

SHEPHERD PARK COMMUNITY CENTER

Community Meeting

April 17, 2018

AGENDA

1. Welcome and Introductions
2. Project Overview
3. Design Team Introduction
4. Feasibility Reviews
5. Schedule
6. Comments/ Next Steps

PROJECT OVERVIEW

1. DPR received \$12M in FY 18-19 Capital Funding for the following:
 - Gymnasium, Kitchen, Fitness Room, Multipurpose Room.
2. Shepherd Elementary in need of cooking kitchen and appropriately sized dining area
 - Currently four (4) lunch shifts with limited dining space.
3. DPR has hired a Design Team to produce a Feasibility Study
 - Since this is now a DPR/DCPS project, complexity has increased and previous work completed by Lance Bailey Architects did not take DPR facility needs into consideration.
 - Note that DCPS and safety of students is the **Priority**. DCPS will have access to the shared spaces during the school day and until all students have left for the day.

FEASIBILITY STUDY GOALS

1. Evaluate the **best way to meet school and community needs**, utilizing current constraints
2. Evaluate **site optimization**, despite site constraints
3. Determine the **optimum construction phasing plan**
4. Define **possible construction impacts and school implications**
5. Estimate **total cost** needed to meet goals of the project
