

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF GENERAL SERVICES

REQUEST FOR SPACE ("RFS")
DGS-RFS-DOH Wellness Clinic – 2015-02

The District of Columbia's Department of General Services (DGS) is seeking offers for office space that satisfy the criteria listed below. Responsive offers, among other things, should provide space that is within one building and contiguous on a single floor is preferred. The Department of Health (DOH) is the agency identified to initially occupy the proposed space.

Background

The DOH's Health and Wellness Clinic's mission is to prevent and control illnesses in the District of Columbia through the provision of clinical services, partnerships with local communities by promoting and maintaining healthy behavior; the program also conducts surveillance for statistical purposes to track diseases and partner notification. The DOH plans to create a new state-of-the-art facility to carry out its mission by providing a welcoming environment for the The Department of Health HIV/AIDS, Hepatitis, STD and TB Administration (HAHSTA) to promote health and wellness for clients with HIV/AIDS, Hepatitis, STD and TB.

The new Health and Wellness Clinic will be a paid clinic accepting insurance and cash payments in exchange for providing high quality services including testing, diagnosis, treatment, partner services, and disease prevention activities to reduce the impact of these infectious diseases on adults, adolescents and children. The Health and Wellness Clinic plans to make services more comprehensive for adults and adolescents on a range of preventive health services. This requirement is the consolidation of two clinic buildings on the DC General Campus (Building #8 and #15). Between the two clinics approximately 16,000 unduplicated patients are served annually.

The new health and wellness medical suite requires approximately 8,000 SF for the following program elements:

- One or two waiting areas for a total capacity of approximately 40 people
- Examination rooms
- Phlebotomy/testing room(s)
- Medical supply rooms
- Stat laboratory
- Negative pressure room
- X-Ray suit

- Work areas for outreach staff
- Administrative office space (20 to 25 staff)
- Medical records storage
- Pantry kitchen with seating for 10 people
- Conference room and small classroom
- Interview room
- Public and staff restrooms

Evaluation Criteria

The Evaluation Criteria is as follows:

- A. Agency Operation
- B. Rental Rate and Rent Structure
- C. Location
- D. Sustainability Requirements

Submission Instructions

Offerors shall submit their proposals by responding to or accepting each of the terms included under the Evaluation Criteria in the order and format presented below. Please clearly state any exceptions or substitute language to any of the terms listed below.

A. Agency Operation – To be evaluated based on the suitability of space to meet the operational needs of the Agency.

Tenant: The District of Columbia, a municipal corporation, acting by and through its Department of General Services.

The District of Columbia agency initially occupying the Premises will be Department of Health (“DOH”). Please confirm Tenant shall have the right to change occupying agencies without such substitution constituting a sublet of the Premises or an assignment of the Lease or otherwise require Landlord’s consent.

Building: Please provide building name and address. Please provide:

- Description of building systems including electrical and the HVAC system servicing the space, its capacity and additional capacity available within the building;
- Description of Building's security and access control (preference will be given to Buildings with lobby level security and controlled access to the space);

- Detailed description of maintenance and cleaning;
- Description of energy efficiency programs and equipment; and,
- ADA compliance (important factor).

Landlord:

Please provide ownership information including:

- Evidence of control of property and timely availability of the Premises;
- Proof of proper corporate status in DC (Office of Tax and Revenue (OTR) and Department of Employment Services (DOES) certifications);
- Management structure; and,
- Evidence of Landlord's wherewithal to fund tenant improvements and ongoing building operations.

Lender:

Please provide a detailed description of the lender(s) associated with this property and any liens and/or ground leases that may or will encumber this Building.

Premises:

Please propose approximately eight thousand rentable square feet (8,000 rsf) in contiguous floor area to accommodate 20 to 25 staff and the support space described above. Please provide the following:

- Floor plans delineating specific floors and square footage;
- Description of the condition of space;
- Common area factor; and,
- Landlord's agreement to utilize BOMA standard of measurement for the building and premises.

Test Fit:

Once Tenant has reduced the options to a short list, Landlord shall upon Tenant's request, at its sole cost and expense without any reimbursement from Tenant, provide one Test Fit for the Premises based upon programming provided by Tenant, which shall include one (1) revision and the architect shall be required to submit detailed pricing notes along with the Test Fit.

Lease Term:

Tenant requests a ten (10) year term beginning on the Rent Commencement Date.

- Option to Renew:** Tenant requests an option to extend the term for one (1) additional period of five (5) years.
- Lease Commencement Date:** The Lease Commencement Date shall be the date of delivery of the entire Premises to Tenant with all of Landlord's Work (to be defined in LOI) substantially completed and delivery by Landlord of a Certificate of Occupancy. Please confirm Landlord can deliver the substantially completed Premises by July 30, 2016.
- Rent Commencement Date:** The Rent Commencement Date shall be the date upon which Tenant commences paying rent after the Rental Abatement Period has elapsed.
- Use:** A health and wellness medical suite with administrative offices
- Assignment/Subletting:** Please confirm Tenant shall have the right, subject to Landlord's consent, which consent shall not be unreasonably withheld, conditioned or delayed, to assign the Lease or sublease all or any portion of the Premises.
- Building Hours:** Building hours are 7:00 am to 9:00 pm Monday - Friday (24-hour access for staff).
- Parking:** Minimum of five (5) assigned parking spaces, up to 1 parking space per 1,600 rentable square feet. Preference will be given to properties that can provide visitor parking to be utilized by the clinic's visitors. Please provide cost per parking space on a monthly basis and any scheduled escalations.
- Tenant Improvements:** The District requires a Tenant Improvement Allowance (TIA) of \$110.00 per sf. The District requires a non-restrictive TIA. Specifically, the District may use its allowance for hard and soft construction costs, IT, FF&E, specific electronic equipment and relocation services. The District may request the Landlord provide a turnkey build-out. Please find attached the Department of Real Estate Services' Workplace Design Guidelines and the Basis of Design

Furniture and Finishes.

Brokerage: Savills Studley, Inc. is recognized as the exclusive broker representing Tenant in this proposed transaction. Upon execution of a lease agreement with the District of Columbia government, Landlord shall compensate Savills Studley, Inc. with a commission of 4.0% of the Lease value over the Lease Term.

Section B. Rental Rate and Rent Structure – To be evaluated in context of the overall value to Tenant and the competitiveness relative to market considering such factors as condition of space, efficiency of space, proposed TIA and flexibility in the utilization of the TIA, Rental Abatement Period, any escalations etc. Rent Structure should be considered on the following proposed structure. The terms below are based on rentable square feet.

Net Rent: Please propose a Net Rent net of Operating Expenses and Real Estate Taxes. Escalations, if agreed to by the District, will be allowed on the net rent only. Do not include any escalation on the Annual Rent.

Operating Expenses: The amount of Annual Rent for the first year shall include Operating Expenses (OpEx). OpEx are subject to annual escalations according to changes in the Consumer Price Index (CPI). The amount of the first year OpEx will be verified by the District and the amount revised prior to lease execution.

Real Estate Taxes: The amount included in the Annual Rent shall include the Real Estate Tax Base, which is based upon the real property and Business Improvement District (BID) taxes (the Real Estate Taxes) for the building or the portion of the building occupied by the District.
Commencing on the anniversary of the first lease year, the District will owe its proportionate share of Real Estate Taxes that exceeds the Real Estate Tax Base. The Real Estate Tax Base will be verified by the District and the amount revised prior to lease execution.

Tenant Improvement Amortization: The annual amount of the amortized TIA over the term of the lease. TIA will cover construction, A/E services, programming relocation, FF&E and technology costs. District requires

flexibility in the utilization of TIA.

Total (“Annual Rent”)

Total of all of the above factors.

Below is an **EXAMPLE** of how the proposed rent structure should be presented:

Net Rent	\$15.00
Operating Expenses	\$ 8.00
Real Estate Taxes	\$ 5.00
TIA Amortization	<u>\$10.00</u>
Annual Rent	\$38.00 RSF

Rental Abatement Period or other Concessions:

Please specify any Rental Abatement Period expressed in months or other concessions that will be made available to Tenant.

C: Location – To be evaluated based on the location’s accessibility for the constituents it serves.

Delineated Area:

Within the District of Columbia, preference will be given to sites that offer multi-modal transportation options; i.e., with easy access to metro train stations, direct/immediate access to bus routes, trolley stops and/or numerous major thoroughfares.

Access:

Please briefly describe the proximity (distance to the access point of the Building) and accessibility to multiple modes of public transportation including color of Metro stations, bus lines and major highway / freeway access proximate to the Building.

D. Sustainability Requirements
