

**DETERMINATION & FINDINGS
FOR
EMERGENCY PROCUREMENT**

AGENCY: Department of General Services

CONTRACT NO.: DCAM-23-NC-EM-0017

CAPTION: Consolidated Maintenance (“CM”) Services at Cardozo High School

CONTRACTOR: RWD Consulting LLC

FINDINGS

1. AUTHORIZATION:

D.C. Official Code §2-354.05 and 27 DCMR 4719

2. MINIMUM NEED:

The Government of the District of Columbia, acting by and through its Department of General Services (the “Department” or “DGS”) has an urgent need for RWD Consulting LLC (the “Contractor” or “RWD”) to continue providing Consolidated Maintenance Services at Cardozo High School for a temporary emergency period not to exceed 120-days. This additional time will assure the avoidance of any disruption to critical facility operation services during the impending period while a new solicitation for these services is procured following scope changes.

3. ESTIMATED FAIR AND REASONABLE PRICE:

The estimated fair and reasonable price for 120-day emergency contract is One Hundred Seven Thousand, Six Hundred Forty-five Dollars and forty-six cents (\$107,645.46) for basic services plus, a total not-to-exceed amount of One-Hundred Thousand Dollars (\$100,000.00) for cost reimbursement for a Total Not-to-Exceed amount of Two Hundred and Seven, Six Hundred Forty-five Dollars and forty-six cents (\$207,645.46).

4. FACTS WHICH JUSTIFY AN EMERGENCY PROCUREMENT:

It is the mission of DGS to provide first rate maintenance at District government facilities, including schools, and to ensure a safe environment for the citizens, employees and visitors of the District of Columbia. The purpose of this emergency procurement is to prevent an imminent threat to health, welfare, property and safety and serious disruption

in agency operations to Cardozo High School, a District of Columbia Public School. Due to the safety of children and personnel, these services require uninterrupted service.

1. The Department has determined that it is in the best interest of the District to continue services with the incumbent, RWD Consulting, LLC, under a temporary emergency contract, and is the only vendor who can meet the District’s minimum need without disruption of services at this time.
2. The Department is in the process of finalizing a new solicitation with the intent to issue within the next 120-day period.
3. The current contractor is providing satisfactory services and is uniquely positioned to ensure continuity of services.
4. The estimated cost to the District for this temporary emergency period is fair and reasonable based on DGS’ historical data on similar services.
5. An emergency procurement is the most advantageous method to minimize disruption to overall facility operations; it ensures a continuation of service while the District prepares and finalizes a solicitation for competition and awards a Contract.
