DEPARTMENT OF GENERAL SERVICES

11/06/2013 – DCPS Schools: Request Removal of Excess Trash/Recycling Containers by December 6, 2013

Please fill out [this form](#) by December 6, 2013 to request the removal of excess trash/recycling containers (“toters”).

DGS is pleased to provide the opportunity for all schools to request the removal of excess trash/recycling containers (“toters”). Please request to remove any containers that are not currently in use and/or serviced under the current hauling contract.

The only toters that are serviced under the current hauling contract are the 96-gallon blue toters for collecting glass/plastics/metal that were delivered at the beginning of this year. See Recycling Services and Supplies for DCPS for illustration of serviced containers.

Removal will be scheduled for during or after the winter break. The toters will be recycled!
