

# Lafayette Elementary School Modernization Parking Plan July 2015 to Sept 2016

## Notes:

1. All areas highlighted are open for resident and public parking, Teachers and contractors are directed to park within their designated areas on a first come first serve basis.
2. Subcontractors will park within the highlighted blue areas or beyond, depending on availability of spaces.
3. All subcontractors are required to display a numbered Skanska parking pass in their vehicle.
4. When school is not in session (weekends, holidays, etc), contractors will be allowed to park within the designated teacher parking zone.
5. All subcontractors will be required to abide by Skanska parking protocol. Any violations of the protocol will result in loss of parking privileges or removal from the project

## Legend

-  No Parking Zone
-  Teacher parking Zone
-  Subcontractor parking zone
