Dec 2015 - July 2017

DRAWING COMPLETION / HIRING OF CONTRACTOR

July 2017 - Dec 2018

CONSTRUCTION BEGINS

June 2018

ESTIMATED PROJECT COMPLETION

Late Summer 2019

PROJECT OVERVIEW

The Edgewood project includes replacement of the existing facility with a new, state-of-the-art recreation center containing an indoor gymnasium, fitness room, multipurpose rooms, computer, youth and senior lounges and rooftop farm. Exterior improvements include new sport courts, new playground, walking track, splash pad and athletic field improvements.

WHAT HAPPENED IN APRIL:

- Completed the installation of duct work on the first floor.
- Completed installation of the interior stairs.
- Completed installation of the sprinkler system on the first floor.
- Set and backfilled the splash creek water filtration system and storage tanks.
- Set the mechanical roof top units (HVAC).
- Continued pouring of concrete for the playground walls and footers.
- Began installation of the framing curtain wall system.

WHAT TO EXPECT IN MAY:

- Complete the first floor close-in of walls.
- Continue the run of water lines and tie-in to building for the domestic water and sprinklers.
- Complete pouring of the playground walls.
- Begin installation of glass windows throughout the facility.
- Begin pouring of the splash creek footers and walls.
- Complete second floor duct work.
- Begin framing for the ceilings.
- Begin the second floor close-in of walls.

DID YOU KNOW?

The National Park Service acquired the land encompassing Edgewood Park in 1932, and Works Progress Administration (WPA) workers constructed a recreational facility on the parcel. In the years after World War II, the Edgewood Recreation Center was developed by the District Recreation Department, known today as the District Department of Parks and Recreation (DPR).
