SECTION B

CONTRACT TYPE, SUPPLIES OR SERVICES AND PRICE/COST

- B.1** The District of Columbia Government (the “District”), acting by and through its Department of General Services (“DGS” or the “Department”), Division of Contracts and Procurement, collectively the “District”, issues this Invitation for Bids (“IFB”) to engage four (4) Small Business Enterprise (“SBE”) firms to provide hazardous materials remediation services to include removing, handling, identification and packaging, documenting, transportation and disposing of materials. The work includes but is not limited to asbestos abatement, lead based paint abatement, and hazardous and universal waste removal in accordance with Federal and District regulations and protocols. All services shall be furnished to the Department in accordance with the Scope of Work **Section [C]** of this Invitation for Bids (“IFB”), the District of Columbia's Department of General Services Standard Contract Provisions (“SCP”) for Supplies and Services Contracts, January 2016 **Exhibit J.1**, and other associated *Exhibits* in **Section [J]** of this IFB.
- B.1.1** The awarded Contractor shall provide all management, tools, supplies, equipment, vehicles, and labor necessary for the successful completion of Environmental Assessment of Public Buildings. The proposed Contract will have a term beginning with a Base Period (“BP”) and include up to four (4) one (1) year Option Periods (“OP”). The total length of the proposed Contract will not exceed five (5) years in accordance with **Section [F.2.4]**.
- B.2** **TYPE OF CONTACT.** Pursuant to the District of Columbia Procurement Practices Reform Act (“PPRA”) 2010, Section 402 Competitive Sealed Bids, and in accordance with Title 27 DCMR, Chapter 24, 2416 *Term Contracts*, the Department awards an Indefinite Delivery, Indefinite Quantity (“ID/IQ”) Contract with services compensated on a time and material basis in accordance with Title 27 DCMR Chapter 24, 2420 *Time and Material Contracts*.
- B.2.1** **Indefinite Delivery / Indefinite Quantity (ID/IQ) Contract**
This is an IDIQ contract for the supplies or services specified, and effective for the period stated.
- B.2.1** Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering Clause, **Section [G.11]**. The Contractor shall furnish to the District, when and if ordered, the labor hour services specified in the Task Order up to and including the maximum, ***non-guaranteed*** aggregate value of \$950,000. The District will order at least the minimum value of \$50.
- B.2.1.1** The District may issue Task Orders for services or supplies for multiple requirements at multiple locations simultaneously. If the District urgently requires delivery before the earliest date specified under this contract, and if the Contractor shall not accept an order providing for the accelerated performance, the District may acquire the urgently required services from another source.
- B.2.1.2** There is no limit on the number of orders that may be issued. The District may issue Task Orders requiring performance at multiple locations.

B.2.1.3 Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the Task Order. The contract shall govern the Contractor's and District's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period, provided that the Contractor shall not be required to provide any performance under this Contract, beyond twelve months following the term of the final option period end date unless prior to the expiration of a contract, the Chief Procurement Officer determines in writing that it is in the best interest of the District to extend the term beyond the total term specified and provides justification for using a sole source modification in accordance with "Chapter 17 of Title 27 of the DCMR, per 27 DCMR 2005 (Use of Options)" in accordance with **Section [F.2.4]** of this Contract.

B.2.1.4 The aggregate, non-guaranteed maximum ordering ceiling contemplated herein is *not* a representation to the bidders that the Department will actually require services up-to the maximum ordering limit, or that conditions affecting the requirements contemplated under the proposed Contract, will be stable or normal.

B.3 SELECTION OF FEDERAL MULTIPLE AWARD CONTRACT

B.3.1 If the Bidder has its own federal award contract, it must offer prices that are no greater than the prices set forth within that contract.

B.3.2 If the Bidder does not have its own federal contract, it may adopt the pricing schedule of another contractor's federal contract for supplies or services in accordance with the scope of this IFB. In this event, the applicant's prices shall be no greater than the adopted federal contract prices.

B.3.3 Bidders may adopt two (2) federal multiple award or other federal contracts. Bidders may offer prices that are lower or no greater than the prices within the adopted contract.

B.4 PRICING AND PRICE/COST SCHEDULE

The time and material services shall be priced based on the Contractor's bid price for direct labor hours at the specified fixed-fixed hourly rates identified under CLINs (0001-0005) which include wages, overhead, general, and administrative expenses, and profit; the Contractor shall be compensated for firm fixed material prices identified under CLINs (0006-0023). The time and material services identified herein shall be (i) fixed for the life of the Contract and, (ii) sufficient to cover all of the service requirements including, but not limited to, the Contractor's G&A (general and administrative) expenses, labor, supervision, supplies, service equipment, vehicles, travel to and from project work sites and insurance coverage provisions as required by **Section [I.14]**. The Contractors' price for the base and all subsequent option periods shall be in compliance with the applicable labor categories, direct hourly rates, as well as all applicable year-over-year wage increases due to market variables and any increase issued by the U.S. Department of Labor Service Contract Act, Davis Bacon Wage Determination and or the D.C. Living Wage Act of 2006 (*whichever prevailing wage is applicable under the award of the Contract for the Base Period and any subsequent Option Periods*). The Contractor rates shall include all else necessary to fulfill the service level agreement for providing the District efficient and economical provision of required services as described herein
