Product Description

cocoweb™

Our Oldage Barn Lights are modeled directly after the traditional wall lamps of rural America for that authentic rustic look. These gooseneck lights feature a wide curved shade that provides a wide swath of light. Perfect for porch lighting, kitchen lighting, garage lighting, and more, the Oldage is vintage design made modern again!

Durable Weatherproof Design

The Oldage Barn Light features a high quality steel shade and base which are MET listed for outdoor weather conditions. The shade is powder coated to resist water damage and to prevent paint chipping and fading over time. Indoors or out, rain or shine, the Oldage Barn Light is built to last.

Integrated LED Technology

Integrated with an energy efficient LED bulb, our Oldage Barn Light produces a warm yellow illumination from its 24 LED nodes. Cocoweb LEDs are brighter than a 100W screw-in bulb and use only a quarter of the electricity. Best of all, our LEDs last for over 50,000 hours and are fully dimmable!

Customizable Features

Available in a full range of sizes, the Oldage is perfect for indoor and outdoor lighting. The shade is sized at 12", 14", 16", 18", and 22" and is well-suited for any of our gooseneck arm styles!

Top customer reviews

Robert

Fantastic Quality!!

October 8, 2015

Size: 14" Color: Black **Verified Purchase**

Very Well made. Much better Quality than we were expecting. Lights put out very broad and bright wash against the walls and entry.

Charlotte

AMAZING! - FIVE STARS

I bought two of these lights and absolutely love them! They provide a lot more light than I originally thought, and make a great addition to my home.
