

CARVER-LANGSTON TRIANGLE PARK

PROJECT OVERVIEW - PLAN A

This project aims to design and build a park that enhances the aesthetic and functional value of the neighborhood through minor landscaping and adding community features that contribute to the overall quality of life for residents. Additional work will include:

- A** Creating a playground with poured in place rubberized surface.
- B** Installing benches.
- C** Constructing a dedicated planting area for the community.
- D** Installing light fixtures.
- E** Installing an ada-compliant water fountain.
- F** Providing waste and recycling bins.

AT-A-GLANCE

- **DesignBuild Team:**
Atmos Solutions & Greening Urban
- **Project Budget:**
\$337,500.00
- **Substantial Completion:**
Decemeber 31, 2025
- **Final Completion:**
January 30, 2026
