REQUEST FOR SPACE (“RFS”)  
Open-2018-6  
Office of the Chief Technology Officer

The District of Columbia’s Department of General Services is seeking offers for the lease of data center colocation services that satisfy the criteria listed below (“Lease”). The agency slated to occupy the proposed space is the Office of the Chief Technology Officer (“OCTO”).

Background

The Office of the Chief Technology Officer is made up of many departments to develop, implement, and maintain the District’s IT and telecommunications infrastructure; develop and implement major citywide applications; establish and oversee IT enterprise architecture and website standards for the District; and advise District agencies on technology solutions to improve services to businesses, residents and visitors in all areas of District government.

Below is a high level overview of the requirement:

Fit Out: New facility to be delivered rack ready, with ability to have landlord build-out data halls with overhead bus bar, structured cabling, racks, and A/B power circuits. If required, details of the fit out requirements will be provided by OCTO at a later date

Operations: Proposal from landlord/provider should include ongoing facilities management of infrastructure as part of proposal – a Turn-key colocation lease

Delivery: A new facility needs to be constructed and commissioned, ready for occupancy, no later than January 1, 2019 if not sooner

Evaluation Criteria

The Evaluation Criteria are as follows:

A. Agency Operation
B. Rental Rate and Rent Structure
C. Location

Submission Instructions

Offerors shall submit their proposals by responding to or accepting each of the terms included under the Evaluation Criteria in the order and format presented below. Please clearly state any exceptions or substitute language to any of the terms listed below.

A. Agency Operation – To be evaluated based on the suitability of space to meet the operational needs of OCTO.

Tenant: The District of Columbia, a municipal corporation, acting by and through its Department of General Services (the “District”).

The District agencies initially occupying the premises will be OCTO. The District retains the right to change occupying agencies without such substitution constituting a sublet of the Premises or an assignment of the Lease, or otherwise requiring Offeror’s consent.

Building: Please provide a high level overview of preliminary proposed solutions that meet the requirements previously outlined

• Description of building systems, power infrastructure and utilities that will be required to the, HVAC system servicing the space, etc.;
• Description of building’s security and access controls;
• Detailed description of maintenance of the premises and the equipment and cleaning;
• Description of current recycling programs;
• Description of energy efficiency programs and equipment;
• Statement as to ADA compliance; and

**Landlord:**

Please provide ownership information including:

• Evidence of experience developing and operating data centers;
• Management structure; and
• Evidence of Offeror’s wherewithal to fund initial construction, ongoing building operations, a tenant improvement allowance and, if applicable, other Premises improvements.
• Please explain Landlord’s ability to provide a Service Level Agreement for the delivery of data center services as part of the Lease

**Lenders:**

Please provide a detailed description of any lenders with financing associated with Offeror’s ability to move forward with this project.

**Premises:**

Please propose 5,000 SF of data hall space and 200 SF of dedicated office space. Please also provide information on available shared offices, conference and storage space. Please provide the following:

• Floor plans delineating specific floor and square footage;
• Description of the condition of space;
• and
• Offeror’s agreement to utilize BOMA standard of measurement for the building and Premises.

Please note that:

• Offered space must meet the District’s requirements for fire, safety, handicapped accessibility, and sustainability.
Test Fit:
Within 10 business days after the submission due date, the District will notify Offerors whose proposals have been short listed by the District for purposes of in-person landlord interviews. After the landlord presentations are complete, the District shall select a partner for the project, at which point Offeror shall, at its sole cost and expense, without any reimbursement from the District: provide test fits for the sites being considered based upon the programming requirements provided by the District together with the Landlord’s detailed pricing notes.

Lease Term:
Please provide proposals for Five (5), Seven (7) and ten (10) year terms.

Option Term:
The District requests an option to extend the term for two (2) additional period of five (5) years.

Rent Commencement Date:
The District shall commence paying rent when the Premises is delivered to the District with any work to be performed by the Offeror completed, as evidenced by a certificate of occupancy. Please confirm Offeror can deliver the substantially completed Premises no later than January, 1 2019 (preference for earlier delivery).

Assignment/Subletting:
Please confirm the District shall have the right, subject to Offeror’s consent, which consent shall not be unreasonably withheld, conditioned or delayed, to assign the Lease or sublease all or any portion of the Premises.

Building Hours:
The District will require access 24 hours a day, seven days a week.

Parking:
Please reference the availability and type of parking (i.e. structured vs. service and reserved). OCTO requires 14 parking spaces for Official Government Vehicles, and 7 parking spaces for Employee/Visitor Use. Please provide the cost per parking space on a monthly basis, including any scheduled escalations in cost.

Turnkey Build-out:
Landlord, at Landlord’s sole cost and expense, using mutually agreed upon materials and finishes or making use of the existing
improvements, shall build out the Premises based upon a mutually agreeable specifications (to include a test fit prepared prior to LOI execution) on a “turnkey” basis. Landlord shall prepare all drawings at Landlord’s expense. The turnkey build out shall cover all hard and soft costs of construction including architectural, engineering fees, raised floor, cooling infrastructure, power infrastructure, and security. Landlord and Tenant shall agree to the plan scope and finish level and the same shall be made an exhibit to the lease.

The District shall require that the Offeror build-out the Premises, the Lease shall include a Work Exhibit. The Turnkey Build-out thereunder shall be subject to the requirements of D.C Code Section 2-218.46 regarding the use of Small Business Enterprises and Certified Business Enterprises (as such term is defined under D.C. Code Section 2-218.02), provided that 50% SBE/CBE participation shall be required (rather than 35%). The Work Exhibit shall set forth the foregoing requirement.

Brokerage: Savills Studley, Inc. is recognized as the exclusive broker representing the District in this proposed transaction. Upon execution of a Lease with the District, Landlord shall compensate Savills Studley, Inc. with a commission equivalent to 3.0% of the Lease value based on the Annual Rent (as defined below) over the initial Lease Term.

Section B. Rental Rate and Rent Structure— To be evaluated in context of the overall value to the District and the competitiveness relative to market, considering such factors as condition of space, efficiency of space, proposed TIA and flexibility in the utilization of the TIA, rental abatement period, escalations, etc. Rent should be submitted based on the following proposed structures:

- $/kW/mo. modified gross rent (inclusive of all costs, except critical power and cooling expenses, which shall be metered and passed through to the District with no mark-up)

  AND

- $/SF/yr, for which the components being asked for are outlined below Critical power and cooling expenses, shall be metered and passed through to the District with no mark-up
**Net Rent:** Escalations will be allowed on the Net Rent only. Do not include any escalation on the Annual Rent (as hereinafter defined).

**Operating Expenses:** The Annual Rent for the first year shall include operating expenses (OpEx). OpEx is subject to annual escalations according to changes in the Consumer Price Index (CPI). The amount of the OpEx for the first year proposed by Offeror will be subject to verification by the District and may be subject to revision prior to Lease execution.

**Real Estate Taxes:** The Annual Rent for the first Lease year shall include the “Real Estate Tax Base,” which shall be equal to the District’s proportionate share of real estate taxes for the building for such first year. Commencing on the anniversary of the first Lease year, the District will owe its proportionate share of real estate taxes for the building that exceeds the Real Estate Tax Base. The Real Estate Tax Base will be subject to verification by the District and the amount may be subject to revision prior to Lease execution.

**Utilities:** Electricity shall be metered and passed through to the District with no mark-up.

**Tenant Improvement Allowance Amortization:** Annual Rent shall include TIA amortized over the initial Lease Term.

**Annual Rent:** Total of the Net Rent, Operating Expenses, and Real Estate taxes above. Please provide an aggressive, market sensitive rent proposal *(including concessions such as rent abatement)*. Please use a modified gross rental structure (Annual Rent as described above, not inclusive of utility costs). Please also include an estimated annualized budget for utilities consumption based on the proposed design included in the Background section of this document.

Below is an **EXAMPLE ONLY** of how the proposed rent structure should be presented:
