| 1   | During the pre-conference meeting we were told to provide a detailed project management plan along with the bid. Same thing with the Add/Alternate plan. It was not mentioned in the solicitation document. If that is a requirement, would it be possible to have that added to the IFB? | Project Management Plan is required to be submitted along with the Bid(s).  
The Add/Alternate is included in Form of Offer Letter and Bid From. |
| 2   | Ref: P.72 of 77, Para. L.17 “Special Standards of Responsibility”.         | The information required under Section L.17 Special Standards of Responsibility (of the IFB) must be submitted with the Bid(s). |
|     | a) Does this information get submitted with our bid or does it get submitted afterwards by the apparent low bidder? |                                                                                     |
|     | b) Paragraph (h) requires information from proposed sub-contractors. Typically, the contractor does not receive sub-contractor pricing until the last minute on the day of the bid. Can this information be submitted 24 hours after the bid is turned in? |                                                                                     |
