Questions/Clarifications

No.	Questions	Responses
1	I wanted to know if there are any union requirements. If so, are there a cost estimate and a plan holders list?	No, the IFB does not include union requirements.
2	The final ladder providing access to the rooftop deck appears not to meet general safety standards (it's an aged wood frame ladder). Is it the District's intent to replace this ladder prior to the start of roof repair work or to add this repair to the scope of work?	No, the District's intent is to secure the existing metal ladder and ensure proper safety conditions prior to start of work.
