FIELD PROJECT PLAN

FIELD PROJECT OVERVIEW

- **Turf Replacement: FieldTurf: Vertex-CORE-1**

- Manufactured and installed with the highest attention to detail
- FieldTurf systems showcase proven durability.
- There are over 2,000 FieldTurf fields still in use that are 8+ years old.
- Regardless of the sport, FieldTurf is the trusted surface of the most elite programs in the world.

- **Infill: EcoGrind**

- An innovative rubber mixture created by FieldTurf that is made from the grounded soles of unworn sneaker material.
- Minimal environmental impact
- Time and cost effective for maintaining then replacing older crumb rubber fields
