

**Attachment D**

**Responses to Questions Received About Solicitation**

No.	RFP Reference	Question	Response
1	A.8	Page 2, #6 Attachments references Attachment G – Standard Contract (Attachment A to Amendment 4) and Attachment O – Facilities Condition Assessment (Attachment B to Amendment 4), but these were not included. The Standard Contract is needed for response, as referenced in Item 5 of the Form of Offer Letter. When will this be issued?	The Facilities Condition Assessment, which was posted as an attachment in Amendment 4 can be found at <a href="https://app.box.com/s/npaex34rqwxtrsgdhuf4j4fln63qiwxm">https://app.box.com/s/npaex34rqwxtrsgdhuf4j4fln63qiwxm</a> . The revised Standard Contract Revisions are provided as Attachment B to Amendment 7.
2	C.1	Does a Prime that is a CBE receive LSDBE/CBE points and percentages?	No, points only. Please see Section C.1 of the RFP.
3	D.3.3	What level of detail are you requiring for the Cost Allocation Plan, as requested in D.3.3.a, page 8? Please see attachment. This was provided for the Short Term Family Housing project. Is this what C&P is expecting. This is not a simple task and will require some time from the consultants.	The Resource Allocation Plan shall have adequate detail to demonstrate that the A/E and subconsultants have the necessary capacity to meet the government schedule.
4	A.8	Can you please clarify where we can find attachments F – Form of Contract + G – Standard Contract Provisions?	Please see Amendment 7, Attachments A and B.
5	E.4.1.1	Clarify the three page limitation outlined in E.4.1.1. Is <u>all</u> of the information requested in Sections E.4.1.2 – E.4.1.6 limited to three pages or is each section limited to three pages for a total maximum of 15 pages (5 Sections x 3 pages each)? If there is another interpretation, please advise.	The page limitation pertains to the General Information section
6	E.4.1.3	Are the past performance evaluations of E.4.1.3.c (A/E and individual) included in the three page limitation outlined in E.4.1.1.	No.
7	Misc.	DGS has expressed a desire for this project to be netzero. Should we include the fees associated with this in our base fee or as an optional service?	Base pricing. NetZero design is not an optional service.
