* Certified Business Enterprise with the District of Columbia Department of Small and Local Business Development (DSLBD)

During the pre-proposal conference, there was a request for DGS to specify the companies/attendees who are registered CBEs with DSLBD. As a courtesy, DGS agreed. DGS reviewed the comments provided during the pre-proposal conference, AND verified those names via the DC DSLBD website. If a company was not marked as a "CBE" and the company believes that they are a CBE registered with the District's DSLBD, they are encouraged to check the DSLBD website. DGS only verifies the company name as it was provided during the registration, and does not take responsibility if a vendor failed to provide their official company name. DGS will not make modifications to this list.
