

DCAM-19-NC-RFP-0006

**Comprehensive Facility Condition Assessment and Space Utilization Studies
ADDENDUM NO. 3 - EXHIBIT A**

NO.	QUESTIONS	ANSWER
1	Can the Department make available the attachments identified in Section J for the Contractor’s review? Attachment J.15, “Building Security Assessment Specifications/Work Statement” is missing and the list of attachments on page 58 of the RFP does not correspond with the attachments on DGS website.	Please see Addendum No. 3, Item No. 2
2	Will the asset inventory be loaded into iPlan or into a specific CMMS system?	The asset inventory must be loaded into 4tell (formerly called iPlan).
3	Is the Contractor responsible for paying the licensing fee for I Plan Remote?	The contractor <i>is</i> responsible for paying any licensing fees for 4tell remote, or the means for uploading the data into 4tell.
4	Is the Police Clearance documentation required to completed and submitted with our proposal or just a description of our intent to complete this process after the contracts have been awarded?	The police clearance and all background screening requirements shall be complete by the Contractor post award and prior to performance of any work.
