Executive Summary

The District of Columbia Department of General Services (“District”, “Department” or “DGS”) is issuing this Request for Qualifications (“RFQ”) to solicit Statements of Qualifications (“SOQs”) from those entities (“Offerors”) interested in performing construction projects at DCPS, DPR, and municipal facilities (“Project Locations”) during the 2022 fiscal year. These construction projects may include building repairs, upgrades, and tenant-fit-out improvements including, but not limited to, patching and plumbing, carpentry, masonry, electrical as well as small park and playground type projects as may be necessary at DCPS, DPR and municipal sites. The contractor(s) selected under this procurement (collectively, the “Contractor(s)”) should be capable of handling all types of building repairs and upgrades, including, but not limited to, plumbing repairs, electrical repairs, carpentry, masonry, fire alarm repairs, etc. The contract work may also include, from time to time, construction projects that need to be completed quickly; these would primarily be in response to emergency situations such as vandalism, structural failures, or other life safety issues. It is contemplated that the work required for the Project Locations will be further detailed and released through competitive Task Order Agreements issued pursuant to indefinite delivery/indefinite quantity (“IDIQ”) type contracts or Basic Ordering Agreements (“BOA(s)”), which will be awarded through this procurement.

The selected contractor(s) shall be responsible for completing construction work on an as-needed basis as may be requested by the Department. For the most part, the Department is looking for contractor(s) that have the infrastructure and resources to handle discrete small tasks in a time-sensitive environment.

An Offeror’s statement of qualifications (“SOQ”) must meet all requirements established by this RFQ and all Offerors must hold the applicable license requirements as determined by the District’s Department of Consumer and Regulatory Affairs (“DCRA”). Failure to meet an RFQ requirement may render an Offeror’s SOQ non-responsive while the extent to which an Offeror meets or exceeds evaluation criteria will be rated by the Department’s evaluation team (“Evaluation Team”) and be reflective of the Department’s Evaluation Team’s scoring of Offeror’s SOQ submission.

A.1. Project Delivery Method

A.1.1 The goal of this RFQ is to establish a roster of pre-qualified contractors that can quickly compete for construction projects at DCPS, DPR, and municipal facilities (“Project Locations”) during the 2022 fiscal year. Each such contractor will be required to enter into a Basic Ordering Agreement (“BOA”) that will set forth the general terms and conditions of the process as well as establish the method by which Task Order Agreements (“Task Order Agreement(s)”) for specific work will be competed and awarded. Offerors should note, however, that the BOA will not authorize any specific work or constitute a guarantee that any work will be assigned to a contractor. **All work will be awarded and released through individual project Task Order Agreements.**

A.1.2 The Form of the BOA (“Form of Contract”) is included here as **Attachment G**. Offerors should carefully review the Form of Contract when submitting their SOQ Submission. Offerors should note, however, that the Form of Contract will not authorize any specific work or constitute a guarantee that any work will be assigned to a contractor. To the extent there are any inconsistencies between this RFQ and the Form of Contract, the Form of Contract shall prevail. Offerors are further advised that they are required to submit their

SOQ Submissions premised upon entering into a contract that is substantially similar to the Form of Contract and that any proposed changes to the Form of Contract must be clearly identified and described in their SOQ Submission.

A.1.3 The term of the BOAs will be for a period of one (1) base year with an option to extend for four (4) additional one (1) year option periods.

A.1.4 Section B below provides more detail; however, work will be assigned as follows: As projects are identified and funded by the Department, a narrative scope of work will be drafted for each such project. Typically, the narrative scope of work will not include complete drawings, and as such, selected pre-qualified Contractors should be prepared to complete the work as further described in the applicable Request for Task Order Proposal (“RFTOP”). The narrative scope of work will be issued to three (3) or more of the contractors and each of those contractors will be provided with an opportunity to walk the project with the Department’s representatives in order to better understand and clarify the work. Each such contractor will then be required to submit a lump sum price, and/or such other type of compensation requested by the Department for the proposed work. The specific method of compensation will be specified in the RFTOP. The amount of time that contractors will be required to submit proposals under the RFTOP will depend on the specifics of each individual project. The Department will select the Contractor to be awarded each such project primarily based on price proposals submitted in response to RFTOPs, however the Department reserves the right to consider non-price factors when making such decisions and will also consider differences in scope and/or proposed finishes, equipment and materials. Awarded Task Orders will detail the award criteria for each project.

A.2.1 Contract Documents

As stated, the resulting contract(s) will be a BOA(s) included here as **Attachment G**. The DGS Standard Contract Provisions for Construction contracts and DGS Standard Contract Provisions for Architectural and Engineering services contracts, included here as **Attachment C**; and such other exhibits and attachments as are incorporated into the RFQ will also be included with the BOA (all such documents are referred to as “Contract Documents”).

A.2.2 Attachments

The following attachments are specifically made a part of, and incorporated into, this RFQ:

- Attachment A** - Past Performance Evaluation Form
- Attachment B** - Tax Affidavit
- Attachment C** - DGS Standard Contract Provisions – Construction Contracts and DGS Standard Contract Provisions – Architectural and Engineering
- Attachment D** - Bidder-Offeror Certification
- Attachment E** - 2021 Living Wage Act Notice and Fact Sheet
- Attachment F** - EEO Policy Statement
- Attachment G** - Form of Contract (Basic Ordering Agreement)
- Attachment H** - Conflict of Interest Disclosure Statement
- Attachment I** - Notice to Proceed & Letter Contract

A.3 Contractor's Compensation

The BOA shall merely set forth the basic parameters of the program and shall **not** constitute a guarantee that any work shall be forthcoming. **All work will be authorized and released by project specific Task Order Agreements.** Typically, the narrative scope of work will not include complete drawings, and as such, contractors should be prepared to complete the work as further described in the Request for Task Order Proposal ("RFTOP") issued for each project. The narrative scope of work will be issued to three (3) or more of the Contractors and each of those Contractors will be provided with an opportunity to walk the project with the Department's representatives in order to better understand and clarify the work. Each such Contractor will then be required to submit a lump sum price, and/or such other type of compensation requested by the Department to fully complete the proposed work. The specific method of compensation will be specified in the RFTOP. As such and absent specific instructions to the contrary, proposed Task Order pricing shall be "all inclusive" and should include sufficient funding to cover all of the Contractor's costs necessary to complete the particular project, including, but not limited to, profit, home and field office overhead, supervision, labor, materials, equipment, bonds, insurance and such professional services as may be required to complete the design and obtain the necessary permits.

A.4 Limitations

A.4.1 **Minimum Order:** The minimum order for the awardees will be in an amount of **\$50.00** during the base year and each option year period.

A.4.2 **Maximum Order:** The maximum aggregate value of all Task Order Agreements issued to a single Contractor shall not exceed **\$15,000,000.00** per base year and each option year pursuant to the BOA.

A.5 Selection Criteria

SOQ Submissions will be evaluated in accordance with **Part D** of this RFQ. The following evaluation criteria will be used:

- i. Past Performance, Experience & References (25 points)
- ii. Key Personnel (25 points)
- iii. Project Management Plan (25 Points)
- iv. Capacity (25 points)
- v. Certified Business Enterprise Preference 0points (Up to 12 points)

SECTION B SCOPE OF WORK

B.1 Contractor’s Scope of Work. As authorized via competitively awarded Task Order Agreements, the selected, pre-qualified Contractors shall perform construction at DCPS, DPR, and municipal facilities (“Project Locations”) during the 2022 fiscal year. These construction projects may include building repairs, upgrades, and tenant-fit-out improvements including, but not limited to, patching and plumbing, carpentry, masonry, electrical as well as small park and playground type projects as may be necessary at DCPS, DPR and municipal sites and shall be performed on an as directed/as needed basis and must be completed by the substantial completion dates specified in each competitively bid Task Order Agreement. These services will generally include a range of general construction and facility maintenance projects for such Project Locations (which include schools; parks and recreation facilities; municipal buildings; fire and police stations; short-term family housing; tenant fit-out type work; small park/playground work; pools; and any other public locations). The contract work may also include, from time to time, construction projects that need to be completed quickly; these would primarily be in response to emergency situations such as vandalism, structural failures, or other life safety issues.

Sample project types, include, but not limited to those listed below. The actual scope of work for each project will be detailed in the applicable RFTOP and identified in each awarded Task Order:

	Sample Project Types
a.	Emergency Repairs (small, medium and large size)
b.	Facility Maintenance
c.	Electrical Services
d.	Plumbing Services
e.	Carpentry Services
f.	Painting Services
g.	Concrete and Masonry Services
h.	Structural Failures

B.1.1 Program Manager and Project Manager. The Department shall assign a Program Manager and Project Manager (each, a “PM”) to oversee the Contractor’s work under any Task Order Agreement. The name and contact information for the assigned PMs will be specified in the applicable Task Order Agreement. The Contractor shall take direction from, and coordinate its work with, the assigned PMs. The Contractor will be required to develop work plans that are coordinated with, and acceptable to, the PMs assigned to each project. **The Contractor acknowledges, however, that the Program Manager and Project Manager shall not be authorized to modify any of the rights or obligations of the Department or the Contractor pursuant to the BOA, or to issue Task Order Agreements, Change Orders, Contract Modifications or Change Directives. The Contractor hereby acknowledges and agrees that only a duly authorized Contracting Officer of the Department shall have the authority to issue Task Order Agreements, Change Orders, Contract Modifications or Change Directives on the Department’s behalf.**

B.1.2 Central Office. During the Term of the BOA, the Contractor shall maintain a central office that is staffed between the hours of 7am – 5pm Monday through Friday. This office will be used to manage work associated with the BOA. A separate office does not to be established, and it is acceptable if the Contractor elects to manage its staff assigned to projects from its current

office. The office should be equipped with telephone lines, a fax machine, email, access to the internet and such other equipment and supplies as are necessary to fulfill the work required under the BOA.

B.1.3 Working Hours. The Contractor shall be required to coordinate with the assigned Program Manager each individual project awarded via Task Order Agreement. The work may be performed during normal business hours; however, the Contractor may be required to work after hours or on weekend and holidays so as to not adversely impact the work of the District of Columbia employees/and or Contractors. Normal business hours shall be between 7am and 6pm, with exception given to DCPS sites which are between 3:30 pm and 8 pm to accommodate school programming. The Contractor shall be required to develop work plans that are coordinated with, and acceptable to, the Program Manager.

B.2 Competitive Bidding.

B.2.1 For each project identified and funded by the Department to be competed among selected pre-qualified Contractors that entered into a BOA pursuant to the RFQ, the Department will develop a scope of work and solicit competitive proposals from the Contractor's via RFTOPs. The scope of work will be issued to three (3) or more of the Contractors, and in most cases, each of those Contractors will be provided with an opportunity to walk the project with the Department's representatives in order to better understand and clarify the work.

B.2.2 The Department contemplates that the scopes of work that will be issued to contractors during the bidding phase will not include complete drawings. The parties acknowledge and agree that contractors may be required to complete work on a design-build or design-assist basis or any such other method as described in the RFTOPs.

B.2.3 Each Contractor will be required to submit, within the time allotted by the Department in the RFTOP, a lump sum price or such other pricing as may be requested by the Department for the proposed work (such price, "Task Order Price"). Absent specific instructions to the contrary, proposed Task Order pricing should be "all inclusive" and should include sufficient funding to cover all of the Contractor's costs necessary to complete the project, including, but not limited to, profit, home and field office overhead, supervision, labor, materials, equipment, bonds, insurance and such any other professional services as may be required to complete the design, other type of work or to obtain the necessary permits. **The Contractor shall be responsible for using the then-current Davis-Bacon wage determination and/or Service Contract Act wages (as applicable) when developing its pricing for any given project.**

B.2.4 The Department will select the Contractor to be awarded each such project primarily based on price, but the Department reserves the right to consider non-price factors when making such decisions and will also consider differences in scope and/or proposed finishes, equipment and materials. The RFTOPs will detail the award criteria for the project.

B.2.5 In the event the Contractor is selected for a project, the Contractor shall enter into a Task Order. The Contractor shall not proceed with any work unless and until such Task Order is fully executed by the Department and the Contractor is directed to begin work. Before the Department executes Task Order Agreement, the contractors are required to resolve any clean hand compliance

matters with relevant authorities including, but not limited, to the Office of Tax and Revenue (“OTR”) office.

B.3 Task Order Agreements. Any and all work performed under the BOA or any Task Order Agreement issued pursuant hereto shall be governed by the terms and conditions set forth in the BOA. It is contemplated that individual Task Order Agreements shall, in general, contain the following information: (i) a description of the scope of work included in such Task Order Agreement; (ii) a lump sum price and/or such other terms of compensation for the work included in the Task Order Agreement’s scope of work; (iii) the Substantial Completion Date for the Task Order Agreement’s scope of work and/or such other schedule requirements for Task Order Agreement; (iv) liquidated damages; (v) name and contact information for the assigned PM; and (vi) any other specific requirements of the scope of work. The Task Order Agreement shall also set forth a general description and requirements of the given project (such description and requirements, the “**Project**”).

B.4 Term of the BOA. The BOA shall be effective from the date of execution by both parties through one year from such date (such time period, the “**Term**”). Any and all work assigned to the Contractor pursuant to a Task Order Agreement issued pursuant to the BOA must be completed within the Term of the BOA, and no later than the Substantial Completion Date identified in the individual Task Order Agreement.

B.5 Option Year. The Department shall have the right to extend the Term of the BOA to four (4) one-year option periods (each such period, an “**Option Year**”), the first of which would begin on the date that the base year Term expires; and the second of which would begin on the date that Option Year 001 expires and end one year from the date that Option Year 001 expires. In the event the Department desires to extend the Term of the BOA pursuant to this Section B.5, the Department shall give the Contractor written notice of such election at least thirty (30) days prior to the beginning of the applicable Option Year.

B.6 Standard Task Order Provisions. Unless otherwise expressly stated in a Task Order, all of the provisions of the BOA shall be deemed incorporated into the Task Order as if set forth therein.

B.7 Minimum Value of BOA. The minimum value of services for each base year and subsequent Option Year is Fifty Dollars (\$50).

B.8 Not-to-Exceed Maximum Value of BOA. The maximum aggregate value of services for the base year and each subsequent Option Year is Fifteen Million Dollars (**\$15,000,000.00**) (the “**NTE Amount**”). It is understood that the Contractor is not authorized to proceed with any work based solely on the BOA. Any and all work performed under the BOA shall be authorized by a written Task Order. In no event shall the Contractor be entitled to recover in the aggregate, pursuant to the BOA and any and all Task Orders issued pursuant hereto, more than the NTE Amount.

B.9 Preconstruction Activities

Prior to mobilizing to the Project site and commencing work, the Contractor shall be required to complete those activities set forth in this **Section B.9**. Unless a delay in completing the preconstruction activities is the result of a delay by the Department or the Program Manager beyond the timeframes set forth herein or an event of force majeure, delays in completing the

preconstruction activities shall not be considered excusable and shall not justify an extension of the substantial completion date or for further compensation.

B.9.1 Detailed Schedule. Within seven (7) days of the issuance of a Notice to proceed for any awarded Task Order Agreement, the Contractor shall submit to the Contracting Officer and Program Manager for its approval a schedule for the Project. Such schedule shall include a schedule for submittals and key milestones that is reasonably acceptable to the Program Manager. The Program Manager shall have five (5) business days to review such submittal.

B.9.2 Potential Subcontractors and Suppliers. Within the timeframe specified in each Task Order, and after the issuance of a Task Order, the Contractor shall furnish to the Contracting Officer and Program Manager a list of the subcontractors and suppliers that will work on an individual project as well as a general description of each such subcontractor's scope of work. Within five (5) business days after such list is submitted, the Program Manager shall advise the Contractor if it has any objection to any of the listed subcontractors or suppliers. In the event the Program Manager has a reasonable objection to any such subcontractor or supplier; the Parties shall discuss such objection and agree on an appropriate course of action.

B.9.3 Design Services. Prior to providing its bid for any Task Order, the Contractor had an opportunity to review and ask questions regarding the scope of work for the Task Order and to ascertain what design services, if any, were necessary in order to complete the Project and has included in its price the costs of any necessary design services, and the Contractor shall be required to provide, at no additional cost to the Department, such design services as are necessary to implement the Project. The Contractor and the Project Manager shall agree upon the exact design services to be required prior to the commencing of construction.

B.9.4 Safety Plan. Prior to the start of construction activities, the Contractor shall prepare a safety plan for the construction phase conforming to OSHA 29 CFR 1926 (such plan, the "**Safety Plan**"). The Safety Plan shall be submitted to the Department, and the Contractor shall incorporate such comments as the Department may reasonably request.

B.9.4.1 Safety Barriers/Fences. As part of its responsibility for Project safety, the Contractor shall install such fences and barriers as may be necessary. The Contractor shall develop a plan that describes the proposed separation and the specific nature of the fences and barriers that will be used. This plan will be submitted to the Department for its review and approval prior to the commencement of construction. Once such plan has been approved, the Contractor shall comply with it at all times during construction. The Contractor shall be required to revise the plan as may be reasonably requested by the Department. The cost of revising and complying with the plan shall not entitle the Contractor to an increase in the Task Order Price.

B.9.4.2 Site Security. The Contractor shall be responsible for site security and shall be required to provide such watchman as are necessary to protect the site from unwanted intrusion.

B.9.4.3 Exculpation. The right of the Department to comment on the Safety Plan and the nature and location of the required fences and barriers shall in no way absolve the Contractor from the obligation to maintain a safe site.

B.9.5 Site Logistics Plan. Prior to the start of construction activities, the Contractor shall prepare a Site Logistics Plan. The Site Logistics Plan shall address: (i) the manner in which the Contractor intends to organize the site; (ii) the location and description of site fences and other safety barricades intended to prevent the public from entering the site; (iii) the location of construction entrances and wheel washing stations; and (iv) parking restrictions and procedures that will apply to the employees of Contractor and its subcontractors.

B.9.6 Quality Plan. Prior to the start of construction activities, the Contractor shall prepare a Quality Plan. The Quality Plan shall address: (i) the processes employed by the Contractor to ensure quality assurance; (ii) to determine how items are checked for quality and which items need to be checked; (iii) list the specific quality materials used during the project including standards, guidelines, checklist, templates, procedures, user guides and processes; and how the Contractor will handle defective items.

B.9.7 Design Reviews/Submittals. On or before the dates specified in the approved detailed schedule, the Contractor shall submit the necessary information (i.e. shop drawings, submittals, sketches, etc.) to the Program Manager for his review and approval. Unless a different timeframe is established in the approved detailed schedule, the Program Manager shall have five (5) business days to review such documents. In the event the Program Manager finds such documents to be unacceptable, the Contractor shall be required to revise and resubmit such documents. The Contractor shall not commence construction activities unless and until such documents have been approved by the Program Manager. Any delays that result from design resubmissions shall be considered Non-Excusable.

In addition, the Contractor shall coordinate with the Department's Program Manager and the Department's architect/engineer with respect to requests for information (RFIs), architect's supplemental instructions and other construction administration, as well as the District Historic Preservation Review Board (as required).

B.9.8 Permits. Unless otherwise specified in the Task Order Agreement, it is understood that the Contractor shall be required to secure and pay for any and all permits, governmental fees, licenses and inspections necessary for the execution and completion of the work. The Department shall cooperate with the Contractor in securing such permits, licenses and inspections; provided however, the Department shall not be required to pay the fees for such permits, licenses and inspections unless otherwise noted in the Task Order.

B.9.9 Coordination with DGS. The Contractor will be required to coordinate with the assigned Program Manager for each individual project. Unless specified otherwise in the Task Order, the work will generally be performed during normal business hours; however, the Contractor may be required to work after hours or on weekend and holidays as to not adversely impact the work of the District of Columbia employees/and or Contractors. The Contractor will be required to develop work plans that are coordinated with, and acceptable to, the Program Manager assigned to the task order.

B.10 Construction Phase. The Construction Phase shall commence when the Department issues a written Notice to Proceed for Construction. The Contractor shall construct the work described on the Construction Documents including any work that is not specifically shown thereon but is reasonably inferable therefrom or necessary for a fully functioning Project. The work

shall be carried out in a workmanlike and timely fashion. All materials and equipment to be incorporated into the Project shall be new and previously unused, unless otherwise specified, and shall be free of manufacturing or other defects. The Contractor hereby assumes the risks associated with and shall be responsible for (i) any changes in market conditions that affect the cost of labor or materials; (ii) coordination issues between any drawings for the Project; (iii) elements of work not shown on the drawings, but which are reasonably inferable from the drawings; (iv) cost associated with acceleration of the work and expediting of materials necessary to meet the Project Schedule which are the result of anything other than an Excusable Delay; and (v) the risk of subcontractor default.

B.10.1 A. Coordination with DGS. The Contractor will be required to coordinate with the assigned Program Manager for each individual project. The work may be performed during normal business hours; however, the Contractor may be required to work after hours or on weekend and holidays as to not adversely impact the work of District Government employees/and or Contractors. The Contractor will be required to develop work plans that are coordinated with, and acceptable to, the PM assigned to the Task Order

B.10.1 B. Supervision & Coordination. The Contractor will be required to properly supervise and coordinate its work. At a minimum, it is envisioned that the Contractor will be required to undertake the following tasks:

1. Participate and assist in Project/Planning meetings;
2. Maintain full-time on-site construction supervision and provide daily inspections, quality control, monitoring, coordination of various trades, record drawings, and daily work log;
3. Coordinate work with any on-site personnel so as to ensure that their activities are not adversely affected;
4. Conduct periodic progress meetings following a Contractor generated agenda with the Program Manager;
5. Provide general safety and signage and posting for the project and see that each subcontractor prepares and submits adequate safety program and monitoring throughout the project;
6. Obtain all job permits and approvals from the Department of Consumer and Regulatory Affairs that are required to perform and complete the work, unless otherwise noted herein;
7. Prepare payment requests, verify accuracy and forward to Department for approval and payment;
8. Assemble close-out documents required;
9. Provide assistance to the Department through all applicable warranty periods.
10. Coordinate its work with all third parties so as not to delay the critical path of the Project; and
11. Prepare and submit to the Department construction meeting minutes, progress meeting minutes, daily logs, inspection reports, preliminary and baseline schedules, (Primavera format) and schedule updates demonstrating the critical path of the Project (Primavera format).

B.10.2 CBE Subcontractors. The Contractor shall not substitute or replace any subcontractor or supplier certified by the DSLBD and the Contracting Officer without the Department's prior written consent.

B.10.3 Site Observations. The Contractor will be required to visit the site, become familiar with local conditions under which the work is to be performed and correlate personal observations with requirements of the Construction Documents as provided for projects solicited under the RFTOPs. The Contractor shall carefully study and compare the Construction Documents with each other and with information furnished by the Department. Before commencing activities, the Contractor shall (1) take field measurements and verify field conditions; (2) carefully compare this and other information known to the Contractor with the Construction Documents; and (3) promptly report errors, inconsistencies or omissions discovered to the Department. Once work is started, the Contractor assumes the responsibility and costs for the work and the cost of correcting work previously installed.

B.10.4 Warranty of the Construction Work. The Contractor warrants to the Department that materials and equipment furnished under the Task Order will be of good quality and new unless otherwise expressly permitted in writing, that for the one (1) year period following the Substantial Completion Date the construction work will be free from defects not inherent in the quality required or permitted, and that the work will conform to the Construction Documents and/or any approved design documents. The Contractor's warranty excludes remedy for damage or defect caused by abuse, modifications not executed by the Contractor, improper or insufficient maintenance, improper operation, normal wear and tear, or normal usage. The Contractor and a representative of the Department shall walk the Project together eleven (11) months after the Substantial Completion Date to identify any necessary warranty work. In the event the Contractor fails to schedule such a walk, the Warranty period shall be extended until such time as the Contractor schedules such a walk.

B.10.5 Extent of Responsibility and Site Conditions. The Contractor shall be entitled to submit a change request for differing site conditions only to the extent that such conditions could not have been discovered by a competent visual inspection of the site and are of unusual nature and differ materially from those ordinarily encountered and generally recognized as inhering to work of the character provided for in the Contract (such circumstances, "**Differing Site Conditions**"). The term Differing Site Conditions shall mean subsurface conditions on or adjacent to the Project site which differ materially from those indicated in the geotechnical reports prepared by the Contractor. The term Differing Site Conditions shall also include unknown physical conditions at the site of an unusual nature which differ materially from those ordinarily encountered and generally recognized as inhering to work of the character provided for in this Contract. Prior to commencing construction, the Contractor shall be required to conduct a thorough review of the Project site and the surrounding area and shall document its findings. In the event the Contractor fails to undertake and document such a thorough review, the Contractor shall be deemed to have known of those conditions which a thorough review would have detected. Any Change Request related to Differing Site Conditions shall be made pursuant to the Standard Contract Provisions for Construction Contracts.

B.10.6 Unsafe Materials and Hazardous Materials

B.10.6.1 The Contractor shall not bring, spill or release onto the site asbestos, PCBs, or any other Hazardous Material that is not customarily used in a facility of the type and similar to the Project, and shall bring to the Department's attention any specification of such Hazardous Materials in the design documents. If the Contractor believes that anything in the Task Order would require that it use or bring onto the site asbestos, PCBs, or any Hazardous Material that is not customarily used

in a facility of the type and similar to the Project, it shall immediately inform the Department and seek direction before proceeding.

B.10.6.2 If Hazardous Materials are discovered on the site, the Contractor shall immediately inform the Program Manager and the Department of such discovery. The Contractor shall be entitled to submit a Change Request in accordance with the Standard Contract Provisions for any Hazardous Materials abatement and disposal work. The Contractor shall comply with all laws, including, without limitation, the requirements of the EPA and all jurisdictional agencies as well as all laws relating to safety, health welfare, and protection of the environment, in removing, treating, encapsulating, passivating, and/or disposing of Hazardous Materials, including, but not limited to, removal, treatment, encapsulation, passivation, and/or disposal of the Hazardous Materials. If any notices to governmental authorities are required, the Contractor shall also give those notices at the appropriate times. **The Contractor shall ensure abatement subcontractors and disposal sites are appropriately licensed and qualified.**

B.10.6.3 The Contractor shall keep detailed records documenting Work done so that the Department may independently verify compliance with all laws, the number of units actually removed, treated, and/or disposed of, and the appropriate unit price(s) applicable to the work.

B.10.7 Progress Meetings. The Contractor shall schedule and conduct at a minimum bi-weekly progress meetings at which the Department, the Program Manager, the Contractor and appropriate subcontractors can discuss the status of the Work. The Contractor shall prepare and promptly distribute meeting minutes.

B.10.8 Written Reports. The Contractor shall provide written reports to the Program Manager on the progress of the entire Work in accordance at least every other week, including, but not limited to, a baseline schedule and schedule updates with narrative demonstrating the critical path of the Project in Primavera format. The Contractor shall also maintain a daily log containing a record of weather, subcontractors working on the site, number of workers, major equipment on the site, work accomplished, problems encountered and other similar relevant data as the Department may reasonably require. The log shall be available to the Department, the architect/engineer and the Project Manager and/or the Program Manager and on a monthly basis a copy of the log shall be submitted to the Department.

B.10.9 Work by Separate Contractors. The Department reserves the right to perform construction or operations related to the Project with the Department's own forces, and to award separate contracts in connection with other portions of the Project or other construction or operations on the site.

B.10.10 Project Site Safety. The Contractor will be required to ensure that its work is conducted in a safe manner and that appropriate barricades and other safety procedures are employed to ensure the safety of District of Columbia employees, contractor and/or visitors. All such barricades and safety procedures shall be subject to the approval of the Department and its Program Manager.

B.10.11 Close-Out and Training. Contractor shall also provide the Department with a complete set of its Project files, including, but not limited to, shop drawings, product manuals, warranties, etc., prepared by the Contractor or its subcontractors along with any other documentation that may

reasonably be requested by the Department or its Program Manager and/or Project Manager, at close out so as to assist the Department in operating the building. In addition, if the Project includes work on heating or cooling systems, at the beginning of the first heating and cooling season following turnover of the Project, the Contractor shall be available to assist with, and train the building engineers and staff in the start-up of the building systems for the new weather cycle.

B.10.12 Salvaged and Stored Items. The Contractor shall be responsible for salvaging and storing all items as identified by the Department in accordance with all applicable District laws and regulations, after notifying the Department and receiving the Department's permission to proceed.

B.10.13 Cutting and Patching. The Contractor shall be responsible for cutting, fitting or patching required to complete the Work or to make its parts fit together properly. All areas requiring cutting, fitting and patching shall be restored to the condition existing prior to the cutting, fitting and patching. The Contractor shall not damage or endanger a portion of the Work or fully or partially completed construction of the Department or separate contractors by cutting, patching or otherwise altering such construction, or by excavation.

B.10.14 Correction of Work

B.10.14.1 The Department shall be at liberty to object and to require the Contractor to remove forthwith from the Project site and the work and to promptly replace the superintendent, any foreman, technical assistant, laborer, agent, representative, or other person used by the Contractor in or about the execution or maintenance of the Work, who in the sole opinion of the Department is misconducting himself or herself, or is incompetent or negligent in the proper performance of his or her duties, or whose performance in the work is otherwise considered by the Department to be undesirable or unsatisfactory, and such person shall not be again employed upon the Project without the written permission of the Department.

B.10.14.2 The Contractor shall promptly correct work rejected by Department for failing to conform to the requirements of the Construction Documents or any approved design document or applicable law or regulations whether observed before or after the Project's completion and whether or not fabricated, installed or completed, and shall correct any work found to be not in accordance with the requirements within a period of one (1) year from the date of Final Completion or by terms of an applicable special warranty required by the Task Order.

B.10.14.3 If during the guarantee or warranty period, any material, equipment or system requires corrective work because of defects in materials or workmanship, the Contractor shall commence corrective work within forty-eight (48) hours after receiving the notice and work diligently until corrective work is completed; provided, however, if such notice is received on the day before a weekend or a holiday, the Contractor will commence corrective work on the next business day. If the Contractor does not, in accordance with the terms and provisions of the Contract Documents, commence all corrective work within forty-eight (48) hours or if the Contractor commences such work but does not pursue it in an expeditious manner, Department may either notify the bonding company (if any) to have such work and/or obligations performed at no additional cost to Department or may perform such Work and/or obligations and charge the costs thereof to Contractor.

B.10.15 Manufacturers' Warranties

B.10.15.1 The Contractor warrants that all manufacturers' or other warranties on all labor, materials and equipment furnished by the Contractor or a Subcontractor or supplier shall run directly to or will be specifically assigned to Department on demand or upon Project completion without demand. In the event any issue or defect which would be covered by any warranty arises but is not addressed by the grantor of the warranty, the Contractor shall be required to act as the guarantor of the obligations under the warranty and to perform under the terms of the warranty.

B.10.15.2 The Contractor warrants that the installation of all materials and equipment shall be in strict accordance with the manufacturers' requirements or specifications.

B.10.16 Schedule Update. The Contractor shall submit bi-weekly schedule updates which shall reflect actual conditions of Project progress as of the date of the update. The update shall reflect the actual progress of construction, identify developing delays, regardless of their cause, and reflect the Contractor's best projection of the actual date by which Substantial Completion and Final Completion of the Project will be achieved. Via a narrative statement (not merely a critical path method schedule), the Contractor shall identify the causes of any potential delay and state what, in the Contractor's judgment, must be done to avoid or reduce that delay. The Contractor shall point out, in its narrative, changes that have occurred since the last update, including those related to major changes in the scope of work, activities modified since the last update, revised projections of durations, progress and completion, revisions to the schedule logic or assumptions, and other relevant changes. Any significant variance from the previous schedule or update shall also be identified in a narrative, together with the reasons for the variance and its impact on Project completion. All schedule updates shall be in Primavera 6 format. The Department may make reasonable requests during the Project for changes to the format or for further explanation of information provided. Submission of updates showing that Substantial Completion or Final Completion of the Project will be achieved later than the applicable scheduled completion date shall not constitute requests for extension of time and shall not operate to change the scheduled completion date. The Department's receipt of, and lack of objection to, any schedule update showing Substantial Completion or Final Completion later than the dates agreed upon in the Project Schedule shall not be regarded as the Department's agreement that the Contractor may have an extension of time, or as a waiver of any of the Department's rights, but merely as the Contractor's representation that, as a matter of fact, Substantial Completion or Final Completion of the Project may not be completed by the agreed upon date in the Project Schedule. Changes to the scheduled completion dates may be made only in the circumstances and only by the methods set forth in the Task Order.

B.10.17 Acceleration. Subject to the terms of this Section, the Department shall have the right to direct the Contractor to accelerate the work if, in the reasonable judgment of Department, the Contractor fails to: (i) supply a sufficiency of workers or to deliver the materials or equipment with such promptness as to prevent the delay in the progress of the work; or (ii) the progress of the work materially falls behind the projections contained in the then currently approved Project Schedule. In the event that the Department or its Program Manager determine that either of the events specified in the preceding sentence have occurred, the Department shall provide the Contractor with written notice of such event and the Contractor shall be required to provide the Department with a corrective action plan that is reasonably designed to address the concerns raised

in such notice within three (3) days after receipt of such notice. If the Department and the Contractor are unable to agree on the terms of such corrective action plan within five (5) calendar days after the issuance of the notice (i.e. with forty eight (48) hours after the receipt of the proposed corrective action plan), the Department shall have the right to direct such acceleration as the Department, in its reasonable judgment, deems necessary. Provided the notice provisions of this Section are complied with, the cost of any acceleration directed under this Section shall not justify an adjustment to the Task Order Price or the Substantial Completion Date. The Contractor hereby acknowledges that this provision is a material inducement upon which the Department has relied in entering into the Contract; and represents and warrants that it has included sufficient funding in its Task Order Price in order to comply with the requirements of this Section.

B.11 Substantial Completion Date. The Contractor shall substantially complete a Project no later than the date identified in the Task Order. For purposes of this requirement, the term “**Substantially Complete**” shall mean that all of the following have occurred: (1) the work has been completed with only minor punch list items remaining to be completed; (2) any and all required permits or approvals related to the work have been obtained; (3) all operating and maintenance manuals, training videotapes and warranties required by the Contract have been delivered to the Department; (4) any supplemental training session required by the Contract for operating or maintenance personnel have been completed; (5) all clean-up required by the Contract has been completed; and (6) the Project is ready for the Department to use it for its intended purpose. “**Minor punch list items**” are defined for this purpose as items that, in the aggregate, can be completed within thirty (30) days without interfering with the Department’s normal use of the Project. Final Completion shall mean the point at which Substantial Completion has been achieved, all punch list items noted at Substantial Completion have been completed and all documents the Contractor is required to deliver to the Department as a condition to receiving final payment have been received. Work is defined as the construction and services required by the Contract, whether completed or partially completed, and includes all other labor, materials, equipment, and services provided or to be provided by the Contractor to fulfill the Contractor’s obligations. The Work may constitute the whole or a part of the Project. Final Completion Date is 30 days from the Substantial Completion Date or as defined in each individual Task Order.

B.12 Administrative Matters

B.12.1 Use of Department’s Electronic Project Management Information System (PMIS).

Awarded Contractor shall utilize the Department’s PMIS to create, manage and/or submit any and all documentation required to be provided by the vendor during the course of the Project, including, but not limited to: (i) requests for information; (ii) submittals; (iii) potential change orders; (iv) meeting minutes; (v) pencil copy invoices; (vi) drawings and specifications; (vii) punchlist; and (viii) other documents as may be designated by the Department.

B.12.2 Invoice Submittal. The Contractor shall create and submit payment requests in an electronic format through the District Vendor Portal, <https://vendorportal.dc.gov>. The Contractor shall submit proper invoices on a monthly basis. To constitute a proper invoice, the Contractor shall enter all required information into the Portal after selecting the applicable purchase order number which is listed on the Contractor’s profile.

B.13 Liquidated Damages. If the Contractor fails to achieve Substantial Completion by the Substantial Completion Date, the Parties acknowledge and agree that the actual damage to the

Department for the delay will be impossible to determine, and in lieu thereof, the Contractor shall pay to the Department, as fixed, and liquidated delay damages in the amount specified in the Task Order for failure to meet the Substantial Completion Date. The Contractor and the Department agree that the liquidated damages do not constitute, and shall not be deemed, a penalty but represent a reasonable approximation of the damages to the Department associated with a delay in the Project. In the event the Contractor fails to meet the Substantial Completion Date as defined in each individual Task Order, the Contractor consents to a termination for default.

B.14 Compensation. The Contractor shall be paid its compensation in a series of progress payments and a final payment. Progress payments shall be based on a Schedule of Values that is agreed upon by the Parties as well as the Project Manager and/or the Program Manager's good faith estimate of the level of completion for each component of the Schedule of Values. Contractor shall prepare the Schedule of Values which breaks down the Task Order Price for the various parts of the Work. The Schedule of Values shall be maintained in such a manner to provide a breakdown of the Task Order Price in enough detail to facilitate continued evaluation of applications for payment and progress reports. Large subcontracts shall be broken into several line items where, in the opinion of the Project Manager and/or the Program Manager, such detail is necessary to properly track the progress of the Work. The proposed schedule of values shall also include separate line items for each part of the Work if so required by the Project Manager and/or the Program Manager. The Contractor and the Project Manager and/or the Program Manager shall meet as necessary to maintain the schedule of values for the Project in a manner acceptable to the Project Manager and/or the Program Manager. No progress payments shall be made unless the then current Schedule of Values is acceptable to the Project Manager and/or the Program Manager.

B.15 Key Personnel

The Offeror's personnel should have the necessary experience and licenses to perform the required work. Toward that end, Offerors should include within its Proposal a description of the staff available to perform this work and their qualifications.

The Contractor will not be permitted to reassign any of the key personnel unless the Department approves the proposed reassignment and the proposed replacement. When submitting a proposal in response to a RFTOP, generally, this should include: (i) the key Project Manager(s) who will supervise the work, (ii) the Assistant Project Manager; and (iii) the Field Superintendents who will oversee the work in the field. . Specific personnel for each project would be specified in the RFTOP. To carry out the work associated with the resulting Task Order, the Contractor shall provide at least the key personnel identified in its proposal which shall be included as an exhibit to the Task Order, and indicate the function(s) each will carry out for the proposed project and indicate what percentage of each such persons time will be devoted to the Task Order project. Absent death or disability, the (i) the key Project Manager(s) who will supervise the work, (ii) the Assistant Project Manager; and (iii) the Field Superintendents who will oversee the work in the field will not be allowed to reassign any of its key personnel without the Department's prior written approval.

B.16 Risks Assumed by Contractor

By submitting a proposal for any project, the Contractor shall be deemed to have thoroughly examined the terms of the RFTOP, the Drawings and Specifications that may be included with the

RFTOP, and shall constitute its acknowledgement that it has been provided with an opportunity to visit the Project site and that such Offeror has had the opportunity to become familiar with local conditions under which the work is to be performed. Further, in submitting any such bid, the Contractor shall be deemed to represent that it has satisfied itself that it can undertake the work for the stated cost. Among other things, by submitting a proposal, the Contractor assumes the following risks: (1) the nature of the land and subsoil unless such conditions constitute a Differing Site Condition under Article 4.A of the Standard Contract Provisions for Construction Contracts; (2) the form and nature of the site and surrounding areas; (3) details and levels of existing pipe lines, conduits, sewers, drains, cables or other existing services; (4) the quantities, nature and availability of the materials, tools, equipment and labor necessary for the completion of the work; (5) the means of access to the site and any accommodation that may be required; (6) uncertainties of weather and physical conditions at the site; and in general to have itself obtained all necessary information as to risk contingencies, climatic, hydrological and natural conditions and other circumstances which may influence or affect his performance of the work.

SECTION C ECONOMIC INCLUSION AND COMPLIANCE

C.1 General: Under the provisions of the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005, D.C. Law 16-33 (codified at D.C. Code § 2-218.01 et seq.), preferences shall be given to Offerors that are certified by the Department of Small and Local Business Development as being a small business enterprise (“SBE”), having resident business ownership, having a longtime resident business, being a local business enterprise, being a disadvantaged business enterprise, being a local business enterprise with its principal office located in an enterprise zone, being a veteran-owned business enterprise, or being a local manufacturing business enterprise. In accordance with these laws, the following preferences shall be awarded in evaluating an Offeror’s Proposal:

- a) Three (3) preference points shall be awarded if the Offeror is certified as a small business enterprise.
- b) Five (5) preference points shall be awarded if the Offeror is certified as having a resident business ownership.
- c) Five (5) points shall be awarded if the Offeror is certified as having a longtime resident business.
- d) Two (2) preference points shall be awarded if the Offeror is certified as a local business enterprise.
- e) Two (2) preference points shall be awarded if the Offeror is certified as being a local business enterprise with its principal office located in an enterprise zone.
- f) Two (2) preference points shall be awarded if the Offeror is certified as a disadvantaged business enterprise.
- g) Two (2) preference points shall be awarded if the Offeror is certified as a veteran-owned business enterprise.
- h) Two (2) preference points shall be awarded if the Offeror is certified as a local manufacturing business enterprise.

A certified business enterprise (“CBE”) shall be entitled to any or all of the preferences provided in this section, but in no case shall a CBE be entitled to a preference of more than 12 points.

C.2 Subcontracting Plan

An Offeror responding to this RFQ which is obligated to subcontract shall be required to submit with its Proposal, any subcontracting plan required by law. Offeror’s responding to this RFQ shall be deemed nonresponsive and shall be rejected if the Offeror fails to submit a subcontracting plan that is required by law. If the Agreement is in excess of (\$250,000), at least (50%) of the dollar volume of the Agreement shall be subcontracted with certified small business enterprises. The subcontracting plan form is provided in **Attachment I**.

C.3 Mandatory Subcontracting Requirements

DC. Code § 2–218.91. Certified Business Enterprise assistance:

- (a) Notwithstanding subchapter IX-A of this chapter, or any other provision of District law or regulation, during the period from March 11, 2020, until November 5, 2021, any contract for a government-assisted project in excess of \$250,000 that is unrelated to the District's response to the COVID-19 emergency but entered into during the COVID-19 emergency, absent a waiver pursuant to § 2-218.51, shall provide that:
- (1) At least 50% of the dollar volume of the contract be subcontracted to small business enterprises; or
 - (2) If there are insufficient qualified small business enterprises to meet the requirement of paragraph (1) of this subsection, the subcontracting requirement may be satisfied by subcontracting 50% of the dollar volume ("CBE minimum expenditure") to any qualified certified business enterprises; provided, that best efforts shall be made to ensure that qualified small business enterprises are significant participants in the overall subcontracting work.
- (b) Notwithstanding subsection (a) of this section, a certified business enterprise awarded a contract for a government-assisted project in excess of \$250,000 that is unrelated to the District's response to the COVID-19 emergency but entered into during the COVID-19 emergency shall:
- (1) Perform at least 35% of the contracting effort with its own organization and resources if the certified business enterprise is granted points or a price reduction pursuant to § 2-218.43 or selected through a set-aside program; and
 - (2) If the certified business enterprise subcontracts, ensure that 50% of the dollar volume of the subcontracted effort be with certified business enterprises unless a waiver is granted pursuant to § 2-218.51.
- (c) (1) For every dollar expended by a beneficiary with a resident-owned business, the beneficiary shall receive a credit for \$1.10 against the CBE minimum expenditure.
- (2) For every dollar expended by a beneficiary with a disadvantaged business enterprise, the beneficiary shall receive a credit for \$1.25 against the CBE minimum expenditure.
- (3) For every dollar expended by a beneficiary that uses a company designated as both a disadvantaged business enterprise under § 2-218.33 and as a resident-owned business under § 2-218.02(15), the beneficiary shall receive a credit for \$1.30 against the CBE minimum expenditure.
- (d) For the purposes of this section, the term:
- (1) "Beneficiary" has the same meaning as set forth in § 2-218.02(1B).
 - (2) "Best efforts" means that a beneficiary is obligated to make its best attempt to accomplish the agreed-to goal, even when there is uncertainty or difficulty.

- (3) "COVID-19 emergency" means the emergencies declared in the Declaration of Public Emergency (Mayor's Order 2020-045) together with the Declaration of Public Health Emergency (Mayor's Order 2020-046), declared on March 11, 2020, including any extension of those declared emergencies.
- (4) "Disadvantaged business enterprise" has the same meaning as set forth in § 2-218.33.
- (5) "Government-assisted project" has the same meaning as set forth in § 2-218.02(9A).
- (6) "Longtime resident business" has the same meaning as set forth in § 2-218.02(13).
- (7) "Resident-owned business" has the same meaning as set forth in § 2-218.02(15).
- (8) "Small Business Enterprises" has the same meaning as set forth in § 2-218.32.
- (e) Contracts entered into on an emergency basis or that are made in furtherance of, or that are related to, the District's response to the COVID-19 emergency shall not be subject to the requirements of subchapter IX-A of this chapter or subchapter X of this chapter.

C.4. Subcontracting Plan Requirements

If the Prime Contractor is required by law to subcontract under the Agreement, it must subcontract at least (50%) of the dollar volume of the Agreement in accordance with D.C. Official Code § 2-218.46. The subcontracting plan shall be submitted as part of the Proposal and may only be amended with the prior written approval of the CO and Director of Department of DSLBD. Any reduction in the dollar volume of the subcontracted portion resulting from an amendment of the plan shall inure to the benefit of the District and the Department. Each subcontracting plan shall include the following:

- a) The name and address of each subcontractor;
- b) A current certification number of the small or certified business enterprise;
- c) The Scope of Work to be performed by each subcontractor; and
- d) The price that the Prime Contractor will pay each subcontractor.

C.4.1. Copies of Subcontracts

Within twenty-one (21) days of the date of award, the Prime Contractor shall provide fully executed copies of all subcontracts identified in the subcontracting plan to the CO, District of Columbia Auditor and the Director of Department of Small and Local Business Development.

C.4.2 Subcontracting Plan Compliance Reporting

- a) If the Prime Contractor has a subcontracting plan required by law for this Agreement; the Prime Contractor shall submit a quarterly report to the CO, District of Columbia Auditor and the Director of Department of Small and Local Business Development. The quarterly report shall include the following information for each subcontract identified in the subcontracting plan:

1. The price that the Prime Contractor will pay each subcontractor under the subcontract;
2. A description of the goods procured or the services subcontracted for;
3. The amount paid by the Prime Contractor under the subcontract;
4. A copy of the fully executed subcontract, if it was not provided with an earlier quarterly report.

b) If the fully executed subcontract is not provided with the quarterly report, the Prime Contractor will not receive credit toward its subcontracting requirements for that subcontract.

C.4.3 Annual Meetings

Upon at least 30-days written notice provided by DSLBD, the Prime Contractor shall meet annually with the CO, contract administrator (“CA”), District of Columbia Auditor and the Director of Department of Small and Local Business Development to provide an update on its subcontracting plan.

C.4.4 DSLBD Notices

The Prime Contractor shall provide written notice to the Department of Small and Local Business Development and the District of Columbia Auditor upon commencement of the Agreement and when the Agreement is completed.

C.4.5 Enforcement and Penalties for Breach of Subcontracting Plan

A Prime Contractor shall be deemed to have breached a subcontracting plan required by law, if the Prime Contractor (i) fails to submit subcontracting plan monitoring or compliance reports or other required subcontracting information in a reasonably timely manner; (ii) submits a monitoring or compliance report or other required subcontracting information containing a materially false statement; or (iii) fails to meet its subcontracting requirements. A Prime Contractor that is found to have breached its subcontracting plan for utilization of CBEs in the performance of a contract shall be subject to the imposition of penalties, including monetary fines in accordance with D.C. Official Code § 2-218.63. If the CO determines the Prime Contractor’s failure to be a material breach of the contract, the CO shall have cause to terminate the contract under the default provisions in the Standard Contract Provisions, Neither the Prime Contractor nor its subcontractor may remove a subcontractor or tier-subcontractor if such subcontractor or tier-subcontractor is certified as an LSDBE company unless the Department approves of such removal, in writing. The Department may condition its approval upon the Prime Contractor developing a plan that is, in the Department’s sole and absolute judgment, adequate to maintain the level of LSDBE participation on the Project.

C.5 Residency Hiring Requirements for Contractors and Subcontractors

At least fifty-one percent (51%) of the Offeror’s Team and every subconsultant’s employees hired after the Offeror enters into a contract with the Department, or after such

subconsultant enters into a contract with the Offeror, to work on this Project, shall be residents of the District of Columbia.

Upon execution of the Agreement, the Offeror and all of its member firms, if any, and each of its subcontractors and subconsultants shall submit to the Department a list of current employees that will be assigned to the Project, the date that they were hired and whether or not they live in the District of Columbia.

The Offeror shall comply with subchapter III of Chapter II of Title 1, and subchapter II of Chapter II of Title 1 of the D.C. Code, and all successor acts thereto and the rules and regulations promulgated thereunder. The Offeror and all member firms, subcontractors, tier subcontractors, subconsultants, and suppliers with contracts in the amount of (\$100,000) or more shall be required to comply with the following: (i) enter into a First Source Employment Agreement with the D.C. Department of Employment Services (“DOES”) upon execution of the Agreement; (ii) submit an executed First Source Agreement to DOES prior to beginning work on the Project; (iii) make best efforts to hire at least (51%) District residents for all new jobs created by the Project; (iv) list all employment vacancies with DOES; (v) submit monthly compliance reports to DOES by the 10th of each month; (vi) at least (51%) apprentices and trainees employed must be residents of the District registered in program approved by the D.C. Apprenticeship Council; and (vii) trade contractors and subcontractors with contracts in the amount of (\$500,000) or more must register an apprenticeship program with the D.C. Apprenticeship Council.

The Offeror shall comply with subchapter X of Chapter II of Title 2, and all successor acts thereto, including by not limited to the *Workforce Intermediary Establishment and Reform of First Source Amendment Act of 2011*, and the rules and regulations promulgated thereunder, including, but not limited to the following requirements:

- a) At least twenty percent (20%) of journey worker hours by trade shall be performed by District residents;
- b) At least sixty percent (60%) of apprentice hours by trade shall be performed by District residents;
- c) At least fifty one percent (51%) of the skilled laborer hours by trade shall be performed by District residents; and
- d) At least seventy percent (70%) of common laborer hours shall be performed by District residents.

C.6 Apprenticeship Act

The District of Columbia Apprenticeship Act of 1946, D.C. Official Code §§ 32-1401 *et seq.* (“Act”), as amended, may apply. All contractors must ensure that subcontractors selected to perform work under Task Orders on a craft-by-craft basis shall be required to comply with this Act. All terms and conditions of the Act, D.C. Apprenticeship Council Rules and Regulations, as well as any federal requirements, shall be implemented. The contractors shall be liable for any subcontractor non-compliance.

C.7 COVID-19 Vaccination Certification Requirement For District Contractors And Grantees In Accordance With Mayor’s Order 2021-099 (“Order”)

C.7.1 All District government contractors and grantees shall ensure that each of their employees, agents, and subcontractors who provide goods or perform services in person in District of Columbia facilities or worksites, or who have in-person contact with other persons in order to complete their work under the contract or grant have been either: (i) fully vaccinated against COVID-19, or (ii) granted one of the exemptions identified this Order by the contractor or grantee, are undergoing weekly COVID-19 testing and only reporting to the workplace when such test result is negative, and are wearing masks while working.

C.7.2 Each District government agency under the administrative control of the Mayor with procurement authority independent of the Chief Procurement Officer, and each grant-making agency may issue change orders, enter into amendments to grant agreements or grant award notifications, and include terms in new contracts, grant agreements, or grant award notifications that include the requirement set forth in Section C.7.1.

C.7.3 Contractors and grantees shall be responsible for ensuring compliance with this Order by their employees, agents, and subcontractors, and failure to do so may result in adverse consequences. Each District government contractor and grantee shall, at the request of the District government, provide to the District government a certification of its compliance with this requirement.

C.7.4 Nothing in this Order shall be deemed to prevent contractors or grantees from imposing stronger vaccination requirements on their employees, agents, or subcontractors, subject to applicable federal and local laws and regulations.

C.7.5 Contractors or grantees may be required to demonstrate further proof of vaccination, exemption documentation, and/or COVID-19 test results upon request of the City Administrator, the relevant agency’s contracting office, or other investigative authorities.

C.7.6 Limitation. This Order does not vest any rights in constituents to have government services delivered by fully vaccinated employees, contractors, interns, or grantees, nor does it vest any rights in employees, contractors, interns, or grantees to interact only with fully vaccinated colleagues. Employees, contractors, interns, grantees, colleagues, and constituents are not entitled to know whether someone is at work because they have certified that they have been fully vaccinated or because they have obtained an exemption from the vaccination requirement imposed by this Order.

C.7.7 Privacy. Completed vaccination certification forms and exemption requests shall be treated as private records exempt from disclosure under section 204(a)(2) of the Freedom of Information Act of 1976, effective March 29, 1977, D.C. Law 1-96; D.C. Official Code § 2-534(a)(2); however, the information included on those forms and requests may be used internally for verification, staffing, payroll, and assignments, and as any other operational needs may require, consistent with local and federal laws and regulations.

C.8 Equal Employment Opportunity and Hiring of District Residents

In accordance with the District of Columbia Administrative Issuance System, Mayor's Order 85-85 dated June 10, 1985, "on compliance with Equal Opportunity Requirements in District government contracts," each Contractor shall submit the forms for completion of the Equal Employment Opportunity Information Report incorporated herein as **Exhibit I**. An award cannot be made to any contractor who has not satisfied the Equal Employment Requirements.

C.9 Buy American Act Provision

The Design-Builder shall comply with the provisions of the Buy American Act (41 U.S.C. § 10a), including, but not limited to, the purchase of steel.

C.9.1 In accordance with the Buy American Act (41 U.S.C. § 10a-10d), and Executive Order 10582, December 17, 1954 (3 CFR, 1954-58 Comp., p. 230), as amended by Executive Order 11051, September 27, 1962 (3 CFR, 1059—63 Comp., p. 635), the Design-Builder agrees that only domestic construction material will be used by the Design-Builder, subcontractors, material men and suppliers in the performance of the Agreement, except for non-domestic material listed in the Agreement.

"Components" as used in this Section, means those articles, materials and supplies incorporated directly into the end products.

"Domestic end product", as used in this section, means, (1) an unmanufactured end product mined or produced in the United States, or (2) an end product manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States, exceeds 50 percent of the cost of all its components.

Components of foreign origin of the same class or kind as the products shall be treated as domestic. Scrap generated, collected, and prepared for processing in the United States is considered domestic.

"End Products", as used in this Section, means those articles, materials, and supplies to be acquired for public use under this Contract.

The Design- Builder shall deliver only domestic end products, except those:

1. For use outside the United States;
2. That the District determines are not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality;
3. For which the District determines that domestic preference would be inconsistent with the public interest; or
4. For which the District determines the cost to be unreasonable.

C.9.2 Domestic Construction Material. "Construction material" means any article, material or supply brought to the construction site for incorporation in the building or work. An unmanufactured construction material is a "domestic construction material" if it has been mined or produced in the United States. A manufactured construction material is a "domestic construction material" if it has been manufactured in the United States and if the cost of its components which

have been mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. “Component” means any article, material, or supply directly incorporated in a construction material.

C.9.3 Domestic Component. A component shall be considered to have been “mined, produced, or manufactured in the United States” regardless of its source, in fact, if the article, material or supply in which it is incorporated was manufactured in the United States and the component is of a class or kind determined by the Government to be not mined, produced or manufactured in the United States in sufficient and reasonably available commercial quantities and of a satisfactory quality.

C.9.4 Foreign Material. When steel materials are used in a project a minimal use of foreign steel is permitted. The cost of such materials cannot exceed one-tenth of one percent of the total project cost, or \$2,500,000, whichever is greater.

C.10 Davis-Bacon Act Wage Determination

The Davis-Bacon Act Wage Determination may apply to all projects and will be determined and issued on a per Task Order basis.

C.11 Service Contract Act

The Service Contract Act Wage Determination may apply to all projects and will be determined and issued on a per Task Order basis.

C.12 Conformance with Laws

It shall be the responsibility of the contractor to perform under the contract in conformance with the Department’s Procurement Regulations and all applicable statutes, laws, codes, ordinances, regulations, rules, requirements, orders and policies of Government bodies.

SECTION D EVALUATION AND AWARD CRITERIA

D.1 Evaluation Process

The Department shall evaluate Offeror's SOQ Submissions and any best and final offers in accordance with the provisions of this **Section D** and the Department's Procurement Regulations.

D.2 Evaluation Committee

Each submission shall be evaluated in accordance with this **Section D** by an Evaluation Committee. The Evaluation Committee shall prepare a written report summarizing its findings and submit the same to the source selection official (or Contracting Officer). Based on the information submitted by the Offerors in response to this RFQ and the report prepared by the Evaluation Committee, the source selection official shall select the Offeror(s) whose submissions are determined by the source selection official to be the most advantageous to the Department.

D.3 Oral Presentation

The Department does not intend to interview Offerors; however, the Department reserves the right to interview Offerors in the competitive range if necessary. If the Department conducts such interviews, each Offeror within the competitive range shall make an oral presentation to the Department's Evaluation Committee, and participate in a question and answer session. The purpose of the oral presentation and the question and answer session is to permit the Evaluation Committee to fully understand and assess the qualifications of each Offeror and the Offeror's key personnel. The submission will be re-scored at the conclusion of the oral presentation.

D.3.1 Length of Oral Presentation

Each Offeror will be given up to 60 minutes to make the presentation. At the end of the initial presentation, there will be a break for approximately 45 minutes for the Evaluation Committee to assess the presentation and prepare questions. The Offeror will then respond to questions from the Department's Evaluation Committee for no more than 90 minutes.

D.3.2 Schedule

The order of presentation will be selected randomly and the Offerors will be informed of their presentation date before the beginning of oral presentations. The Department reserves the right to reschedule any Offeror's presentation at the discretion of the Contracting Officer.

D.3.3 Offeror Attendees

The oral presentation will be made by the Offeror's personnel who will be assigned the key jobs for this project. Each Offeror will be limited to 7 persons. The job functions of the persons attending the presentation will be considered to be an indication of the Offeror's assessment of the key areas of responsibility that are deemed essential to the successful completion of the project.

D.3.4 Topics

The Offeror may present information about its capabilities and special qualifications to serve as a contractor for this Project, including the qualifications of key personnel.

D.4 SOQ Submission Evaluation

Each SOQ Submission will be scored on a scale of 1 to 100 points. In addition, Offerors will be eligible to receive up to 12 preference points as described in **Section C.1** of this RFQ for participation by Local, Small or Disadvantaged Business Enterprises. Thus, the maximum number of points possible is 112. BOAs will be awarded to the selected pre-qualified Contractors with the minimum evaluated score of 65 points.

D.4.1 Past Performance, Experience & References (25 points)

The Department desires to pre-qualify Contractors with the experience necessary to perform the types of projects described in Section A of this RFQ. Offerors will be evaluated based on their demonstrated experience in:

(i) Successfully executing construction projects in occupied buildings valued over \$250,000 and similar construction projects for a government agency in which the Offeror served as the general contractor in the past five (5) years; (ii) Knowledge of, and access to, the local subcontracting market, including achieving CBE stated goals; (iii) performance under past or current government or private-sector contracts with requirements similar to those of the proposed BOA; and (v) knowledge of the local regulatory agencies and Code Officials. Offerors will be evaluated on the information provided by references on the Offerors quality of work, reliability, cost control, business relations, and the information provided to support the reference evaluator's evaluation as set forth in each Past Performance Evaluation Form as described in this Section E.4.1.3(C). References submitted must be from an owner/client source. **This element of the evaluation is worth up to twenty-five (25) points.**

D.4.2 Key Personnel (25 points)

The Offeror should include within its SOQ Submission, its full organization chart to demonstrate the depth of the organization by listing all full-time staff, their roles within the organization and years of experience. The Offeror shall also include within its SOQ Submission resumes of key personnel that will be assigned to this Project and indicate what percentage of each such person's time devoted to this Project. Key personnel shall include, generally the following individuals: (i) the key Project Manager(s) who will supervise the work, (ii) the Assistant Project Manager; and (iii) the Field Superintendents who will oversee the work in the field. Specific personnel would be specified in the RFTOP. Offerors are also required to submit a roster of Project Managers and Field Superintendents who would be available to oversee work in the field. A list of the contractor's key personnel shall be attached to the contract that results from this RFQ. **This element of the evaluation is worth up to twenty-five (25) points.**

D.4.3 Project Management Plan (25 Points)

Offerors are required to submit a Project Management Plan. The Project Management Plan should clearly explain how the contractor intends to manage and implement the Project. It should demonstrate a knowledge of the process and impediments that must be overcome and ensure that sufficient staffing will be provided. The Project Management Plan should clearly explain the Offerors approach to (i) Safety; (ii) Quality Assurance/Control; (iii) schedule management; and (iv) the coordination with permitting agencies. Offerors are to provide with their SOQ Submission samples of (i) company Safety Plan; (ii) company Quality Control Plan; and (iii) a project schedule and a 3-week look ahead. **This element of the evaluation is worth up to twenty-five (25) points.**

D.4.4 Capacity (25 Points)

Offerors will be evaluated based on a detailed analysis demonstrating that they have the necessary capacity to meet anticipated project schedules. This plan must identify the necessary resources required for the completion of the Project. This requirement has been discussed in detail under Section E.4.1.6. This element of the evaluation is worth up to **twenty-five (25) points.**

D.4.5 CBE Preference (12 points)

The remaining twelve (12) points will be awarded based on the Offeror status as a Small Business Enterprise (“SBE”)/Certified Business Enterprise (“CBE”) as outlined in **Section C.1** of this RFQ.

SECTION E SOQ ORGANIZATION, SUBMISSION PROCEDURES AND PROTESTS

This section outlines specific information necessary for the proper organization and manner in which Offerors' SOQ Submissions should be proffered. References are made to other sections in this RFQ for further explanation.

E.1 SOQ Submission Identification

Pursuant to the current District of Columbia Government, State of Emergency executive order signed by Mayor Muriel Bowser on March 11, 2020 in response to the current SARS-CoV-2 (COVID-19) Coronavirus-19 Pandemic, all Proposals shall be submitted electronically, as follows:

An electronic copy of the SOQ shall be submitted electronically to the individuals listed in **Section E.2** and by the Due Date in **Section E.3** of this RFQ. The email should be titled:

“RFQ No. DCAM-21-CS-RFQ-0001Submission for Construction Projects.”

E.2 Delivery or Mailing of SOQ Submission

SOQ Submissions should be emailed to:

The District Department of General Services

1. Eric Njonjo – Eric.Njonjo@dc.gov and
2. DaShante Peterson – DaShante.Peterson@dc.gov

E.3 Date and Time for Receiving SOQ Submissions

The due date for SOQ Submissions is at **2:00 p.m. on November 4, 2021** (“SOQ Due Date”). The Offeror assumes the sole responsibility for timely delivery of its SOQ Submission.

E.4.1 Technical SOQ Submission

Offerors are advised that the SOQ should include specific information that will demonstrate the qualifications and experience required by this RFQ. Offerors shall be aware that DGS reserves the right to conduct an independent investigation of any information, including prior experience, identified in a SOQ by contacting project references, accessing public information, contacting independent parties, or any other means. DGS also reserves the right to request additional information from an Offeror during the evaluation of that Offeror's SOQ.

Offeror shall submit SOQ to include (Technical SOQ and any Exceptions to the Form of Contract). The technical SOQ Submission shall be organized, as follows:

E.4.1.1 Executive Summary

Each Offer should provide a summary of no more than three pages of the information contained in Section E.4.1.2.

E.4.1.2 General Team Information and Firm(s) Data

Identify the full legal name the prime contractor. The prime contractor is defined as the Offeror that will serve as the prime/general contractor who will execute the BOA with DGS. Each Offeror should provide the following information for the contractor and each of its subconsultants.

- A. Name(s), address(es), and role(s) of each firm (including all sub-consultants)
- B. Firm profile(s), including:
 - i. Age.
 - ii. Firm history(ies).
 - iii. Firm size(s).
 - iv. Areas of specialty/concentration.
- C. Description of the team organization and personal qualifications of key staff, including:
 - 1. Identification of the single point of contact for the Offeror.
 - 2. Organizational chart illustrating reporting lines and names and titles for key participants proposed by the Offeror.
 - 3. A list or chart of all personnel proposed for the Project. Such list or chart should include the following information for each individual:
 - i. The individual's name.
 - ii. The individual's role.
 - iii. The percentage of time that will be devoted by the individual to the Project. This should be identified for each phase of the Project.
 - iv. The individual's resume. Resumes should indicate the individual's experience on the five (5) relevant projects and identify the role of the individual in each past project noted on the resume. The resume should also clearly identify how long the individual has worked in the construction industry and should indicate the number of years of experience in his or her current role and the prior roles. Offerors should also consider the information requested in Section D.3.2 of this RFQ.
 - v. The individual's current workload over the next two years.
 - 4. A chart showing the experience that the key team members have working together.

E.4.1.3 Past Performance, Experience & References

- A. Offeror should submit a detailed description of no more than five (5) projects that best illustrate the team's experience and capabilities relevant to this RFQ. For each such project, the Offeror should provide the information requested below:
 - i. The name and location of the project.
 - ii. The square footage of the project
 - iii. A short narrative of the scope of the contractor's work on the project.
 - iv. Indicate if the project was for an occupied or vacant site.
 - v. The delivery method implemented on the project.
 - vi. The start and end dates for construction.
 - vii. Self-performed trades and Percentage of the self-performed work.
 - viii. The initial substantial completion date and initial contract value.

- ix. The actual substantial completion date and the final contract value.
- B. A list of any contract held by the Offeror where the contract was terminated (either for default or convenience). This list should also identify any contracts that resulted in litigation or arbitration between the Department and the Offeror. If the Offeror has multiple offices, only contracts held by the office submitting a SOQ Submission to this RFQ need be listed.
- C. The Offeror shall ensure that a minimum of three (3) Past Performance Evaluation forms (**Attachment A**) are completed by a former client/owner and submitted on behalf of the Offeror directly to DaShante.Peterson@dc.gov by the due date for Proposals.

E.4.1.4 Project Management Plan

The Project Management Plan should contain the information requested in **Section D.3.3** of the RFQ.

E.4.1.5 Capacity

Offerors shall submit a detailed analysis demonstrating that they have the necessary capacity to meet projects schedule. This plan must identify the necessary resources required for the completion of the Project and must include at a minimum the following:

- i. List number of years the firm has been in business
- ii. Provide copy of your firm's Dun & Bradstreet report for calendar year 2018
- iii. List your annual volume of work (in construction dollars) during the past five (5) years for the firm responsible to execute the work under this RFQ. Include listing of all project identifying project client name, project value and date completed.
- iv. Describe the percentage of your business mix between Public sector and Private sector during the past five (5) years
- v. List of the firm's present and future work in terms of active projects, including current firm workload(s) projected over the next year and other contracts including contract values.
- vi. Submit in a tabular format listing all full-time staff, their roles within the organization and years of experience indicating staff designated as Key Personnel.

E.4.1.6 Key Personnel

Key personnel shall include, generally the following individuals: (i) the key Project Manager(s) who will supervise the work, (ii) the Assistant Project Manager; and (iii) the Field Superintendents who will oversee the work in the field. Specific personnel would be specified in the RFTOP.

E.4.1.7 Bidder-Offeror Certification Form

Each Offeror shall complete and submit the Bidder-Offeror Certification Form attached hereto as **Attachment D**. An Offeror who submits an incomplete or improperly or inaccurately completed Bidder-Offeror Certification Form may be deemed non-responsive.

E.4.1.8 Tax Affidavit

Each Offeror must submit a tax affidavit substantially in the form of **Attachment B**. In order to be eligible for this procurement, Offerors must be in full compliance with their tax obligations to the District government.

E.4.2 Price Consideration after Pre-Qualification and issuance of BOA

E.4.2.1 Pricing

Pricing will not be solicited under this RFQ. Pricing, including pricing for services performed during any option periods, will be solicited in response to subsequent RFTOPs under the BOA and memorialized in the awarded Task Order Agreements.

E.4.2.2 SBE Subcontracting Plan

SBE Subcontracting Plan may apply to all projects and its requirement will be determined on a per Task Order Agreement basis.

E.4.2.3 First Source Employment Agreement

Based on the Task Order Agreement, Projects awarded under each BOA may comply with the First Source requirements and execute a First Source Agreement with the District of Columbia Department of Employment Services (“DOES”) prior to beginning work.

E.5 Contact Person

For information regarding this RFQ please contact:

DaShante Peterson
Contract Specialist
Department of General Services
1250 U Street NW, 2nd floor

Dashante.Peteron@dc.gov

Questions should be directed to DaShante Peterson at the email address listed in this **Section E.5 no later than October 22, 2021 at 2:00 PM**. The person making the request shall be responsible for prompt delivery.

E.6 Project Information Meeting

DGS will hold a Project information meeting for potential Offerors on **October 19, 2021 at 3:00 P.M.** The Project information meeting will be held via Teams [Click here to join the meeting](#). Interested Offerors are strongly encouraged to attend. *Please visit DGS’ website regularly as this date will most likely change.*

E.7 Explanations to Prospective Offerors

Each Offeror should carefully examine this RFQ and any and all amendments, addenda or other revisions, and thoroughly familiarize itself with all requirements prior to proffering a SOQ Submission. Should an Offeror find discrepancies or ambiguities in, or omissions from, the RFQ and amendments, addenda or revisions, or otherwise desire an explanation or interpretation of the RFQ, any amendments, addenda, or revisions, it must submit a request for interpretation or correction in writing. Any information given to an Offeror concerning the RFQ shall be furnished promptly to all other Offerors as an amendment or addendum to this RFQ if in the sole discretion of the Department that information is necessary in proffering SOQ Submissions or if the lack of it would be prejudicial to any other prospective Offerors. Oral explanations or instructions given before the award of the contract shall not be binding.

E.8 Protests

Protests shall be governed by D.C. Code § 2-360.08 and Section 4734 of the Department's Procurement Regulations (27 DCMR § 4734).

E.9 Contract Award

This procurement is being conducted in accordance with D.C. Code § 2-354.03 and the provisions of Title 27 DCMR §§ 4700, et seq., of the Department's Procurement Regulations. Award will be made to the responsive and responsible Offeror and the most advantageous to the Department considering technical merit and other factors.

E.10 Retention of SOQ Submissions

All SOQ Submissions shall be retained by the Department and therefore shall not be returned to the Offerors. With the exception of proprietary financial information, the SOQ Submissions shall become the property of the Department and the Department shall the right to distribute or use such information as it determines.

E.11 Examination of SOQ Submissions

Offerors are expected to examine the requirements of all instructions (including all amendments, addenda, attachments and exhibits) in this RFQ. Failure to do so shall be at the sole risk of the Offeror and may result in disqualification.

E.12 Late SOQ Submissions: Modifications

- A. Any SOQ Submission emailed after the SOQ Due Date shall not be considered.
- B. Any modification of a SOQ Submission is subject to the same conditions as in Section F.8.A stated above.

- D. Notwithstanding any other provisions of this RFQ to the contrary, a late modification of an otherwise successful SOQ Submission which makes its terms more favorable to the Department may be considered at any time it is received and may be accepted.
- E. SOQ Submissions shall be irrevocable and remain in full force and effect for a period not less than one hundred twenty (120) days after receipt of SOQ Submissions.

E.13 No Compensation for Preparation of SOQ Submissions

The Department shall not bear or assume any financial obligations or liabilities regarding the preparation of any SOQ Submissions submitted in response to this RFQ, or prepared in connection therewith, including, but without limitation, any submissions, statements, reports, data, information, materials or other documents or items.

E.14 Rejection of SOQ Submissions

The Department reserves the right, in its sole discretion:

- A. To cancel this solicitation or reject all SOQ Submissions.
- B. To reject SOQ Submissions that fail to prove the Offeror's responsibility per the determination of the CO.
- C. To reject SOQ Submissions that contain conditions and/or contingencies that in the Department's sole judgment, make the SOQ Submission indefinite, incomplete, otherwise non-responsive, or otherwise unacceptable for award.
- D. To waive minor irregularities in any SOQ Submission provided such waiver does not result in an unfair advantage to any Offeror.
- E. To take any other action within the applicable Procurement Regulations or law.
- F. To reject the SOQ Submission of any Offeror that has submitted a false or misleading statement, affidavit or certification in connection with such SOQ Submission for this RFQ.
- G. To reject SOQ Submission that indicates a lack of understanding of any aspect of the scope of work of this RFQ.
- J. To reject SOQ Submissions that are deemed non-responsive.

E.15 Limitation of Contracting Authority

Only a Contracting Officer with prior written authority from the CPO shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clauses or conditions of the BOA. Furthermore, any alteration, amendment, modification, or waiver of any clause or condition of this RFQ is not effective or binding unless made in writing and signed by the CPO or its authorized representative.

E.16 Non-Responsive SOQ Submissions

- A. **Certification.** The Department may consider a SOQ Submission non-responsive if the Offeror fails to properly complete or provides inaccurate information on the Bidder/Offeror Certification Form.
- B. **Exceptions.** If the Offeror identifies any changes or exceptions to the Standard Contract Provisions will be deemed non-responsive.

C. **Core Competency.** The Department may consider a SOQ Submission non-responsive if the Offeror, whether by inclusion or omission, fails, in the Department's sole judgment, to demonstrate an understanding and competence in every aspect of the project.

SECTION F

INSURANCE REQUIREMENTS

F.1 INSURANCE

F.1.1 The Department shall ensure that project specific Insurance Requirements are obtained from the DC Office of Risk Management (“ORM”) on a per project basis and incorporated project specific Insurance Requirement in each RFTOP and awarded Task Order Agreement.

SECTION G BONDS

G.1 Contractor's Payment and Performance Bonds

The Contractor will be required to post a payment and performance bond having a penal value equal to the Lump Sum Price or value of each awarded Task Order Agreement valued at \$100,000 or more, at the time the Task Order Agreement is executed as required by the RFTOP.

[ATTACHMENT WILL APPEAR ON THE FOLLOWING PAGE]

District of Columbia Department of General Services Standard Contract Provisions

GENERAL PROVISIONS (Construction Contract)

ARTICLE 1. DEFINITIONS

- A. "Government" as used herein means the District of Columbia Department of General Services, (DGS) that is a party to a contract.
- B. "Executive" as used herein means the elected head of the Government as set forth in [Public Law 93-198 dated December 24, 1973, Title 4, Part B, Section 422(1)] (Or relevant local law).
- C. "Contracting Officer" as used herein means the Government official authorized to execute and administrate the Contract on behalf of the Government. Within DGS, the Director is the Chief Contracting Officer. The Director may make delegations of procurement authority to additional contracting officers within DGS.
- D. "Contract Documents" or "Contract" as used herein means Addenda, Contract Form, Standard Contract Provisions, Instructions to Bidders, General Provisions, Labor Provisions, Performance and Payment Bonds, Specifications, Special Provisions, Contract Drawings, approved written Change Orders and Agreements required to acceptably complete the Contract, including authorized extensions thereof.

ARTICLE 2. SPECIFICATIONS AND DRAWINGS—The Contractor shall keep on the work site a copy of Contract drawings and specifications and shall at all times give the Contracting Officer access thereto. Anything mentioned in the specifications and not shown on the Contract drawings, or shown on the Contract drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both.

There shall be no change orders or equitable adjustments for work related to items appearing in either the Contract drawing or specifications.

All Contract requirements are equally binding. Each Contract requirement, whether or not omitted elsewhere in the Contract, is binding as though occurring in any or all parts of the Contract. In case of discrepancy:

1. The Contracting Officer shall be promptly notified in writing of any error, discrepancy or omission, apparent or otherwise.
2. Applicable Federal, State, and Municipal Code requirements have priority over: the Contract form, General Provisions, Change Orders, Addenda, Contract drawings, Special Provisions and Specifications.
3. The Contract form, Standard Contract Provisions, General Provisions and Labor Provisions have priority over: Change Orders, Addenda, Contract drawings, Special Provisions and Specifications.
4. Change Orders have priority over: Addenda, Contract drawings and Specifications.
5. Addenda have priority over: Contract drawings, Special Provisions and Specifications. A later dated Addendum has priority over earlier dated Addenda.
6. Special Provisions have priority over: Contract drawings and other specifications.

7. Shown and indicated dimensions have priority over scaled dimensions.
8. Original scale drawings and details have priority over any other different scale drawings and details.
9. Large scale drawings and details have priority over small scale drawings and details.
10. Any adjustment by the Contractor without a prior determination by the Contracting Officer shall be at his own risk and expense. The Contracting Officer will furnish from time to time such detail drawings and other information as he may consider necessary, unless otherwise provided.

ARTICLE 3. CHANGES

- A. DESIGNATED CHANGE ORDERS**—The Contracting Officer may, at any time, without notice to the sureties, by written order designated or indicated to be a change order, make any change in the work within the general scope of the Contract, including but not limited to changes
1. In the Contract drawings and specifications;
 2. In the method or manner of performance of the work;
 3. In the Government furnished facilities, equipment, materials or services; or
 4. Directing acceleration in the performance of the work.

Nothing provided in this Article shall excuse the Contractor from proceeding with the prosecution of the work so changed.

- B. OTHER CHANGE ORDERS**—Any other written order or an oral order (which term as used in this Section (B) shall include direction, instruction, interpretation, or determination) from the Contracting Officer which causes any such change, shall be treated as a Change Order under this Article, provided that the Contractor gives the Contracting Officer written notice stating the date, circumstances and sources of the order and that the Contractor regards the order as a Change Order.
- C. GENERAL REQUIREMENTS**—Except as herein provided, no order, statement or conduct of the Contracting Officer shall be treated as a change under this Article or entitle the Contractor to an equitable adjustment hereunder. If any change under this Article causes an increase or decrease in the Contractor's cost of, or the time required for, the performance of any part of the work under this Contract whether or not changed by any order, an equitable adjustment shall be made and the Contract modified in writing accordingly; provided, however, that except for claims based on defective specifications, no claim for any change under (B) above shall be allowed for any cost incurred more than 20 days before the Contractor gives written notice as therein required unless this 20 days is extended by the Contracting Officer and provided further, that in case of defective drawings and specifications, the equitable adjustment shall include any increased cost reasonably incurred by the Contractor in attempting to comply with such defective drawings and specifications.

If the Contractor intends to assert a claim for an equitable adjustment under this Article, he must, within 30 days after receipt of a written Change Order under (A) above or the furnishing of a written notice under (B) above, submit to the Contracting Officer a written statement setting forth the general nature and monetary extent of such claim, unless this period is extended by the Contracting Officer. The statement of claim hereunder may be included in the notice under (B) above.

With respect to the notification requirements hereunder, time is of the essence. A failure to provide timely notice constitutes waiver of the claim. No claim by the Contractor for an equitable adjustment hereunder shall be allowed if asserted after final payment under the Contract.

- D. CHANGE ORDER BREAKDOWN**—Contract prices shall be used for Change Order work where work is of similar nature; no other costs, overhead or profit will be allowed.

Where Contract prices are not appropriate and the nature of the change is known in advance of construction, the parties shall attempt to agree on a fully justifiable price adjustment and/or adjustment of completion time.

When Contract prices are not appropriate, or the parties fail to agree on equitable adjustment, or in processing claims, equitable adjustment for Change Order work shall be per this Article and Article 4 and shall be based upon the breakdown shown in following subsections 1. through 7. The Contractor shall assemble a complete cost breakdown that lists and substantiates each item of work and each item of cost.

1. **Labor**—Payment will be made for direct labor cost plus indirect labor cost such as insurance, taxes, fringe benefits and welfare provided such costs are considered reasonable. Indirect costs shall be itemized and verified by receipted invoices. If verification is not possible, up to 18 percent of direct labor costs may be allowed. In addition, up to 20 percent of direct plus indirect labor costs may be allowed for overhead and profit.
2. **Bond**—Payment for additional bond cost will be made per bond rate schedule submitted to the Office of Contracting and Procurement with the executed Contract.
3. **Materials**—Payment for cost of required materials will be F.O.B. destination (the job site) with an allowance for overhead and profit.
4. **Rented Equipment**—Payment for required equipment rented from an outside company that is neither an affiliate of, nor a subsidiary of, the Contractor will be based on receipted invoices which shall not exceed rates given in the current edition of the Rental Rate Blue Book for Construction Equipment published by Data Quest. If actual rental rates exceed manual rates, written justification shall be furnished to the Contracting Officer for consideration. No additional allowance will be made for overhead and profit. The Contractor shall submit written certification to the Contracting Officer that any required rented equipment is neither owned by nor rented from the Contractor or an affiliate of or subsidiary of the Contractor.
5. **Contractor's Equipment**— Payment for required equipment owned by the Contractor or an affiliate of the Contractor will be based solely on an hourly rate derived by dividing the current appropriate monthly rate by 176 hours. No payment will be made under any circumstances for repair costs, freight and transportation charges, fuel, lubricants, insurance, any other costs and expenses, or overhead and profit. Payment for such equipment made idle by delays attributable to the Government will be based on one-half the derived hourly rate under this subsection.
6. **Miscellaneous**—No additional allowance will be made for general superintendence, use of small tools and other costs for which no specific allowance is herein provided.

7. **Subcontract Work**—Payment for additional necessary subcontract work will be based on applicable procedures in 1. through 6., to which total additional subcontract work up to an additional 10 percent may be allowed for the Contractor's overhead and profit.

ARTICLE 4. EQUITABLE ADJUSTMENT OF CONTRACT TERMS

The Contractor is entitled to an equitable adjustment of the contract terms whenever the following situations develop:

A. DIFFERING SITE CONDITIONS:

1. During the progress of the work, if subsurface or latent physical conditions are encountered at the site differing materially from those indicated in the contract or if unknown physical conditions of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in the work provided for in the contract, are encountered at the site, the Contractor, upon discovering such conditions, shall promptly notify the Contracting Officer in writing of the specific differing conditions before they are disturbed and before the affected work is performed.
2. Upon written notification, the Contracting Officer will investigate the conditions, and if he/she determines that the conditions materially differ and cause an increase or decrease in the cost or time required for the performance of any work under the contract, an adjustment, excluding loss of anticipated profits, will be made and the contract modified in writing accordingly. The Contracting Officer will notify the Contractor of his/her determination whether or not an adjustment of the contract is warranted.
3. No contract adjustment which results in a benefit to the Contractor will be allowed unless the Contractor has provided the required written notice; a failure to notify the Contracting Officer of the changed conditions prior to work being disturbed by said conditions shall constitute a permanent waiver of all right to compensation related to the changed conditions by the Contractor.
4. No contract adjustment will be allowed under this clause for any effects caused on unchanged work.

B. SUSPENSION OF WORK ORDERED BY THE CONTRACTING OFFICER:

1. If the performance of all or any portion of the work is suspended or delayed by the Contracting Officer in writing for an unreasonable period of time (not originally anticipated, customary, or inherent to the construction industry) and the Contractor believes that additional compensation and/or contract time is due as a result of such suspension or delay, the Contractor shall submit to the Contracting Officer in writing a request for equitable adjustment within seven (7) calendar days of receipt of the notice to resume work. The request shall set forth the reasons and support for such adjustment.
2. Upon receipt, the Contracting Officer will evaluate the Contractor's request. If the Contracting Officer agrees that the cost and/or time required for the performance of the contract has increased as a result of such suspension and the suspension was caused by conditions beyond the control or and not the fault of the contractor, its suppliers, or subcontractors at any approved tier, and not caused by weather, the Contracting Officer will make an adjustment (excluding profit) and modify the contract in writing accordingly. The Contracting Officer will notify the Contract of his/her determination whether or not an adjustment of the contract is warranted.
3. No contract adjustment will be allowed unless the Contractor has submitted the request for adjustment within the time prescribed; a failure to submit a request for adjustment in the time

prescribed shall constitute waiver of all right to compensation related to the suspension of work by the Contractor.

4. No contract adjustment will be allowed under this clause to the extent that performance would have been suspended or delayed by any other cause, or for which an adjustment is provided for or excluded under any other term of condition of this contract.

C. SIGNIFICANT CHANGES IN THE CHARACTER OF WORK:

1. The Contracting Officer reserves the right to make, in writing, at any time during the work, such changes in quantities and such alterations in the work as are necessary to satisfactorily complete the project. Such changes in quantities and alterations shall not invalidate the contract nor release the surety, and the Contractor agrees to perform the work as altered.
2. If the alterations or changes in quantities significantly change the character of the work under the contract, whether or not changed by any such different quantities or alterations, an adjustment, excluding loss of anticipated profits, will be made to the contract. The basis for the adjustment shall be agreed upon prior to the performance of the work. If a basis cannot be agreed upon, then an adjustment will be made either for or against the Contractor in such amount as the Contracting Officer may determine to be fair and reasonable.
3. If the alterations or changes in quantities significantly change the character of the work to be performed under the contract, the altered work will be paid for as provided elsewhere in the contract.
4. The term "significant change" shall be construed to apply only to the following circumstances:
 - a. When the character of the work as altered differs materially in kind or nature from that involved or included in the original proposed construction; or
 - b. When an item of work is increased in excess of 125 percent or decreased below 75 percent of the original contract quantity. Any allowance for an increase in quantity shall apply only to that portion in excess of 125 percent of original contract item quantity, or in the case of a decrease below 75 percent, to the actual amount of work performed.

ARTICLE 5. TERMINATION

TERMINATION GENERALLY-Termination, whether for default or convenience, is not a Government claim. The Contracting Officer may terminate a contract for default, in whole or in part, if the termination is in the best interests of the Government, and the Contractor does any of the following:

- (a) Fails to deliver the goods or complete the work or services within the time specified in the contract or any modification;
- (b) Fails to make sufficient progress on contract performance so as to endanger performance of the contract within the time specified or in the manner specified in the contract;
- (c) Fails or refuses to go forward with the work in accordance with the direction of the Contracting Officer;
- (d) Expresses through word or conduct an intention not to complete the work in accordance with the directions of the Contracting Officer;
- (e) Fails to perform any of the other provisions of the contract;
- (f) Materially deviates from the representations and capabilities set forth in the Contractor's response to the solicitation.

A termination for default is a final decision of a Contracting Officer. In order to contest a termination for default, the Contractor must submit a certified request to convert the termination for default to a termination for convenience with all documents supporting such conversion and comply with all contract

provisions and laws relating to terminations for convenience, including the submission of a certified termination for convenience settlement proposal. The submission of the certified request for conversion to a termination for convenience and certified termination settlement proposal to the Contracting Officer must occur prior to 90 days from the date of the Contracting Officer's final decision.

DELAYS—If the Contractor refuses or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time specified in the Contract, or any extension thereof, or fails to complete said work within specified time, the Government may, by written notice to the Contractor, terminate his right to proceed with the work or such part of the work involving the delay. In such event the Government may take over the work and prosecute the same to completion, by contract or otherwise, and may take possession of and utilize in completing the work such materials, appliances, and plant as may have been paid for by the Government or may be on the site of the work and necessary therefore. Whether or not the Contractor's right to proceed with the work is terminated, he and his sureties shall be liable for any liability to the Government resulting from his refusal or failure to complete the work within the specified time.

If fixed and agreed liquidated damages are provided in the Contract and if the Government does not so terminate the Contractor's right to proceed, the resulting damage will consist of such liquidated damages until the work is completed and accepted.

The Contractor's right to proceed shall not be so terminated nor the Contractor charged with resulting damage if:

1. The delay in the completion the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to acts of God, acts of the public enemy, acts of the Government in either its sovereign or contractual capacity, acts of another contractor in the performance of a contract with the Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, climatic conditions beyond the normal which could be anticipated, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of both the Contractor and such subcontractors or suppliers (the term subcontractors or suppliers shall mean subcontractors or suppliers at any tier); and
2. The Contractor, within 72 hours from the beginning of any such delay, (unless the Contracting Officer grants a further period of time before the date of final payment under the Contract) notifies the Contracting Officer in writing of the causes of delay.

The Contracting Officer shall ascertain the facts and the extent of the delay and extend the time far completing the work when, in his judgment, the findings of fact justify such an extension, and his findings of fact shall be final and conclusive on the parties, subject only to appeal as provided in Article 7 herein.

If, after notice of termination of the Contractor's right to proceed under the provisions of this Article, it is determined for any reason that the Contractor was not in default under the provisions of this Article, or that the delay was excusable under the provisions of this Article, the rights and obligations of the parties shall be in accordance with Article 6 herein. Failure to agree to any such adjustment shall be a dispute concerning a question of fact within the meaning of Article 7 herein.

The rights and remedies of the Government provided in this Article are in addition to any other rights and remedies provided by law or under the Contract.

The Government may, by written notice, terminate the Contract or a portion thereof as a result of an Executive Order of the President of the United States with respect to the prosecution of war or in the interest of national defense. When the Contract is so terminated, no claim for loss of anticipated profits will be permitted.

ARTICLE 6. TERMINATION FOR CONVENIENCE OF THE GOVERNMENT

- A.** The performance of work under the Contract may be terminated by the Government in accordance with this Article in whole, or in part, whenever the Contracting Officer shall determine that such termination is in the best interest of the Government. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance of work under the Contract is terminated, and the date upon which such termination becomes effective.
- B.** After receipt of a Notice of Termination, and except as otherwise directed by the Contracting Officer, the Contractor shall:
1. Stop work under the Contract on the date and to the extent specified in the Notice of Termination.
 2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the Contract as is not terminated.
 3. Terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination.
 4. Assign to the Government, in the manner, at the times, and to the extent directed by the Contracting Officer, all of the right, title and interest of the Contractor under the orders and subcontracts so terminated, in which case the Government shall have the right, in its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
 5. Settle all outstanding liabilities and all claims arising out of such termination of orders or subcontracts, with the approval or ratification of the Contracting Officer to the extent he may require, which approval or ratification shall be final for all purposes of this Article.
 6. Transfer title to the Government and deliver in the manner, at the times, and to the extent, if any, directed by the Contracting Officer
 - a. The fabricated or unfabricated parts, work in progress, completed work, supplies, and other material procured as a part of, or acquired in connection with, the performance of the work terminated by the Notice of Termination, and
 - b. The completed, or partially completed plans, drawings information and other property which, if the Contract had been completed, would have been required to be furnished to the Government.
 7. Use his best efforts to sell, in the manner, at the terms, to the extent, and at the price or prices directed or authorized by the Contracting Officer, any property of the types referred to in 6 above provided, however, that the Contractor:
 - a. Shall not be required to extend credit to any purchaser, and
 - b. May acquire any property under the conditions prescribed and at a price or prices approved by the Contracting Officer, and
 - c. Provided further, that the proceeds of any such transfer or disposition shall be applied in reduction of any payments to be made by the Government to the Contractor under the Contract or shall otherwise be credited to the price or cost of the work covered by the Contract or paid in such other manner as the Contracting Officer may direct.

8. Complete performance of such part of the work as shall not have been terminated by the Notice of Termination.
9. Take such action as may be necessary, or as the Contracting Officer may direct, for the protection and preservation of the property related to the Contract which is in the possession of the Contractor and in which the Government has or may acquire an interest.
10. The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the cost, or any item of reimbursable cost, under this Article.
11. "Plant clearance period" means, for each particular property classification (such as raw materials, purchased parts and work in progress) at any one plant or location, a period beginning with the effective date of the termination for convenience and ending 90 days after receipt by the Contracting Officer of acceptable inventory schedules covering all items of that particular property classification in the termination inventory at that plant or location, or ending on such later date as may be agreed to by the Contracting Officer and the Contractor. Final phase of a plant clearance period means that part of a plant clearance period which occurs after the receipt of acceptable inventory schedules covering all items of the particular property classification at the plant or location.

At any time after expiration of the plant clearance period, as defined above, the Contractor may submit to the Contracting Officer a list, certified as to quantity and quality, of any or all items of termination inventory not previously disposed of, exclusive of items the disposition of which has been directed or authorized by the Contracting Officer, and may request the Government to remove such items or enter into a storage agreement covering them. Not later than 15 days thereafter, the Government will accept title to such items and remove them or enter into a storage agreement covering the same; provided, that the list submitted shall be subject to verification by the Contracting Officer upon removal of the items or, if the items are stored, within 45 days from the date of submission of the list, and any necessary adjustments to correct the list as submitted, shall be made prior to final settlement.

- C. After receipt of a Notice of Termination, the Contractor shall submit to the Contracting Officer his termination claim, in the form with the certification prescribed by the Contracting Officer. Such claim shall be submitted promptly but in no event later than 90 days from the effective date of termination, unless one or more extensions in writing are granted by the Contracting Officer upon request of the Contractor made in writing within such 90 day period or authorized extension thereof. In the event the Contractor was terminated for default and it asserts that it is entitled to a termination for convenience, its certified request for the conversion of the default termination to one for convenience and its certified termination settlement proposal must be submitted to the Contracting Officer prior to the expiration of 90 days from the date of the default termination. With respect to a termination for convenience, if the Contracting Officer determines that the facts justify such action, he may receive and act upon any such termination claim at any time after such 90 day period or extension thereof. Nothing herein shall be construed to extend the time for the submission of a claim hereunder for a defaulted Contractor beyond 90 days from the date of the default termination. Upon failure of the Contractor to submit his termination claim within the time allowed, the Contracting Officer may, subject to any review required by the Government's procedures in effect as of the date of execution of the Contract, determine, on the basis of information available to him, the amount, if any, due to the Contractor by reason of the termination and shall thereupon pay to the Contractor the amount so determined.
- D. Subject to the provisions of C above, and subject to any review required by the Government's procedures in effect as of the date of execution of the Contract, the Contractor and Contracting

Officer may agree upon the whole or any part of the amount or amounts to be paid to the Contractor by reason of the total or partial termination of work pursuant to this Article, which amount or amounts may include a reasonable allowance for profit on work done; provided, that such agreed amount or amounts, exclusive of settlement costs, shall not exceed the total Contract price as reduced by the amount of payments otherwise made and as further reduced by the Contract price of work not terminated. The Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount. Nothing in E below prescribing the amount to be paid to the Contractor in the event of failure of the Contractor and the Contracting Officer to agree upon the whole amount to be paid to the Contractor by reason of the termination of work pursuant to this Article, shall be deemed to limit, restrict or otherwise determine or effect the amount or amounts which may be agreed upon to be paid to the Contractor pursuant to this paragraph.

- E.** In the event of the failure of the Contractor and the Contracting Officer to agree as provided in D above upon the whole amount to be paid to the Contractor by reason of the termination of work pursuant to this Article, the Contracting Officer shall, subject to any review required by the Government's procedures in effect as of the date of execution of the Contract, determine, on the basis of information available to him, the amount, if any, due the Contractor by reason of the termination and shall pay to the Contractor the amounts determined by the Contracting Officer, as follows, but without duplication of any amounts agreed upon in accordance with D above:
1. With respect to all Contract work performed prior to the effective date of the Notice of Termination, the total (without duplication of any items) of:
 - a. The cost of such work;
 - b. The cost of settling and paying claims arising out of the termination of work under subcontracts or orders as provided in B 5. above, exclusive of the amounts paid or payable on account of supplies or materials delivered or services furnished by the subcontractor prior to the effective date of the Notice of Termination of work under the Contract, which amounts shall be included in the cost on account of which payment is made under E1.a. above; and
 - c. A sum, as profit on E.1.a. above, determined by the Contracting Officer to be fair and reasonable; provided however, that if it appears that the Contractor would have sustained a loss on the entire Contract had it been completed, no profit shall be included or allowed under this subparagraph and an appropriate adjustment shall be made reducing the amount of the settlement to reflect the indicated rate of loss; and provided further that profit shall be allowed only on preparations made and work done by the Contractor for the terminated portion of the Contract but may not be allowed on the Contractor's settlement expenses. Anticipatory profits and consequential damages will not be allowed. Any reasonable method may be used to arrive at a fair profit, separately or as part of the whole settlement.
 2. The reasonable cost of the preservation and protection of property incurred pursuant to B.9; and any other reasonable cost incidental to termination of work under the Contract including expense incidental to the determination of the amount due to the Contractor as the result of the termination of work under the Contract.
- F.** The total sum to be paid to me Contractor under E.1. above shall not exceed the total Contract price as reduced by the amount of payments otherwise made and as further

reduced by the Contract price of work not terminated. Except for normal spoilage, and except to the extent that the Government shall have otherwise expressly assumed the risk of loss, there shall be excluded from the amounts payable to the Contractor under E.1. above, the fair value, as determined by the Contracting Officer, of property which is destroyed, lost, stolen or damaged so as to become undeliverable to the Government, or to a buyer pursuant to B.7 above.

- G.** The Contractor shall have the right of appeal, under Article 7 herein, from any determination made by the Contracting Officer under C. or E. above, except that, if the Contractor has failed to submit his claim within the time provided in C above and has failed to request extension of such time, he shall have no such right of appeal. In any case where the Contracting Officer has made a determination of the amount due under C. or E. above, the Government shall pay to the Contractor the following:
1. If there is no right of appeal hereunder or if no timely appeal has been taken, the amount so determined by the Contracting Officer, or
 2. If an appeal had been taken, the amount finally determined on such appeal.
- H.** In arriving at the amount due the Contractor under this Article there shall be deducted:
1. all unliquidated advance or other payments on account theretofore made to the Contractor, applicable to the terminated portion of the Contract;
 2. any claim which the Government may have against the Contractor in connection with the Contract; and
 3. the agreed price for, or the proceeds of sale of, any materials, supplies or other things kept by the Contractor or sold, pursuant to the provisions of this Article and not otherwise recovered by or credited to the Government.
- I.** If the termination hereunder be partial, prior to the settlement of the terminated portion of the Contract, the Contractor may file with the Contracting Officer a request in writing for an equitable adjustment of the price or prices specified in the Contract relating to the continued portion of the Contract (the portion not terminated by the Notice of Termination), and such equitable adjustment as may be agreed upon shall be made at such price or prices; however, nothing contained herein shall limit the right of the Government and the Contractor to agree upon the amount or amounts to be paid to the Contractor for the completion of the continued portion of the Contract when said Contract does not contain an established Contract price for such continued portion.
- J.** The Government may from time to time, under such terms and conditions as it may prescribe, make partial payments against costs incurred by the Contractor in connection with the terminated portion of the Contract whenever in the opinion of the Contracting Officer the aggregate of such payments shall be within the amount to which the Contractor will be entitled hereunder. If the total of such payments is in excess of the amount finally agreed or determined to be due under this Article, such excess shall be payable by the Contractor to the Government upon demand, together with interest computed at the rate of 6 percent per annum for the period from the date such excess is received by the Contractor to the date on which such excess is repaid to the Government; provided however, that no interest shall be charged with respect to any such excess payment attributable to a reduction in the Contractor's claim by reason of retention or other disposition of termination inventory until ten days after the date of such retention or disposition, or such later date as determined by the Contracting Officer by reason of the circumstances.

- K. Unless otherwise provided in the Contract or by applicable statute, the Contractor, from the effective date of termination and for a period of three years after final settlement under the Contract, shall preserve and make available to the Government at all reasonable times at the office of the Contractor, but without direct charge to the Government, all his books, records, documents and other evidence bearing on the costs and expenses of the Contractor under the Contract and relating to the work terminated hereunder, or, to the extent approved by the Contracting Officer, photographs and other authentic reproductions thereof.

ARTICLE 7. DISPUTES

A. All disputes arising under or relating to this contract shall be resolved as provided herein.

B. Claims by a Contractor against the Government.

(1) Claim, as used in Section B of this clause, means a written assertion by the Contractor seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

(a) All claims by a Contractor against the Government arising under or relating to a contract shall be in writing and shall be submitted to the Contracting Officer for a decision.

(b) Within 120 days after receipt of a claim, the Contracting Officer shall issue a decision, whenever possible taking into account factors such as the size and complexity of the claim and the adequacy of the information in support of the claim provided by the Contractor.

(c) Any failure by the Contracting Officer to issue a decision on a contract claim within the required time period shall be deemed to be a denial of the claim and shall authorize the commencement of an appeal on the claim as otherwise provided.

(d) (1) If a Contractor is unable to support any part of his or her claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the Government for an amount equal to the unsupported part of the claim in addition to all costs to the Government attributable to the cost of reviewing that part of the Contractor's claim.

(2) Liability under this section shall be determined within 6 years of the commission of the misrepresentation of fact or fraud.

(e) All cost data, pricing data, and task data of claims hereunder must be certified as accurate, complete, required, and necessary to the best of the Contractor's knowledge and belief. Further, all task or work data in the claim must be described therein to the smallest unit of work or task. The Contracting Officer may require any additional certifications, descriptions or explanations of the claim.

(f) The parties agree that time is of the essence and all claims hereunder must be presented to the Contracting Officer for a final decision within thirty (30) days of the occurrence of the circumstances giving rise to such claim or within thirty (30) days of when the Contractor knew or should have known of the circumstances giving rise to such claim, otherwise compensation for that claim is waived.

(g) The parties agree that there shall be no claims for unabsorbed home office overhead.

(2) The Contractor's claim shall contain at least the following:

(a) A description of the claim and the amount in dispute;

(b) Any data or other information in support of the claim;

(c) A brief description of the Contractor's efforts to resolve the dispute prior to filing the claim; and

(d) The Contractor's request for relief or other action by the Contracting Officer.

(e) The certification of the accuracy, completeness, requirement, and necessity of all aspects of the claim.

(3) The decision of the Contracting Officer shall be final and not subject to review unless an administrative appeal or action for judicial review is timely commenced by the Contractor.

(4) Pending final decision of an appeal, action, or final settlement, a Contractor shall proceed diligently with performance of the contract in accordance with the decision of the Contracting Officer.

C. Claims by the Government against a Contractor

(a) Claim as used in Section C of this clause, means a written demand or written assertion by the Government, including the Contracting Officer, seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to this contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant. Nothing herein shall be construed to require the Government to notify the Contractor prior to the issuance of the Contracting Officer's final decision.

(b) (1) All claims by the Government against a Contractor arising under or relating to a contract shall be decided by the Contracting Officer, who shall issue a decision in writing and furnish a copy of the decision to the Contractor.

(2) The decision shall be supported by reasons and shall inform the Contractor of his or her rights. Specific findings of fact shall not be required.

(3) This clause shall not authorize the Contracting Officer to settle, compromise, pay, or otherwise adjust any claim involving fraud.

(4) The decision of the Contracting Officer shall be final and not subject to review unless an administrative appeal or action for judicial review is timely commenced by the Contractor.

(5) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the Contracting Officer.

ARTICLE 8. PAYMENTS TO CONTRACTOR—The Government will pay the contract price or prices as hereinafter provided in accordance with Government regulations.

The Government will make progress payments monthly as the work proceeds, or at more frequent intervals as determined by the Contracting Officer, on estimates approved by the Contracting Officer. The Contractor shall furnish a breakdown of the total Contract price showing the amount included therein for each principal category of the work, in such detail as requested, to provide a basis for determining progress payments. In the preparation of estimates the Contracting Officer, at his discretion, may authorize material delivered on the site and preparatory work done to be taken into consideration. Material delivered to the Contractor at locations other than the site may also be taken into consideration:

1. If such consideration is specifically authorized by the Contract;
2. If the Contractor furnishes satisfactory evidence that he has acquired title to such material, that it meets Contract requirements and that it will be utilized on the work covered by the Contract; and
3. If the Contractor furnishes to the Contracting Officer an itemized list.

The Contracting Officer at his/her discretion shall cause to be withheld retention in an amount sufficient to protect the interest of the Government. The amount shall not exceed ten percent (10%) of the partial payment. However, if the Contracting Officer, at any time after 50 percent of the work has been completed, finds that satisfactory progress is being made, he may authorize any of the remaining progress payments to be made in full or may retain from such remaining partial payments less than 10 percent thereof. Also, whenever work is substantially complete, the Contracting Officer, if he considers the amount retained to be in excess of the amount adequate for the protection of the Government, at his discretion, may release to the Contractor all or a portion of such excess amount. Furthermore, on completion and acceptance of each separate building, public work, or other division of the Contract, on which the price is stated separately in the Contract, payment may be made therefore without retention of a percentage, less authorized deductions.

All material and work covered by progress payments made shall thereupon become the sole property of the Government, but this provision shall not be construed as relieving the Contractor from the sole responsibility for all material and work upon which payments have been made or the restoration of any damaged work, or as waiving the right of the Government to require the fulfillment of all of the terms of the Contract.

Upon completion and acceptance of all work, the amount due the Contractor under the Contract shall be paid upon presentation at a properly executed voucher and after the Contractor shall have furnished the Government with a release, if required, of all claims against the Government arising by virtue of the Contract, other than claims in stated amounts as may be specifically excepted by the Contractor from the operation of the release.

ARTICLE 9. TRANSFER OR ASSIGNMENT—Unless otherwise provided by law, neither the Contract nor any interest therein may be transferred or assigned by the Contractor to any other party without the written consent of the Contracting Officer nor without the written acceptance by the surety on the performance and payment bond securing the Contract of the assignee as the Contractor and the principal on such bond; and any attempted transfer or assignment not authorized by this Article shall constitute a breach of the Contract and the Government may for such cause terminate the right of the Contractor to proceed in the same manner as provided in Article 5 herein, and the Contractor and his sureties shall be liable to the Government for any excess cost occasioned the Government thereby.

ARTICLE 10. MATERIAL AND WORKMANSHIP

- A. GENERAL**—Unless otherwise specifically provided in the Contract, all equipment, material and articles incorporated in the work covered by the Contract shall be new and of the most suitable grade for the purpose intended. Unless otherwise specifically provided in the Contract, reference to any equipment, material, article or patented process, by trade name, make or catalog number, shall be regarded as establishing a standard of quality and shall not be construed as limiting competition., and the Contractor may use any equipment, material, article or process which, in the judgment of the Contracting Officer, is equivalent to that named unless otherwise specified. The Contractor shall furnish to the Contracting Officer for his approval the name of the manufacturer, the model number, and other identifying data and information respecting the performance, capacity, nature and rating of the mechanical and other equipment which the Contractor contemplates incorporating in the work. Machinery and equipment shall be in proper condition. When required by the Contract or when called for by the Contracting Officer, the Contractor shall furnish to the Contracting Officer for approval full information concerning the material or articles which he contemplates incorporating in the work. When so directed, samples shall be submitted for approval at the Contractor's expense, with all shipping charges prepaid. Machinery, equipment, material, and articles installed or used without required approval shall be at the risk of subsequent rejection and subject to satisfactory replacement at Contractor's expense.
- B. SURPLUS MATERIALS USE**—Whenever specified in the Contract or authorized by the Contracting Officer that materials become the property of the Contractor, which by reference or otherwise shall include disposal of materials, it is understood that the Contractor accepts such materials "as is" with no further expense or liability to the Government. If such material specified in the Contract will have a potential or real interest of value, the Contractor shall make allowance in the Contract to show such value.
- C. GOVERNMENT MATERIAL**—No materials furnished by the Government shall be applied to any other use, public or private, than that for which they are issued to the Contractor. The full amount of the cost to the Government of all materials furnished by the Government to the Contractor and for which no charge is made, which are not accounted for by the Contractor to the satisfaction of the Contracting Officer, will be charged against the Contractor and his sureties and may be deducted from any monies due the Contractor, and this charge shall be in addition to and not in lieu of any other liabilities of the Contractor whether civil or criminal. Materials furnished by the Government for which a charge is made at a rate mentioned in the specifications will be delivered to the Contractor upon proper requisitions therefore and will be charged to his account.
- D. Plant** —The Contractor shall at all times employ sufficient tools and equipment for prosecuting the various classes of work to full completion in the manner and time required. The Contractor shall at all times perform work in sufficient light and shall provide proper illumination, including

lighting required for night work as directed, as a Contract requirement. All equipment, tools, formwork and staging used on the project shall be of sufficient size and in proper mechanical and safe condition to meet work requirements, to produce satisfactory work quality and to prevent injury to persons, the project or adjacent property. When methods and equipment are not prescribed in the Contract, the Contractor is free to use tools, methods and equipment that he satisfactorily demonstrates will accomplish the work in conformity with Contract requirements.

If the Contractor desires to use a method or type of tool or equipment other than specified in the Contract, he shall request approval to do so; the request shall be in writing and shall include a full description of proposed methods, tools and equipment and reason for the change or substitution. Approval of substitutions and changed methods will be on condition that the Contractor will be fully responsible for producing work meeting Contract requirements. If after trial use of the substituted methods, tools and equipment, the Contracting Officer determines that work produced does not meet Contract requirements, the Contractor shall complete remaining work with specified methods, tools and equipment.

- E. CAPABILITY OF WORKERS-** All work under the Contract shall be performed in a skillful and workmanlike manner. The Contracting Officer may require the Contractor to remove from the work any such employees as the Contracting Officer deems incompetent, careless, insubordinate, or otherwise objectionable, or whose continued employment on the work is deemed by the Contracting Officer to be contrary to the public interest. Such request will be in writing:
- F. CONFORMITY OF WORK AND MATERIALS**—All work performed and materials and products furnished shall be in conformity, within indicated tolerances, with lines, grades, cross sections, details, dimensions, material and construction requirements shown or intended by the drawings and specifications.

When materials, products or work cannot be corrected, written notice of rejection will be issued. Rejected materials, products and work shall be eliminated from the project and acceptably replaced at Contractor's expense. The Contracting Officer's failure to reject any portion of the project shall not constitute implied acceptance nor in any way release the Contractor from Contract requirements.

- G. UNAUTHORIZED WORK AND MATERIALS**—Work performed or materials ordered or furnished for the project deviating from requirements and specifications without written authority, will be considered unauthorized and at Contractor's expense. The Government is not obligated to pay for unauthorized work. Unauthorized work and materials may be ordered removed and replaced at Contractor's expense.

ARTICLE 11. INSPECTION AND ACCEPTANCE—Except as otherwise provided in the Contract, inspection and test by the Government of material and workmanship required by the Contract shall be made at reasonable times and at the site of the work, unless the Contracting Officer determines that such inspection or test of material which is to be incorporated in the work shall be made at the place of production, manufacture or shipment of such material. To the extent specified by the Contracting Officer at the time of determining to make off-site inspection or test, such inspection or test shall be conclusive as to whether the material involved conforms to Contract requirements. Such off-site inspection or test shall not relieve the Contractor of responsibility for damage to or loss of the material prior to acceptance, nor in any way affect the continuing rights of the Government after acceptance of the completed work under the terms of the last paragraph of this Article, except as herein above provided.

The Contractor shall, without charge, replace any material and correct any workmanship found by the Government not to conform to Contract requirements and specifications, unless in the public interest the Government consents to accept such material or workmanship with an appropriate adjustment in Contract price. The Contractor shall promptly segregate and remove rejected material from the premises at Contractor's expense.

If the Contractor does not promptly replace rejected material or correct rejected workmanship, the Government:

1. May, by contract or otherwise, replace such material and correct such workmanship and charge the cost thereof to the Contractor, or
2. May terminate the Contractor's right to proceed in accordance with Article 5 herein.

The Contractor shall furnish promptly, without additional cost to the Government, all facilities, labor and material reasonably needed for performing such safe and convenient inspection and test as may be required by the Contracting Officer. All inspections and tests by the Government shall be performed in such manner as not unnecessarily to delay the work. Special, full size, and performance tests shall be performed as described in the Contract. The Contractor shall be charged with any additional cost of inspection when material and workmanship are not ready for inspection at the time specified by the Contractor.

Should it be considered necessary or advisable by the Contracting Officer at any time before acceptance of the work, either in part or in its entirety, to make an examination of work completed, by removing or tearing out same, the Contractor shall, on request, promptly furnish all necessary facilities, labor and material to do same. If such work is found to be defective or nonconforming in any material respect, due to the fault of the Contractor or his subcontractors, he shall defray all the expenses of such examination and of satisfactory reconstruction. If, however, such work is found to meet the requirements of the Contract, an equitable adjustment shall be made in the Contract price to compensate the Contractor for the additional services involved in such examination and reconstruction and, if completion of the work has been delayed thereby, he shall, in addition, be granted an equitable extension of time.

Unless otherwise provided in the Contract, acceptance by the Government will be made as promptly as practicable after completion and inspection of all work required by the Contract. Acceptance shall be final and conclusive except as regards to latent defects, fraud, or such gross mistakes as may amount to fraud, or as regards the Government's rights under any warranty or guaranty, or as otherwise provided herein.

ARTICLE 12. SUPERINTENDENCE BY CONTRACTOR—The Contractor shall give his personal superintendence to the performance of the work or have a competent foreman or superintendent, satisfactory to the Contracting Officer, on the work site at all times during progress, with authority to act for him.

ARTICLE 13. PERMITS AND RESPONSIBILITIES—The Contractor shall, without expense to the Government, be responsible for obtaining any necessary licenses, certificates and permits, and for complying with any applicable Federal, State, and Municipal laws, codes and regulations, in connection with the prosecution of the work. He shall be similarly responsible for all damages to persons or property that occurs as a result of his fault or negligence. He shall take proper safety, health and environmental precautions to protect the work, the workers, the public, and the property of others. He shall also be responsible for all materials delivered and work performed until completion and acceptance of the entire construction work, except for any completed unit of construction thereof which theretofore may have been accepted.

ARTICLE 14. INDEMNIFICATION—

- A. The Contractor shall indemnify and save harmless the Government and all of its officers, agents and servants against any and all claims or liability arising from or based on, or as a consequence or result of, any act, omission or default of the Contractor, his employees, or his subcontractors, in the performance of, or in connection with, any work required, contemplated or performed under the Contract.

- B. Disputes between the Contractor and any subcontractors, material suppliers, or any other third parties over payments allegedly owed by the Contractor to a third party shall be resolved exclusively between the Contractor and the third party; the Contractor shall permit no pass-through suits to be brought against the Government by a third party in the Contractor's name. However, nothing herein shall be construed to prevent the Contractor from paying a subcontractor's claim and seeking a timely equitable adjustment hereunder.

ARTICLE 15. PROTECTION AGAINST TRESPASS—Except as otherwise expressly provided in the Contract, the Contractor is authorized to refuse admission either to the premises or to the working space covered by the Contract to any person whose admission is not specifically authorized in writing by the Contracting Officer.

ARTICLE 16. CONDITIONS AFFECTING THE WORK

- A. **GENERAL**—The Contractor shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the work, and the general and local conditions which can affect the work and the cost thereof. Any failure by the Contractor to do so will not relieve him from responsibility for successfully performing the work as specified without additional expense to the Government. The Government assumes no responsibility for any understanding or representation concerning conditions made by any of its officers or agents prior to the execution of the Contract, unless such understanding or representation by the Government is expressly stated in the Contract.
- B. **WORK AND STORAGE SPACE**—Available work and storage space designated by the Government shall be developed as required by the Contract or restored at completion of the project by the Contractor to a condition equivalent to that existing prior to construction. No payment will be made for furnishing or restoration of any work and storage space. If no area is designated or the area designated is not sufficient for the Contractor's operations, he shall obtain necessary space elsewhere at no expense or liability to the Government.
- C. **WORK ON SUNDAYS, LEGAL HOLIDAYS AND AT NIGHT**—No work shall be done at any time on Sundays or legal holidays or on any other day before 7 a.m. or after 7 p.m., except with the written permission of the Contracting Officer and pursuant to the requirements of the Police Requirements of the Government.
- D. **EXISTING FEATURES**—Subsurface and topographic information including borings data, utilities data and other physical data contained in the Contract or otherwise available, are not intended as representations or warranties but are furnished as available information. The Government assumes no expense or liability for the accuracy of, or interpretations made from, existing features. The Contractor shall be responsible for reasonable consideration of existing features above and below ground which may affect the project.
- E. **UTILITIES AND VAULTS**—The Contractor shall take necessary measures to prevent interruption of service or damage to existing utilities within or adjacent to the project. It shall be the Contractor's responsibility to determine exact locations of all utilities in the field.

For any underground utility or vault encountered, the Contractor shall immediately notify the Contracting Officer and take necessary measures to protect the utility or vault and maintain the service until relocation by owner is accomplished. No additional payment will be made for the encountering of these obstructions.

In case of damage to utilities by the Contractor, either above or below ground, the Contractor shall restore such utilities to a condition equivalent to that which existed prior to the damage by repairing, rebuilding or otherwise restoring as may be directed, at the Contractor's sole expense.

Damaged utilities shall be repaired by the Contractor or, when directed by the Contracting Officer, the utility owner will make needed repairs at the Contractor's expense.

No compensation, other than authorized time extensions, will be allowed the Contractor for protective measures, work interruptions, changes in construction sequence, changes in methods of handling excavation and drainage or changes in types of equipment used, made necessary by existing utilities, imprecise utility or vault information or by others performing work within or adjacent to the project.

- F. SITE MAINTENANCE**—The Contractor shall maintain the project site in a neat and presentable manner throughout the course of all operations, and shall be responsible for such maintenance until final acceptance by the Government. Trash containers shall be furnished, maintained and emptied by the Contractor to the satisfaction of the Contracting Officer. Excavated earthwork, stripped forms and all other materials and debris not scheduled for reuse in the project shall be promptly removed from the site.

The Contracting Officer may order the Contractor to clean up the project site at any stage of work at no added expense to the Government. If the Contractor fails to comply with this order, the Contracting Officer may require the work to be done by others and the costs will be charged to the Contractor.

Upon completion of all work and prior to final inspection, the Contractor shall clean up and remove from the project area and adjacent areas all excess materials, equipment, temporary structures, and refuse, and restore said areas to an acceptable condition.

- G. PRIVATE WORK**—Except as specifically authorized by the Contracting Officer, the Contractor shall not perform any private work abutting Government projects with any labor, materials, tools, equipment, supplies or supervision scheduled for the Contract until all work under the Contract has been completed. Contract materials used for any unauthorized purpose shall be subtracted from Contract amount.
- H. GOVERNMENT NOISE CONTROL ACT OF 1977**—The contractor shall be in strict compliance with [D.C. Law 2-53, Government of Columbia Noise Control Act of 1977 and all provisions thereof. Effective March 16, 1978. 24 D.C.Register 5293.] (Or relevant local law)

ARTICLE 17. OTHER CONTRACTS—The Government may undertake or award other contracts for additional work and the Contractor shall fully cooperate with such other contractors and Government employees and carefully coordinate his own work with such additional work as may be directed by the Contracting Officer. It is the duty of the Contractor to coordinate its activities with all third parties, including, but not limited to utilities, who may affect the Contract work hereunder. The Contractor shall not commit or permit any act which will interfere with the performance of work by any other contractor or by Government employees. The Government assumes no liability, other than authorized time extensions, for Contract delays and damages resulting from delays and lack of progress by others. The Contractor shall make no claim against the Government for delay or damages resulting from the actions of third parties, including, but limited to utilities.

ARTICLE 18. PATENT INDEMNITY—Except as otherwise provided, the Contractor agrees to indemnify the Government and its officers, agents, and employees against liability, including costs and expenses, for infringement upon any Letters Patent of the United States (except Letters Patent issued upon an application which is now or may hereafter be, for reasons of national security, ordered by the Federal Government to be kept classified or otherwise withheld from issue) arising out of the performance of the Contract or out of the use or disposal, by or for the account of the Government, of supplies furnished or construction work performed hereunder.

ARTICLE 19. ADDITIONAL BOND SECURITY—If any surety upon any bond furnished in connection with the Contract becomes unacceptable to the Government, or if any such surety fails to furnish reports

as to his financial condition from time to time as requested by the Government, the Contractor shall promptly furnish such additional security as may be required from time to time to protect the interests of the Government and of persons supplying labor or materials in the prosecution of the work contemplated by the Contract. Provided that upon the failure of the Contractor to furnish such additional security within ten (10) days after written notice so to do, all payments under the Contract will be withheld until such additional security is furnished.

ARTICLE 20. COVENANT AGAINST CONTINGENT FEES—The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the Government shall have the right to terminate the Contract without liability or in its discretion to deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

ARTICLE 21. APPOINTMENT OF ATTORNEY—The Contractor does hereby irrevocably designate and appoint the Clerk of the Superior Court of the Government and his successors in office as the true and lawful attorney of the Contractor for the purpose of receiving service of all notices and processes issued by any court in the Government, as well as service of all pleadings and other papers, in relation to any action or legal proceeding arising out of or pertaining to the Contract or the work required or performed hereunder.

The Contractor expressly agrees that the validity of any service upon the said Clerk as herein authorized shall not be affected either by the fact that the Contractor was personally within the District of Columbia and otherwise subject to personal service at the time of such service upon the said Clerk or by the fact that the Contractor failed to receive a copy of such process, notice, pleading or other paper so served upon the said Clerk, provided that said Clerk shall have deposited in the United States mail, certified and postage prepaid, a copy of such process, notice, pleading or other papers addressed to the Contractor at the address stated in the Contract.

ARTICLE 22. GOVERNMENT EMPLOYEES NOT TO BENEFIT — Unless a determination is made as provided herein, no officer or employee of the Government will be admitted to any share or part of this contract or to any benefit that may arise therefrom, and any contract made by the Contracting Officer or any Government employee authorized to execute contracts in which they or an employee of the Government will be personally interested shall be void, and no payment shall be made thereon by the Government or any officer thereof, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit. A Government employee shall not be a party to a contract with the Government and will not knowingly cause or allow a business concern or other organization owned or substantially owned or controlled by the employee to be a party to such a contract, unless a written determination has been made by the head of the procuring agency that there is a compelling reason for contracting with the employee, such as when the Government's needs cannot reasonably otherwise be met. [DC Procurement Practices Act of 1985, D.C. Law 6-85, D.C. Official Code, section 2-310.01, and Chapter 18 of the DC Personnel Regulations] (Or relevant local law). The Contractor represents and covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services hereunder. The Contractor further covenants not to employ any person having such known interests in the performance of the contract.

ARTICLE 23. WAIVER—No Governmental waiver of any breach of any provision of the Contract shall operate as a waiver of such provision or of the Contract or as a waiver of subsequent or other breaches of the same or any other provision of the Contract; nor shall any action or non-action by the Contracting Officer or by the Government be construed as a waiver of any provision of the Contract or of any breach thereof unless the same has been expressly declared or recognized as a waiver by the Contracting Officer or the Government in writing.

ARTICLE 24. BUY AMERICAN

- A. AGREEMENT**—In accordance with the Buy American Act (41 USC 10a-10d), and Executive Order 10582, December 17, 1954 (3 CFR, 1954-58 Comp., p. 230), as amended by Executive Order 11051, September 27, 1962 (3 CFR, 1059—63 Comp., p. 635), the Contractor agrees that only domestic construction material will be used by the Contractor, subcontractors, material men and suppliers in the performance of the Contract, except for non-domestic material listed in the Contract.
- B. DOMESTIC CONSTRUCTION MATERIAL**—“Construction material” means any article, material or supply brought to the construction site for incorporation in the building or work. An unmanufactured construction material is a “domestic construction material” if it has been mined or produced in the United States. A manufactured construction material is a “domestic construction material” if it has been manufactured in the United States and if the cost of its components which have been mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. “Component” means any article, material, or supply directly incorporated in a construction material. -
- C. DOMESTIC COMPONENT**—A component shall be considered to have been “mined, produced, or manufactured in the United States” regardless of its source, in fact, if the article, material or supply in which it is incorporated was manufactured in the United States and the component is of a class or kind determined by the Government to be not mined, produced or manufactured in the United States in sufficient and reasonably available commercial quantities and of a satisfactory quality.
- D. FOREIGN MATERIAL** – When steel materials are used in a project a minimal use of foreign steel is permitted. The cost of such materials cannot exceed one-tenth of one percent of the total project cost, or \$2,500,000, whichever is greater.

ARTICLE 25. TAXES

- A. FEDERAL EXCISE**—Materials, supplies and equipment are not subject to the Federal Manufacturer’s Excise Tax, if they are furnished or used in connection with the Contract provided that title to such materials, supplies and equipment passes to the Government under the Contract. The Contractor shall in such cases furnish his subcontractors and suppliers with a purchaser’s certificate in the form prescribed by the U.S. Internal Revenue Service.
- B. SALES AND USE TAXES**—Materials which are physically incorporated as a permanent part of real property are not subject to Government Sales and Use Tax. The Contractor shall, when purchasing such materials, furnish his suppliers with a Contractor’s Exempt Purchase Certificate in the form prescribed in the Sales and Use Tax Regulations of the Government. Where the Contractor, subcontractor or material man has already paid the Sales and Use Tax on material, as prescribed above, the Sales and Use Tax Regulations of the Government permit the Contractor, subcontractor or material man to deduct the sales or use tax on the purchase price of the same on his next monthly return as an adjustment. However, the Contractor, subcontractor or material man must satisfy the Chief Financial Officer for the Government that no sum in reimbursement of such tax was included in the Contract or else that the Government has received a credit under the Contract in an amount equal to such tax.

Government Sales and Use Tax shall be paid on any material and supplies, including equipment rentals, which do not become a physical part of the finished project. [See Government of Columbia Sales and Use Tax Administration Ruling No. 6] (Or relevant local law).

The Contractor, subcontractor, or material supplier shall provide proof of compliance with the provisions of [D.C. Law 9-260] (Or relevant local law), as amended, codified in [D.C. Code 46-103] (Or relevant local law), Employer Contributions, prior to award.

The Contractor, subcontractor, or material supplier shall provide proof of compliance with the applicable tax filing and licensing requirements set forth in [D.C. Code, Title 47, Taxation and Fiscal Affairs] (Or relevant local law), prior to contract award.

ARTICLE 26. SUSPENSION OF WORK—The Contracting Officer may order the Contractor in writing to suspend, delay or interrupt all or any part of the work for such period of time as he may determine to be appropriate for the convenience of the Government.

If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed or interrupted by an act of the Contracting Officer in the administration of the Contract, or by his failure to act within the time specified in the Contract (or if no time is specified, within a reasonable time), an adjustment will be made for an increase in the cost of performance of the Contract (excluding profit) necessarily caused by such unreasonable suspension, delay or interruption and the Contract modified in writing accordingly. However, no adjustment will be made under this Article for any suspension, delay or interruption to the extent:

1. That performance would have been so suspended, delayed or interrupted by any other cause, including the fault or negligence of the contractor, or
2. For which an equitable adjustment is provided or excluded under any other provision of the Contract.

No claim under this Article shall be allowed:

1. For any costs incurred more than 20 days before the Contractor shall have notified the Contracting Officer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order), and
2. Unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of such suspension, delay, or interruption, but not later than the date of final payment under the Contract.

ARTICLE 27. SAFETY PROGRAM

- A. GENERAL**—In order to provide safety controls for the protection of the life and health of Government and Contract employees and the general public; prevention of damage to property, materials, supplies, and equipment; and for avoidance of work interruptions in the performance of the Contract, the Contractor shall comply with all applicable Federal and local laws governing safety, health and sanitation including the Safety Standards, Rules and Regulations issued by the American National Standards, U. S. Department of Labor, U. S. Department of Health and Human Services, [D.C. Minimum Wage and Industrial Safety Board] (Or relevant local law) and the latest edition of "Manual of Uniform Traffic Control Devices" issued by the Federal Highway Administration.

The Contractor shall also take or cause to be taken such additional safety measures as the Contracting Officer may determine to be reasonably necessary.

The Contractor shall designate one person to be responsible for carrying out the Contractor's obligation under this Article.

The Contractor shall maintain an accurate record of all accidents resulting in death, injury, occupational disease, and/or damage to property, materials, supplies, and equipment incident to work performed under the Contract. Copies of these reports shall be furnished to the Contracting Officer within two working days after occurrence.

The Contracting Officer will notify the Contractor of any noncompliance with the foregoing provisions and the action to be taken. The Contractor shall, after receipt of such notice, immediately take corrective action. Such notice, when delivered to the Contractor or his representative at the site of the work, shall be deemed sufficient for the purpose. If the Contractor fails or refuses to comply promptly, the Contracting Officer may issue an order stopping all or part of the work until satisfactory corrective action has been taken. No part of the time lost due to any such stop orders shall be made the subject of claim for extension of time or for excess costs or damages by the Contractor.

This Article is applicable to all subcontractors used under the Contract and compliance with these provisions by the subcontractors will be the responsibility of the Contractor.

(In Contracts involving work of short duration or of non-hazardous character, the following Section B. will be deleted by Special Provision)

B. CONTRACTOR'S PROGRAM SUBMISSION—Prior to commencement of the work, the Contractor shall:

1. Submit in writing to the Contracting Officer for his approval his program for complying with this Article for accident prevention.
2. Meet with the Contracting Officer's Safety Representative after submission of the above program to develop a mutual understanding relative to the administration of the overall safety program.

ARTICLE 28. RETENTION OF RECORDS—Unless otherwise provided in the Contract, or by applicable statute, the Contractor, from the effective date of Contract completion and for a period of three years after final settlement under the Contract, shall preserve and make available to the Government at all reasonable times at the office of the Contractor but without direct charge to the Government, all his books, records, documents, and other evidence bearing on the costs and expenses of the Contractor under the Contract.

ARTICLE 29. RECOVERY OF DEBTS OWED THE GOVERNMENT---The Contractor hereby agrees that the Government may use all or any portion of any payment, consideration or refund due the Contractor under the Contract to satisfy, in whole or part, any debt due the Government.

ARTICLE 30. ADMINISTRATIVE LIQUIDATED DAMAGES---In addition to any other liquidated damages provided for in the Contract, the Contractor hereby agrees that the Government may assess administrative liquidated damages for the Contractor's failure to submit when due any deliverable required by the Contract. Unless otherwise prescribed by the Contracting Officer, the rate of the administrative liquidated damages shall be \$250 per day until the required deliverable is received and accepted by the Government. The Government's remedies for failure to comply with the Contract terms and conditions are cumulative and not exclusive. Nothing herein shall be construed to limit the Government's ability to terminate the Contractor for the failure to submit Contract deliverables when due.

ARTICLE 31. FORCE MAJEURE---If the Contractor, because of Force Majeure, is rendered wholly or partly unable to perform its obligations when due under this Contract, the Contractor may be excused from whatever performance is affected by the Force Majeure to the extent so affected. In order to be excused from its performance obligations under this Contract by reason of Force Majeure, within 72 hours of the occurrence or event, the Contractor must provide the Contracting Officer written notice of its

inability to perform as well as a description of the force majeure and its effect on Contract performance. The Contracting Officer will have the right to cause the inspection of the work site to determine the validity of the Contractor's assertion of its inability to perform. If the Contracting Officer agrees that the Contractor is wholly or partly unable to perform its obligations under the Contract a decision will be issued indicating the extent to which the Contractor is excused from its performance obligations. In no event will the Contractor be entitled to money damages from the Government due to force majeure.

LIVING WAGE ACT FACT SHEET

The Living Wage Act of 2006, D.C. Official Code §§ 2-220.01 – 2-220.11, provides that District of Columbia government contractors and recipients of government assistance (grants, loans, tax increment financing) in the amount of \$100,000 or more shall pay affiliated employee wages at no less than the current living wage rate.

Effective January 1, 2021 until June 30, 2021, the living wage rate is \$15.00 per hour.

Effective July 1, 2021, the District's Minimum Wage will increase again based on the CPI as of December 31, 2020.

Subcontractors of D.C. government contractors who receive \$15,000 or more from the contract and subcontractors of the recipients of government assistance who receive \$50,000 or more from the assistance are also required to pay their affiliated employees no less than the current living wage rate.

“Affiliated employee” means any individual employed by a recipient who receives compensation directly from government assistance or a contract with the District of Columbia government, including any employee of a contractor or subcontractor of a recipient who performs services pursuant to government assistance or a contract. The term “affiliated employee” does not include those individuals who perform only intermittent or incidental services with respect to the government assistance or contract, or who are otherwise employed by the contractor, recipient or subcontractor.

Exemptions – The following contracts and agreements are exempt from the Living Wage Act:

1. Contracts or other agreements that are subject to higher wage level determinations required by federal law (i.e., if a contract is subject to the Service Contract Act and certain wage rates are lower than the District's current living wage, the contractor must pay the higher of the two rates);
2. Existing and future collective bargaining agreements, provided that the future collective bargaining agreement results in the employee being paid no less than the current living wage;
3. Contracts for electricity, telephone, water, sewer or other services provided by a regulated utility;
4. Contracts for services needed immediately to prevent or respond to a disaster or imminent threat to public health or safety declared by the Mayor;
5. Contracts or other agreements that provide trainees with additional services including, but not limited to, case management and job readiness services, provided that the trainees do not replace employees subject to the Living Wage Act;

6. An employee, under 22 years of age, employed during a school vacation period, or enrolled as full-time student, as defined by the respective institution, who is in high school or at an accredited institution of higher education and who works less than 25 hours per week; provided that students not replace employees subject to the Living Wage Act;
7. Tenants or retail establishments that occupy property constructed or improved by receipt of government assistance from the District of Columbia; provided, that the tenant or retail establishment did not receive direct government assistance from the District of Columbia;
8. Employees of nonprofit organizations that employ not more than 50 individuals and qualify for taxation exemption pursuant to Section 501 (c) (3) of the Internal Revenue Code of 1954, approved August 16, 1954 (68 A Stat. 163; 26. U.S.C. §501(c)(3));
9. Medicaid provider agreements for direct care services to Medicaid recipients, **provided, that** the direct care service is not provided through a home care agency, a community residence facility, or a group home for persons with intellectual disabilities as those terms are defined in section 2 of the Health-Care and Community Residence Facility, Hospice, and Home Care Licensure Act of 1983; D.C. Official Code § 44-501; and
10. Contracts or other agreements between managed care organizations and the Health Care Safety Net Administration or the Medicaid Assistance Administration to provide health services.

Enforcement

The Department of Employment Services (DOES) Office of Wage-Hour and the D.C. Office of Contracting and Procurement share monitoring responsibilities.

Home Care Final Rule: The Department of Labor extended overtime protections to home care workers and workers who provide companionship services. Employers within this industry are now subject to recordkeeping provisions.

If you learn that a contractor subject to this law is not paying at least the current living wage, you should report it to the contracting officer. If you believe that your employer is subject to this law and is not paying at least the current living wage, you may file a complaint with the DOES Office of Wage - Hour, located at 4058 Minnesota Avenue, N.E. Suite 3600, Washington, D.C. 20019, call (202) 671-1880, or file your claim on-line: www.does.dc.gov. Go to “File a Claim” tab.

For questions and additional information, contact the Office of Contracting and Procurement at (202) 727-0252 or the Department of Employment Services on (202) 671-1880.

Please note: *This fact sheet is for informational purposes only as required by Section 106 of the Living Wage Act. It should not be relied on as a definitive statement of the Living Wage Act or any regulations adopted pursuant to the law.*

THE LIVING WAGE ACT OF 2006

D.C. Official Code §§ 2-220.01 – 2-220.11

Recipients of new contracts or government assistance shall pay affiliated employees and subcontractors who perform services under the contracts no less than the current living wage.

Effective January 1, 2021 until June 30, 2021, the living wage rate is \$15.00 per hour.

Effective July 1, 2021, the District's Minimum Wage will increase again based on the CPI as of December 31, 2020.

The requirement to pay a living wage applies to:

- All recipients of contracts in the amount of \$100,000 or more, and all subcontractors that receive \$15,000 or more from the funds received by the recipient from the District of Columbia, and
- All recipients of government assistance in the amount of \$100,000 or more, and all subcontractors of these recipients that receive \$50,000 or more from the government assistance received by the recipient from the District of Columbia.

“Contract” means a written agreement between a recipient and the District government.

“Government assistance” means a grant, loan, or tax increment financing that result in a financial benefit from an agency, commission, instrumentality, or other entity of the District government.

“Affiliated employee” means any individual employed by a recipient who received compensation directly from government assistance or a contract with the District of Columbia government, including employees of the District of Columbia, any employee of a contractor or subcontractor of a recipient who performs services pursuant to government assistance or contract. The term “affiliated employee” does not include those individuals who perform only intermittent or incidental services with respect to the contract or government assistance or who are otherwise employed by the contractor, recipient, or subcontractor.

Certain exemptions apply: 1) contracts or agreements subject to wage determinations required by federal law which are higher than the wage required by this Act; 2) Existing and future collective bargaining agreements, provided that the future agreements results in employees being paid no less than the current living wage; 3) contracts for electricity, telephone, water, sewer performed by regulated utilities; 4) contracts for services needed immediately to prevent or respond to a disaster or imminent threat declared by the Mayor; 5) contracts awarded to recipients that provide trainees with services, including but not limited to case management and job readiness services, provided the trainee does not replace employees; 6) employees under 22 years of age employed during a school vacation period, or enrolled as a full-time student who works less than 25 hours per week; 7) tenants or retail establishments that occupy property constructed or improved by government assistance, provided there is no receipt of direct District government assistance; 8) employees of nonprofit organizations that employ not more than 50 individuals and qualify for 501(c)(3) status; 9) Medicaid provider agreements for direct care services to Medicaid recipients, provided, that the direct care service is not provided through a home care agency, a community residence facility, or a group home for persons with intellectual disabilities as those terms are defined in section 2 of the Health-Care and Community Residence Facility, Hospice, and Home Care Licensure Act of 1983; D.C. Official Code § 44-501; and 10) contracts or agreements between managed care organizations and the Health Care Safety Net Administration or the Medicaid Assistance Administration to provide health services.

Home Care Final Rule: The Department of Labor extended overtime protections to home care workers and workers who provide companionship services. Employers within this industry are now subject to recordkeeping provisions.

Each recipient and subcontractor of a recipient shall provide this notice to each affiliated employee covered by this notice, and shall also post this notice in a conspicuous site in its place of business. All recipients and subcontractors shall retain payroll records created and maintained in the regular course of business under District of Columbia law for a period of at least 3 years.

To file a claim, visit: Department of Employment Services, Office of Wage-Hour, 4058 Minnesota Avenue, NE, Suite 3600, Washington, D.C. 20019; call: (202) 671-1880; or file your claim on-line: does.dc.gov. Go to “File a Claim” tab.

George G. Lewis,
 Interim Associate Director/Chief Contracting Officer
 Department of General Services
 2000 14th Street, NW
 Washington, D.C. 20009

Reference: Request for Qualification - DCAM-21-CS-RFQ-0001
 FY22 DCPS & DPR CONSTRUCTION PROJECTS

Dear Mr. Lewis:

On behalf of [INSERT NAME OF OFFEROR] (the “Offeror”), I am pleased to submit this bid (Hourly Rates) in response to the Department of General Services’ (the “Department” or “DGS”) Request for Qualification (the “RFQ”) to provide Construction work at Various DGS Facilities. The Offeror has reviewed the RFQ and the attachments thereto, any amendments thereto, and the proposed Basic Ordering Agreement (collectively, the “RFQ Documents” or “Contract Documents”) and has conducted such due diligence and analysis as the Offeror, in its sole judgment, has deemed necessary in order to submit its bid in response to the RFQ. The Offeror’s Offer is based on the RFQ Documents as issued and assume no material alteration of the terms of the RFQ Documents (collectively, the bid and the Lump Sum Price are referred to as the “Offeror’s Offer or Bid.”).

The Offeror’s Bid is as follows:

The Offeror's Bid is based on and subject to the following conditions:

1. The Bidder agrees to hold its bid open for a period of at least one hundred twenty (120) days after the RFQ closing date.
2. Assuming the Bidder is selected by the Department and subject only to the changes requested in paragraph 5, the Offeror agrees to enter into a contract with the Department on the terms and conditions described in the RFQ Documents within ten (10) days of the notice of the award.
3. Both the Offeror and the undersigned represent and warrant that the undersigned has the full legal authority to submit this bid form and bind the Bidder to the terms of the Offeror's bid. The Offeror further represents and warrants that no further action or approval must be obtained by the Offeror in order to authorize the terms of the Offeror's offer or bid.
4. The Offeror and its principal team members hereby represent and warrant that they have not: (i) colluded with any other group or person that is submitting a bid in response to the RFQ in order to fix or set prices; (ii) acted in such a manner so as to discourage any other group or person from submitting a bid in response to the RFQ; or (iii) otherwise engaged in conduct that would violate applicable anti-trust law.
5. The Offeror hereby certifies that neither it nor any of its team members have entered into any agreement (written or oral) that would prohibit any contractor, subcontractor or subconsultant that is certified by the District of Columbia Office of Department of Small and Local Business Enterprises as a Local, Small, Resident Owned or Disadvantaged Business Enterprise (collectively, "LSDBE Certified Companies") from participating in the work if another company is awarded the contract.
6. This Form of Offer Letter and Bid Form are being submitted on behalf of [INSERT FULL LEGAL NAME, TYPE OF ORGANIZATION, AND STATE OF FORMATION FOR THE OFFEROR].

CONFLICT OF INTEREST DISCLOSURE STATEMENT

Offeror's Name: _____("Offeror(s)")

Offeror's attention is directed to **27 DCMR Section 4705** and **Section 4707** of the Department of General Services Procurement Rules for Construction and Related Services regarding organizational conflicts of interest ("Organizational Conflicts of Interest"). Offerors are advised that certain firms will not be allowed to participate in the Project or on any Offeror's team for the Project because of their work with the Department in connection with the Project procurement.

(Initially capitalized terms not otherwise defined herein shall have the meanings set forth in the Agreement or the RFP).

Required Disclosure of Conflicts

In the space provided below identify all relevant facts relating to past, present, or planned interest(s) of the Offeror's team (including the Offeror, principal/major participants, proposed subconsultants and proposed subcontractors, and their respective chief executives, directors, and other key personnel for the Project) which may result, or could be viewed as, an Organizational Conflict of Interest in connection with the RFP.

Offeror should disclose: (a) any current contractual relationships with the Department, (b) any past, present, or planned contractual or employment relationships with any officer or employee of Department, and (c) any other circumstances that might be considered to create a financial interest in the Agreement by any Department member, officer or employee if Offeror is awarded the Contract. Offeror should also disclose matters such as having directors in common with any of the individuals or entities involved in preparing the RFP. Offeror should also disclose contractual relationships (i.e. Joint Ventures) with any of the individuals or entities involved in preparing the RFP, as well as relationships wherein such individual or entity is a contractor or consultant (or subcontractor or subconsultant) to Offeror or a member of Offeror's team. The foregoing is provided by way of example, and shall not constitute a limitation on the disclosure obligations.

Certification

The undersigned hereby certifies that, to the best of his or her knowledge and belief, no interest exists that is required to be disclosed in this Conflict of Interest Disclosure Statement, other than as disclosed above.
