

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF GENERAL SERVICES

Contracts & Procurement

**DETERMINATION AND FINDINGS
FOR
EMERGENCY PROCUREMENT**

Agency: Department of General Services (the “Department” or “DGS”)

Caption: Comprehensive Athletic Field Maintenance

Contractor: Fort Myer Construction Corporation

FINDINGS

1. AUTHORIZATION:

Chapter 47 of title 27 of the DCMR Section 4719 and PPRA Sec. 405 (d); *Emergency Procurements*.

2. MINIMUM NEED:

The Department of General Services (DGS) has an immediate need for Fort Myer Construction Corporation to provide comprehensive athletic field maintenance services at 68 sites in Wards 1 through 8 for a period of 90-days and no more than 120-days in accordance with Chapter 47 of title 27 of the DCMR Section 4719 and PPRA Sec. 405 (d); *Emergency Procurements*..

3. ESTIMATED FAIR AND REASONABLE PRICE:

The estimated fair and reasonable price is up to \$457,418.34

4. FACTS WHICH JUSTIFY AN EMERGENCY PROCUREMENT:

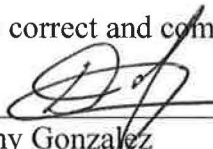

In accordance with the D.C. Official Code §2-354.05 and 27 DCMR 4719, the purpose of this emergency contract is to ensure 68 athletic fields operated by the Department of Parks and Recreation in Wards 1 through 8 are in compliance and to prevent unsafe surfaces/athletic fields during activities that may cause injury of any kind to participants in events or public activities. It is the mission and the responsibility of the Department of General Services to provide building and grounds services for facilities owned and occupied by the District government, including athletic fields. (*D.C. Code § 10-551.01(b) (4), The Department of General Services Establishment Act of 2011.*)

The Contractor referenced above is the only vendor who can meet the District's minimum need without disruption of services at this time and the estimated cost to the District for the 120-day extension is fair and reasonable based on DGS' historical data on similar services. Moreover a competitive procurement process is not practicable under these circumstances and a new contract could not be competitively bid and awarded in time to have a service contractor in place to provide the required services prior to the expiration of the incumbent contract. As previously stated failure to continue with services or any disruption of the daily operations would quickly create unhealthy and potentially life threatening conditions for District government employees and the public.

5. CERTIFICATION BY THE DEPUTY DIRECTOR OF FACILITIES MANAGEMENT DIVISION:

I hereby certify that the above findings are correct and complete.

09/06/17
Date

Donny Gonzalez
Deputy Director of Facilities Management

6. CERTIFICATION BY THE SUPERVISOR | CONTRACTING OFFICER OF GOODS AND SERVICES:

I have reviewed the above findings and certify that they are sufficient to justify the use of the emergency procurement method to award the captioned contract award to Fort Myer Construction Corporation. In addition, please be advised that the Department's notice of the captioned emergency contract must be posted on the Department's website no more than seven (7) days after the contract is awarded. Given the foregoing, I recommend that the Department of General Services' Chief Contracting Officer approve the use of the emergency procurement method for this proposed procurement action.

Date

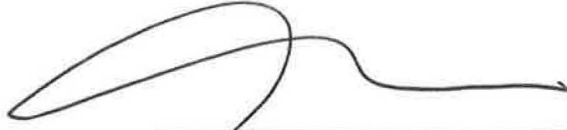

Kimberly Gray
Supervisory Contract Specialist/ Contracting Officer

7. CERTIFICATION AND DETERMINATION BY THE CHIEF CONTRACTING OFFICER:

I have reviewed the above findings and certify that they are sufficient to justify the use of the emergency procurement method under the cited authority. I certify that the emergency procurement notice of contract award will be published in accordance with Section 405(f) of the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Official Code §2-354.05). In conclusion, the Department of General Services (DGS), Chief Contracting Officer approves the use of the Emergency Procurement method as the only viable method

of procurement to prevent serious disruption in the Department's Comprehensive Athletic Field Maintenance.
