PROJECT OVERVIEW

The Edgewood project includes replacement of the existing facility with a new, state-of-the-art recreation center containing an indoor gymnasium, fitness room, multipurpose rooms, computer, youth and senior lounges and rooftop farm. Exterior improvements include new sport courts, new playground, walking track, splash pad and athletic field improvements.

WHAT HAPPENED IN FEBRUARY:

- Completed pouring of the concrete for the rooftop farm and parapet walls.
- Began installing exterior metal framing and interior wall layout.
- Began installing the duct work on the first floor, including the administrative areas.
- Installed door frames in the gymnasium.
- Began mechanical and plumbing pipe installation on the first floor.
- Continued installation of the plumbing hangers on the second floor (fitness center area).

WHAT TO EXPECT IN MARCH:

- Complete back-fill of the remaining foundation walls around the new facility.
- Complete all remaining masonry work.
- Begin installation of the site retaining walls.
- Begin installation of fire sprinkler piping.
- Begin pouring concrete for the transformer and dumpster enclosure walls.
- Begin installation of the roof on the gymnasium.
- Begin interior framing within the first floor.
- Complete duct work installation on the first floor.

DID YOU KNOW?

DPR, DGS and the project team will be partnering with a local Ward 5 organization to plant over 100 new trees at Edgewood Recreation Center as part of this project? Casey Trees is a Washington D.C.-based nonprofit, established in 2002. They are committed to restoring, enhancing and protecting the tree canopy of the nation's capital.
