government assistance shall pay affiliated employees and subcontractors who perform services under the contracts no less than the current living wage.

Effective January 1, 2020 until June 30, 2020, the living wage rate is \$14.65 per hour.

Effective July 1, 2020, the living wage rate and the minimum wage rate are \$15.00 per hour.

The requirement to pay a living wage applies to:

- All recipients of contracts in the amount of \$100,000 or more, and all subcontractors that receive \$15,000 or more from the funds received by the recipient from the District of Columbia, and
- All recipients of government assistance in the amount of \$100,000 or more, and all subcontractors of these recipients that receive \$50,000 or more from the government assistance received by the recipient from the District of Columbia.

“Contract” means a written agreement between a recipient and the District government.

“Government assistance” means a grant, loan, or tax increment financing that result in a financial benefit from an agency, commission, instrumentality, or other entity of the District government.

“Affiliated employee” means any individual employed by a recipient who received compensation directly from government assistance or a contract with the District of Columbia government, including employees of the District of Columbia, any employee of a contractor or subcontractor of a recipient who performs services pursuant to government assistance or contract. The term “affiliated employee” does not include those individuals who perform only intermittent or incidental services with respect to the contract or government assistance or who are otherwise employed by the contractor, recipient, or subcontractor.

Certain exemptions apply: 1) contracts or agreements subject to wage determinations required by federal law which are higher than the wage required by this Act; 2) Existing and future collective bargaining agreements, provided that the future agreements results in employees being paid no less than the current living wage; 3) contracts for electricity, telephone, water, sewer performed by regulated utilities; 4) contracts for services needed immediately to prevent or respond to a disaster or imminent threat declared by the Mayor; 5) contracts awarded to recipients that provide trainees with services, including but not limited to case management and job readiness services, provided the trainee does not replace employees; 6) employees under 22 years of age employed during a school vacation period, or enrolled as a full-time student who works less than 25 hours per week; 7) tenants or retail establishments that occupy property constructed or improved by government assistance, provided there is no receipt of direct District government assistance; 8) employees of nonprofit organizations that employ not more than 50 individuals and qualify for 501(c)(3) status; 9) Medicaid provider agreements for direct care services to Medicaid recipients, provided, that the direct care service is not provided through a home care agency, a community residence facility, or a group home for persons with intellectual disabilities as those terms are defined in section 2 of the Health-Care and Community Residence Facility, Hospice, and Home Care Licensure Act of 1983; D.C. Official Code § 44-501; and 10) contracts or agreements between managed care organizations and the Health Care Safety Net Administration or the Medicaid Assistance Administration to provide health services.

Home Care Final Rule: The Department of Labor extended overtime protections to home care workers and workers who provide companionship services. Employers within this industry are now subject to recordkeeping provisions.

Each recipient and subcontractor of a recipient shall provide this notice to each affiliated employee covered by this notice, and shall also post this notice in a conspicuous site in its place of business. All recipients and subcontractors shall retain payroll records created and maintained in the regular course of business under District of Columbia law for a period of at least 3 years.

To file a claim, visit: Department of Employment Services, Office of Wage-Hour, 4058 Minnesota Avenue, NE, Suite 3600, Washington, D.C. 20019; call: (202) 671-1880; or file your claim on-line: does.dc.gov. Go to “File a Claim” tab.

SBE SUBCONTRACTING PLAN

INSTRUCTIONS: All construction & non-construction contracts for **government-assisted projects** (**agency contracts** & **private project with District subsidy**) over \$250,000, shall require at least 35% of the amount of the contract (total amount of agency contract or total private project development costs) be subcontracted to Small Business Enterprises (SBE), if insufficient qualified SBEs to Certified Business Enterprises (CBE). The SBE Subcontracting Plan must list all SBE and CBE subcontracts at every tier. Once the SBE Subcontracting Plan is submitted for agency contracts, options & extensions, it can only be amended with DSLBD's consent.

SUBMISSION OF SBE SUBCONTRACTING PLAN:

- ▲ For **agency** solicitations - submit to agency with bid/proposal.
- ▲ For **agency** options & extensions - submit to agency before option or extension exercised.
- ▲ For **private projects** - submit to DSLBD, agency project manager and District of Columbia Auditor, with each quarterly report. As private projects may not have awarded all contracts at the time the District subsidy is granted, the SBE Subcontracting Plan may be submitted simultaneously with each quarterly report and list all SBE/CBE subcontracts executed by the time of submission.

CREDIT: For each subcontract listed on the SBE Subcontracting Plan, credit will only be given for the portion of the subcontract performed, at every tier, by a SBE/CBE using *its own organization and resources*. **COPIES OF EACH FULLY EXECUTED SUBCONTRACT WITH SBEs and CBEs (AT EVERY TIER) MUST BE PROVIDED TO RECEIVE CREDIT.**

EXEMPTION: If the **Beneficiary (Prime Contractor or Developer)** is a CBE and will perform the ENTIRE **government-assisted project** with its *own organization and resources* and will NOT subcontract any portion of the services and goods, then the CBE is not required to subcontract 35% to SBEs.
