- Completed rooftop farm waterproofing.
- Completed installation of the sport court lighting.
- Began forming and pouring concrete for the playground site walls.
- Began excavation for the new splash creek.

### WHAT TO EXPECT IN APRIL:

- Complete first floor duct work.
- Continue framing of the walls within the administrative portion of the facility.
- Begin installation of the gymnasium windows.
- Begin installation of window frames in the administrative portion of the facility.
- Begin hanging drywall on the first floor.
- Begin installation of the splash creek water recirculation and holding tanks.
- Complete concrete work for the playground walls.

### DID YOU KNOW?

On March 7th, DPR hosted a community meeting to begin conversations about future programming at the new Edgewood Recreation Center. Throughout the months of April and May, DPR will be conducting an online survey, supplemented by paper surveys, to gather additional feedback regarding requested programs. A final programming community meeting will be held this summer to recap what we've heard. Please be sure to check the project website for updates and information.
