EMPOWERING MALES (RON BROWN) HIGH SCHOOL

Public Art
Package

INTRODUCTION

- The mission of the Empowering Males (Ron Brown) High School will be to provide a high-quality comprehensive educational experience to prepare young men for college. The goals of the all-boys high school are to provide a student-centered, college preparatory curriculum that develops and enhances student's leadership, civic engagement, community, and life skills. The school will be named after Ron Brown. Ron Brown was the United States Secretary of Commerce, serving during the first term of President Bill Clinton. He was the first African American to hold this position.
- The school will place emphasis on sports and other social and cultural programming activities. All of the school's programmatic priorities will play a critical role in the holistic development of every student. The school's aim will be to graduate students who are college-ready and college-accepted.
- During School Year 2016-2017 (SY16-17), DCPS plans to enroll 100 to 150 freshmen students from across the District. The High School will continue to expand one grade level each year at about the same student body size, resulting in approximately 200 to 300 students in SY17-18, 300 to 400 in SY18-19 and approximately 400 to 500 in SY19-20 when all grade level offerings will be available.

PHASES

Construction of the Empowering Males (Ron Brown) High School will occur in two phases.

PHASE 1

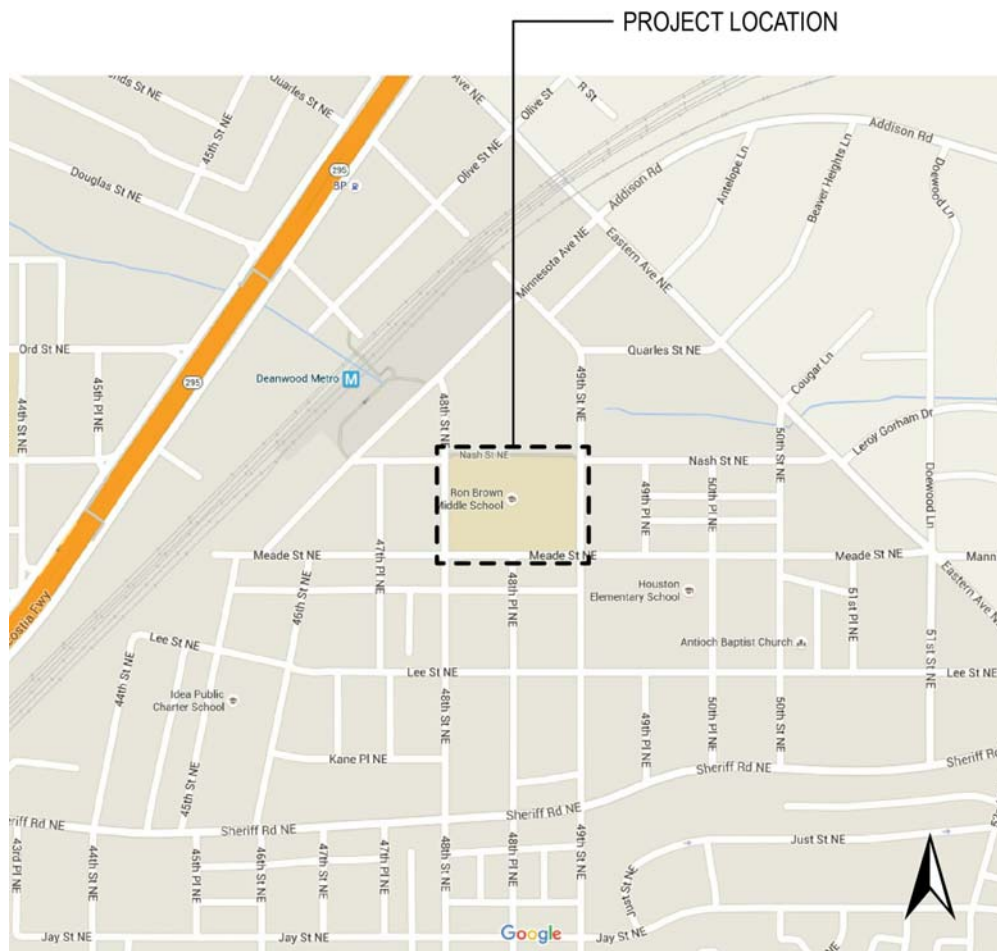

- New main entrance.
- Modernization of the existing guidance suite to create a new Welcome Center and Main Office Administration Suite.
- Modernization of the 1st Floor Academic Building to include five classrooms, two science classrooms, one science lab, art room, health suite, and other associated teacher support spaces.
- Modernization of the Cafeteria
- Infrastructure upgrades for the existing Kitchen
- Renovation of the PE / Athletic locker rooms.
- Modernization of the Library.
- Renovation of the existing Multipurpose room
- Renovation of outside basketball and tennis courts.

PHASE 2

- Modernization of the 2nd and 3rd Floors of the Academic Building
- Modernization of the Gymnasium.
- Modernization of the Auditorium and Music Room.
- Completion of the Kitchen modernization.
- Installation of outdoor classroom and garden.
- Public Art installation.

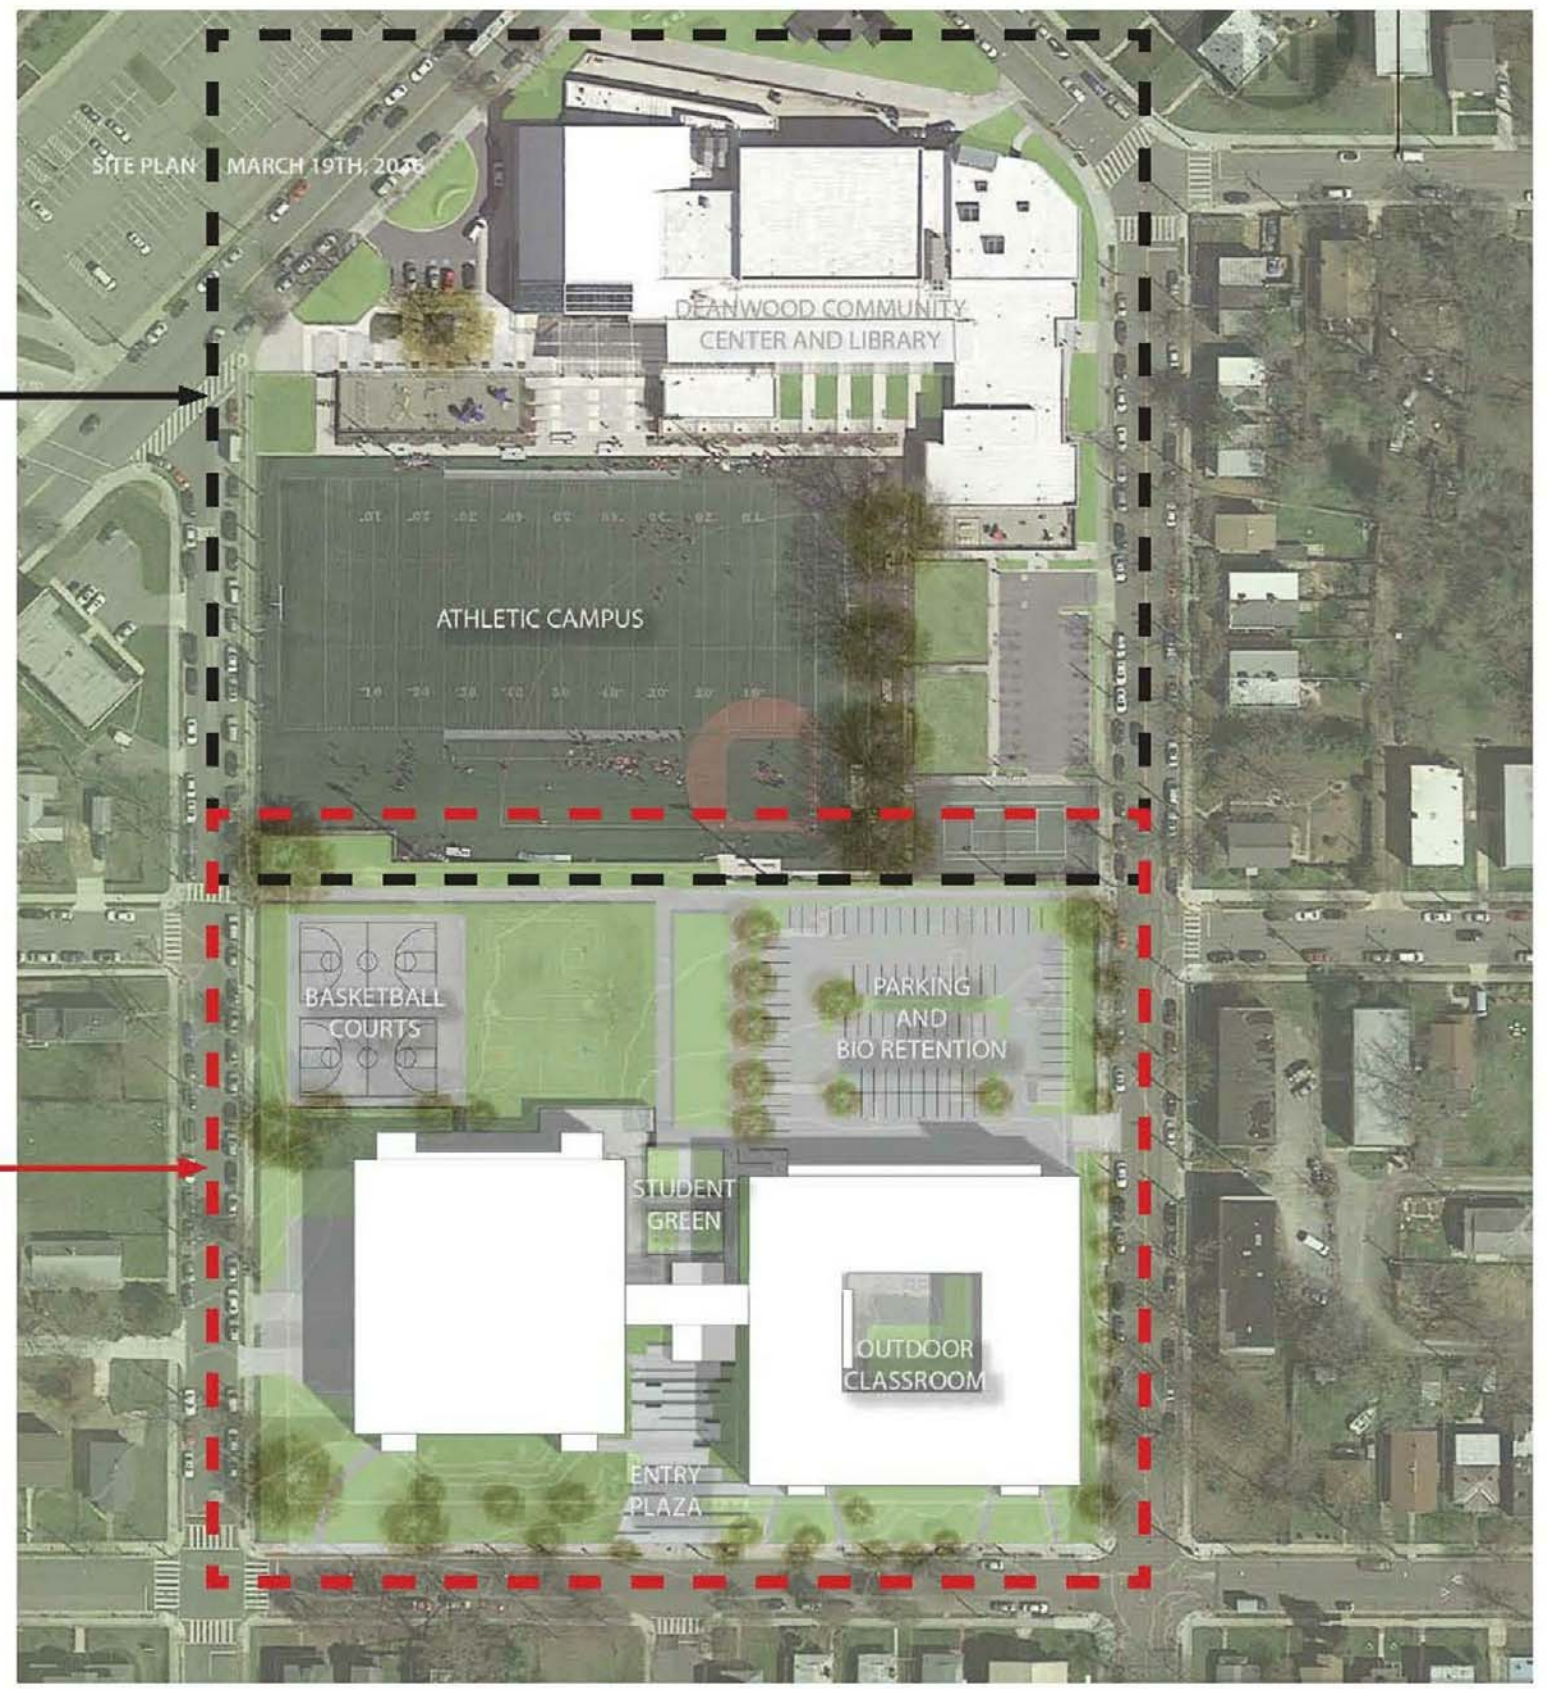

DESIGN PRINCIPLES

- Complete the campus: Engage Empowering Males (Ron Brown) High School, the fields and the Deanwood Center
- Transform the entrance from heavy, institutional and hidden to open and inviting
- Establish the Library as the heart of the school
- Inspire the Students through graphics and display conveying the mission and vision of Empowering Males (Ron Brown) High School
- Inspire the next generation of Environmental Stewards
- Foster learning everywhere
- Create a high performance learning environment
