Item No. 1

The District’s Response to potential Offeror’s questions

Question

“Are separate copies of the Price Proposal and the Technical Proposal required? (i.e. five (5) of each) or are we to include the price in the technical proposal together? If price is to be separate, do you still want that in a binder or can it be bound by other means.”

The District’s Response:

In accordance with **Section [L.2]** Proposal Organization and Content; the Potential Offeror(s) shall submit one (1) original and four (4) copies of the written, hard-copy and hand delivered proposals in two individual parts:

- (i) One (1) original and four (4) copies of Volume I “Technical Proposal”
- (ii) One (1) original and four (4) copies of Volume II “Price Proposal”

The District will not entertain any further question at this time and the proposal submission deadline remains unchanged.
