

July 27, 2021 6:26 PM from Commissioner Bradley A. Thomas to everyone: Did you say you would prefer that we turn our videos/cameras off?

July 27, 2021 6:31 PM from Commissioner Bradley A. Thomas (privately): Do you want us to turn off our camera? Will that help with the presentation?

July 27, 2021 6:32 PM from jesselrabinowitz to everyone: The current budget of \$1.3 m could end homelessness for 40 people for 1 year. Isn

July 27, 2021 6:32 PM from jesselrabinowitz to everyone: Isn't that about the number of ppl living there now?

July 27, 2021 6:33 PM from Shannon Clark to everyone: Does that mean there were outreach attempts by DPR to get unhoused residents of the park on the call?

July 27, 2021 6:39 PM from Nicole Del Casale to everyone: When should we expect a date so we know when to tell the residents of the park that they should expect to be evicted?

July 27, 2021 6:41 PM from Rachael Gass, DCCPD Ext (privately): Thank you for your work on this park! - Commissioner Rachael Gass, DC Commission on Persons with Disabilities

July 27, 2021 6:43 PM from Marina to everyone: How is evicting people without housing showing you have respect for them?

July 27, 2021 6:43 PM from Nicole Del Casale to everyone: ++

July 27, 2021 6:47 PM from Yonah they/them to everyone: I lived in this neighborhood before I was priced out and loved going to this park and I'm glad to see improvements--but these are much lower priority than safety for our neighbors. While DPR can't provide housing itself, are you at DPR prepared to postpone construction until DHS finds housing for the folks for whom this is the last (relatively) space for them to stay? The time crunch is the problem--30 days notice won't change the fact that our neighbors will lost that safety.

July 27, 2021 6:48 PM from JESSICA COHEN to everyone: it looks like the planting area has gotten larger and is in part of the space that DPR had stated a dog park could go into. Will you please speak about the status of the dog park?

July 27, 2021 6:48 PM from JESSICA COHEN to everyone: Where is the lighting in this design?

July 27, 2021 6:56 PM from Rachael Gass, DCCPD Ext to everyone: At the last meeting, we gave feedback about adding bike/scooter parking corals at two entrances, has this been eliminated?

July 27, 2021 6:57 PM from Tommie Jones to everyone: tommie.jones@dc.gov

July 27, 2021 6:57 PM from JESSICA COHEN to everyone: By having divided benches facing the back of the park, how will you ensure that "nefarious" activity will not be occurring? The backside looks onto a wall and is perfect for lounging after hours

July 27, 2021 6:58 PM from Nicole Del Casale to everyone: What nefarious activity are you referring to, Jessica?

July 27, 2021 6:59 PM from Marina to everyone: The previous meeting recordings that you have on the website aren't accessible to those outside the DC gov sharepoint. Can you upload these meetings in a way that the general public can access them?

July 27, 2021 6:59 PM from Kate Ross to everyone: <https://www.nytimes.com/2019/11/08/nyregion/hostile-architecture-nyc.html>

July 27, 2021 6:59 PM from Neighbor to everyone: Ample areas left over for much of the current activity that can easily become the norm once the park is renovated. What will be done so that is not the invaded area in the future for such activity?

July 27, 2021 6:59 PM from Nicole Del Casale to everyone: ^^so we do not have to screen record ourselves anymore? I've asked several times for recordings and no one ever provides correct files or links.

July 27, 2021 6:59 PM from Kate Ross to everyone: Hostile design has flourished in New York as a way to maintain order and ensure public safety. But critics say it is inhumane and targets the homeless.

July 27, 2021 7:00 PM from Marina to everyone: You can say as many other words as you want, but you will be EVICTING people to redevelop this park

July 27, 2021 7:00 PM from Neighbor to everyone: Where is the DOG Park that hundreds of neighbors signed for in order to close the small Bundy Park?

July 27, 2021 7:01 PM from Dub to everyone: @Kate because it is? it is literally called hostile design

July 27, 2021 7:01 PM from Shannon Clark to everyone:
The dog park is down the street.

July 27, 2021 7:01 PM from Nicole Del Casale to everyone: ++

July 27, 2021 7:01 PM from Shannon Clark to everyone:
You're welcome!

July 27, 2021 7:01 PM from Louis Rosa to everyone: Why haven't we gotten an answer as to why a dog park wasn't considered as part of the design?

July 27, 2021 7:01 PM from Aaron they/them to everyone:
so they wont be "evicted" until they all get hooked up to housisng?

July 27, 2021 7:02 PM from kim to everyone: is there any other park in the city that sharon and her crew completed already to see her team's work

July 27, 2021 7:02 PM from Nicole Del Casale to everyone: 0.2 mile walk between 5th and 4th St NW on P St

July 27, 2021 7:02 PM from Dub to everyone: So then you are evicting people, you just don't want to call it that

July 27, 2021 7:02 PM from Aaron they/them to everyone:
so then they will be evicted? ... it sounds like an eviction

July 27, 2021 7:02 PM from Nicole Del Casale to everyone: I can send a screenshot if you need directions.

July 27, 2021 7:02 PM from Shannon Clark to everyone:

July 27, 2021 7:03 PM from Louis Rosa to everyone: After the survey, a dog park was never mentioned again

July 27, 2021 7:04 PM from Kim Lehmkuhl to everyone:
To let park residents know what precisely, that they have to go *somewhere else* undefined that the city is not going to provide? Notice of eviction really isn't sufficient here, we are in a pandemic

July 27, 2021 7:04 PM from Louis Rosa to everyone: So this whole dog park petition thing was a bunch of nonsense and a waste of time? Couldn't you have just said that at the outset?

July 27, 2021 7:04 PM from JESSICA COHEN to everyone:
Tommie, the requests for updates on the park were always pushed off to this meeting. no updates have been provided and what is the timeline for your formal answer to be provided?

July 27, 2021 7:05 PM from Marina to everyone:
@Luisa, the most "LOCAL" community members involved in this park would be those currently living in the park

July 27, 2021 7:05 PM from Nicole Del Casale to everyone: In case you haven't seen today, CDC is recommending masks indoors again and cases are on the rise in DC.

July 27, 2021 7:05 PM from Nicole Del Casale to everyone: So perhaps evicting residents in the park (despite it being just wrong in general) is not the best during a pandemic?

July 27, 2021 7:05 PM from Yonah they/them to everyone:
Can you clarify what would be required to delay this capital improvement? DPR has the ability to request a suspension of the LWCF grant from the National Park Service; whose permission do you need to delay in order to keep our neighbors safe?

July 27, 2021 7:05 PM from Kate Ross to everyone: My dogs are violently against evicting unhoused ppl

July 27, 2021 7:06 PM from Nicole Del Casale to everyone: Same

July 27, 2021 7:06 PM from Nicole Del Casale to everyone: So is my cat.

July 27, 2021 7:06 PM from Dub to everyone: The cdc has recommended against closing encampments during the covid pandemic

July 27, 2021 7:06 PM from Dub to everyone:
<https://www.cdc.gov/coronavirus/2019-ncov/community/homeless-shelters/unsheltered-homelessness.html>

July 27, 2021 7:06 PM from Dub to everyone: "Clearing encampments can cause people to disperse throughout the community and break connections with service providers. This increases the potential for infectious disease spread."

July 27, 2021 7:07 PM from Nicole Del Casale to everyone: It's still eviction even if you choose a synonym for it :)

July 27, 2021 7:08 PM from Nicole Del Casale to everyone: I would like to uplift Yonah's question: "Can you clarify what would be required to delay this capital improvement? DPR has the ability to request a suspension of the LWCF grant from the National Park Service; whose permission do you need to delay in order to keep our neighbors safe?"

July 27, 2021 7:08 PM from Marina to everyone: Here you go Mr. Jones: <https://www.thesaurus.com/browse/eviction>

July 27, 2021 7:10 PM from Neighbor to everyone: Who & How often will maintain the park plants, green surface and so forth?

July 27, 2021 7:12 PM from Nicole Del Casale to everyone: How will you be disseminating dog park information? Email? Video?

July 27, 2021 7:12 PM from Kim Lehmkuhl to everyone:
I wish city employees would discourage these disgusting types of questions from classist and racist neighbors rather than catering to their appalling behavior and policing of other adults.

July 27, 2021 7:16 PM from Nicole Del Casale to

recording of the meetings if you'd like.

July 27, 2021 7:16 PM from Maurice Cook to everyone:

July 27, 2021 7:20 PM from Kim Lehmkuhl to everyone:

boss at the end of the day??

July 27, 2021 7:20 PM from Louis Rosa to everyone:
Tommie thanks for remaining steadfast in at least sticking to the
timeline for construction and renovation. We appreciate that

July 27, 2021 7:21 PM from Dub to everyone: But you
aren't guaranteeing that they will receive housing before eviction, so

it's basically meaningless given how long it takes to get housing in dc

July 27, 2021 7:21 PM from Yonah they/them to everyone:
Committed to the process, why? Why are you prioritizing some people's desire for renovation over other people's safety?

July 27, 2021 7:21 PM from Yonah they/them to everyone:
Legitimately, what will it take to make sure that construction doesn't start until everyone is housed?

July 27, 2021 7:21 PM from Dub to everyone: +++Yonah

July 27, 2021 7:22 PM from Kim Lehmkuhl to everyone:
I'd actually really like to hear all of these city agencies answer Yonah's question

July 27, 2021 7:22 PM from Shannon Clark to everyone:
It sounds like you are catering more to the whims of housed residents than to the life or death needs of unhoused residents living in the park, many of whom were born and raised in the area. Using the language and processes of bureaucracy can't hide that violence.\

July 27, 2021 7:22 PM from Kate Ross to everyone: its also a public safety issue to be fenced

July 27, 2021 7:22 PM from Marina to everyone: We have seen e-mails from the neighbors who want the park to move forward that you mention. These neighbors say the most offensive, classist, racist things about the encampment. How can you cater to this group of people?

July 27, 2021 7:22 PM from Kate Ross to everyone: with the increase in gun violence

July 27, 2021 7:22 PM from Holly to everyone: Thank you, Yonah. I

July 27, 2021 7:22 PM from Maurice Cook to everyone:
Outdoor caging? Not very original

July 27, 2021 7:23 PM from Louis Rosa to everyone: With regard to your response on the fence, does that mean that the other parks in the area with fences are not "open and accessible to the public"?

July 27, 2021 7:24 PM from Louis Rosa to everyone: It's not clear why all the other local neighborhood parks have fences but suddenly fences are a bad idea. Could you clarify?

July 27, 2021 7:24 PM from Nicole Del Casale to everyone: Can you mute if you're not speaking? There's a lot of background noise and it is difficult to hear ANC Lopez.

July 27, 2021 7:25 PM from Nicole Del Casale to everyone: When COVID is surging again...

July 27, 2021 7:33 PM from Yonah they/them to everyone: You haven't signed the contracts yet. Your intentions of timeline don't matter. Your purview is to delay finalizing construction until it's safe for everyone. Sympathetically, is this a matter of paying our city workers? Do we need to get gap funding to pay your salaries because it's being funded by the LWCF(Federal grant)? That's something we can collaborate on fixing, but paperwork should absolutely not mean that people lose their safety by evicting them.

July 27, 2021 7:37 PM from Shannon Clark to everyone: In general, DPR needs to be prepared to coordinate much more with DMHHS. If you are involved in managing or working with public space, you need to be prioritizing the needs of unhoused neighbors.
