**DETERMINATION AND FINDINGS
FOR A
SOLE SOURCE PROCUREMENT**

CAPTION: Consolidated Maintenance Services at John A. Wilson Building

AGENCY: Department of General Services

CONTRACTOR: RWD Consulting LLC

FINDINGS

1. AUTHORIZATION:

D.C. Official Code §2-354.04, 27 DCMR 1304 and 27 DCMR 4718

2. MINIMUM NEED:

The District of Columbia, Department of General Services (“Department” or “DGS”) on behalf of the Facilities Management Division has an urgent need for RWD Consulting, LLC (“RWD”) to continue providing Consolidated Maintenance Services to John A. Wilson Building for a period not to exceed four (4) months or until the Department awards a new contract, whichever comes first. This additional time will assure the avoidance of any disruption to critical facility operation services during the impending period while a new solicitation for these services is procured following significant scope changes.

3. ESTIMATED FAIR AND REASONABLE PRICE:

The estimated fair and reasonable price for this temporary period is Four Hundred Ninety-Three Thousand Fifteen Dollars and ninety-five cents (\$493,015.95) for basic services plus, a total not-to-exceed amount of Two Hundred Fifty Thousand Dollars (\$250,000.00) for cost reimbursement for a total NTE amount of Seven Hundred Forty-Three Thousand Fifteen Dollars and ninety-five cents (\$743,015.95).

4. FACTS WHICH JUSTIFY A SOLE SOURCE PROCUREMENT:

It is the mission of DGS to provide first rate maintenance at District government facilities and to ensure a safe environment for the citizens, employees and visitors of the District of Columbia. The purpose of this emergency procurement is to prevent an imminent threat

to health, welfare, property and safety and serious disruption in agency operations to the Wilson Building.

1. The Department has determined that it is in the best interest of the District to continue services with the incumbent, RWD from July 30, 2020 through November 30, 2020, and is the only vendor who can meet the District's minimum need without disruption of services at this time.
2. The Department is in the process of conducting significant scope changes to the upcoming solicitation. It is the intent of the Department to issue a new solicitation within the next 30 days.
3. The current contractor is providing satisfactory services and is uniquely positioned to ensure continuity of services.
4. The estimated cost to the District for this sole source procurement is fair and reasonable based on DGS' historical data on similar services.
5. A sole source procurement is the most advantageous method to minimize disruption to overall facility operations; it ensures a continuation of service while the District prepares and finalizes a solicitation for competition and awards a multiple year contract upon Council approval.
