2. MINIMUM NEED:

The Department of General Services (DGS) utilizes Boland Trane Services' building automated systems at the Ward 6 Wellness Center located at 500 K Street NE Washington, DC. This is critical to the comfort and safety of the Ward 6 Wellness Center occupants, and the efficient operation of the building system:

3. ESTIMATED FAIR AND REASONABLE PRICE:

The estimated fair and reasonable price is \$20,572.70

4. FACTS WHICH JUSTIFY A SOLE SOURCE PROCUREMENT:

Boland Trane is the original equipment manufacturer and Installer of the Building Automated System utilized at the Office of Aging facility. The proprietary element of this equipment system allows for unique components and requirements that only Boland Trane contractors are equipped to address. Any other Contractor would need to sub-contract to Boland Trane which would increase the cost significantly.
