Request for Qualifications (“RFQ”)

Answers for Two (2) Unanswered Questions

**IDIQ for HVAC Systems Maintenance, Replacement & Installation (MRI) Services
Solicitation Number: DCAM-20-CS-RFQ-0002**

No.	Questions	Department Responses
1	What will the selection process and turnaround time be for submitting proposals when emergency RFTOPs are issued to three (3) or more potential contractors? Will such RTOPs be issued to three (3) or more potential contractors?	The Request for Task Order Proposals (“RTOP”) will be issued to three (3) or more of the selected pre-qualified Contractors and each of those Contractors will be provided with an opportunity to walk the project with the Department’s representatives in order to better understand and clarify the work. The amount of time that Contractors will be required to submit proposals under the RTOP will depend on the specifics of each individual project.
2	How many user names and log-ons for PROLOG will be provided to contractor selected?	When emergency, this will be reviewed on a case by case basis. The selected pre-qualified Contractor may have several user names, but the users must attend the designated training.
