**Question No. 1.** Will DGS revise the solicitation to reflect the preference points will be added to the overall evaluation scores as required by the current regulations when a solicitation is issued as an RFP?

**Answer:** No, the current solicitation will not be revised as it already reflects the addition of CBE preference points in the overall evaluation score. CBE preference points are included in the price evaluation. Price is worth up to 40 points, of which a maximum of 12 points are based on CBE eligibility.
