# EXHIBIT 1

RFP: Design/Build Services Jefferson Middle School Modernization

**DCAM-17-CS-0132**

**QUESTIONS**

**RESPONSES**

1. Will you be using light gauge metal roof trusses on that? If so, how would I go about getting the plans?

1. The design is to be developed under this RFP which will determine if there is any light gauge framing on the roof. This is unknown at this time.

2. In a review of the RFP, page 56 states that Professional Liability Insurance in the amount of \$10M per occurrence and \$10M aggregate is required.

2. Correct. This coverage is required by The District of Columbia's Office of Risk Management.
