## **Executive Summary**

The District of Columbia (“District”) Department of General Services (“DGS” or “Department”) is issuing this Request for Proposals (“RFP”) to engage a design firm to serve as the Architect/Engineer (the “A/E”) to provide a full range of Planning, Architectural and Engineering services associated with the design of the Ward 8 Senior Wellness Center (SWC) building to be located at 1700 Q Street SE, Washington, DC 20020. The proposed SWC building will be located within the campus of Kramer Middle School. The selected A/E shall evaluate the site constraints and condition of the utility infrastructures. The A/E shall explore different potential design solutions.

As part of the initial engagement with DCPS and Kramer School authorities, the Department of General Services with the resources from AreaProbe, LLC did a preliminary Site Survey of the Kramer Middle School campus and analysis for co-location of the proposed Facility with the Middle School (**Attachment A**), while respecting the latter’s existing entitlements – principally the outdoor recreation, and parking spaces. The attached report of the survey and analysis show viable possibilities for judicious and agreed use of the site for a 10,000 square foot Senior Wellness Center with 45 parking spaces. We believe that this location has the potential to accommodate the proposed new ward 8 senior wellness center and existing Kramer Middle School.

The selected architect/engineer (A/E) shall propose a firm fixed fee for Title I and Title II services for the Project listed above, as further described herein.

### **A.1 Project Delivery Method**

4. On board review meeting to discuss the report.

5. Based on the outcome of the report and on-board review and approval proceed into the design phase.
6. Prepare design drawings and specifications that will be used as construction documents in a solicitation to be issued to prospective construction contractors and provide Title II services described herein.

To the extent there are any inconsistencies between this RFP, the Form of Contract and the SCPs, the Form of Contract and SCPs shall prevail. Offerors are further advised that they are required to submit their Proposals premised upon entering into a contract that is substantially similar to the Form of Contract and that any proposed changes to the Form of Contract must be clearly identified and described in the Offeror’s Proposal. A Proposal that fails to specifically identify and describe requested changes shall be deemed non-responsive.
