

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF GENERAL SERVICES

Request for Proposals
City Wide Security Guard Services Sectors 1 and 3
DCAM-17-NC-0007
Addendum No. 7 Issued: December 16, 2016

This Addendum No. 7 is issued by DGS on December 16, 2016. Except as modified herein, the Request for Proposals (RFP) remains unmodified and is hereby published on the DGS website.

Item No. 1 Addendum Number 4, Item No. 3, Question 31

Clarification:

The Department has confirmed with SEIU 32, that there is no Appendix B for this Collective Bargaining Agreement (CBA).

Item No. 2 Addendum Number 4, Item No. 3, Question 50

Clarification:

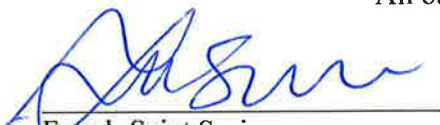

The CLINs are listed in the manner that enables the bidding contractor to forecast possible cost including the inevitable increase of training needs. The Department is not in the position to propose any of the training costs as we cannot dictate to a contractor what trainer to use, how much to pay for training or what the cost should be for each employee. These CLINs are included to give the bidding contractor the ability to build in cost that could have an immense impact on their operations. The “offerors” can build in the cost of training how they feel fit. The CLINs list in its current state grants the “offeror” the ability to justify the cost of training by giving room to the additional need for training that will greatly impact their ability to provide the services needed to fulfill this contract. The Department PSD is not in the position to eliminate CLIN 0044AA-DD as it should be used as a means to forecast the true cost of fulfilling obligations outlined in the contract.
