Addendum No. 02  
Issued: November 20, 2019

---

This Addendum No. 02 is issued by DGS on November 20, 2019.

In response to vendor community feedback, the District is revising the specifications for the IFB for Fire Safety Equipment Assessment, Inspection, Maintenance and Repair Services. The revised specifications will provide potential bidders information to develop sound competitive pricing while delivering superior program operational support services.

The revised IFB will be issued via addendum and will allow for an additional question and answer period and establish a revised extended Bid Submission Deadline.
