

PUBLIC MEETING NOTICE

BUILDING ENVIRONMENTAL SAFETY TESTING AND REMEDIATION

GET THE FACTS ABOUT DGS ENVIRONMENTAL TESTING!

With the passage of the Public Facilities Environmental Safety Amendment Act of 2020, DGS has expanded its frequency and scope of testing for environmental risks. This is the twentieth monthly meeting in a series of monthly meetings to discuss actionable environmental safety testing results and remediation activity at District public buildings. This meeting will provide an overview of our testing process and details about activities at specific locations. You can join the meeting by registering and using the link provided. Please share with community members and we hope to see you there!

THIS MEETING WILL BE VIRTUAL

WEDNESDAY, FEB. 18, 2026 | 6:00 PM - 7:00 PM
