

**DCAM-21-NC-RFP-0003**  
**ADDENDUM NO. 05 - EXHIBIT A**

NO.	QUESTION	ANSWER
1	Please explain in detail what equipment will be replacing the PARCS equipment at DC USA.	The programing Software will remain the same; however, the facility access gate located at the Park Road entrance will be replaced.
2	Please confirm that the access control will remain the same.	Confirmed. The access control to the parking facility at DC USA Retail Mall will remain unchanged.
3	Please confirm that local parking requests from the community may be met via routine updates to the contract going forward?	The Community requests are under review pending final decision. At this time, no final decision has been made.
4	Will Offerors be able to access & review historical financial documents? Including but not limited to the following: a) Last three year of gross revenue & hours of operation. b) Pre and Post COVID gross revenue and hours of operation.	Potential Offerors are encourage to visit the Department's website (dc.dgs.gov) under Contracts & Procurement and Awarded Contracts or to submit a formal FOIA request.
5	Will the new gate equipment have on-demand 3rd party app scanning capabilities?	No. The gate equipment will have the same card swipe access similar to the access gates currently installed.
