- C.4.5.16** Monies paid by joint check shall be deemed to have been paid fully to the Subcontractor or supplier named as a joint payee, unless the Department agrees otherwise in writing. Any interest paid to Subcontractors or suppliers because the Contractor has failed to pay them in timely fashion shall not entitle the Contractor to a Change Order.
- C.4.5.17** The Contractor shall not substitute or replace any Subcontractor or supplier certified by DSBLD without the Department's prior written consent.
- C.4.5.18** The Department has the right to contact Subcontractors or suppliers at all tiers or material or equipment suppliers directly to confirm amounts due and owing to them or amounts paid to them for Work on the Project, and to ascertain from the Subcontractors or suppliers at all tiers their projections of the cost to complete their Work or to supply their material or equipment, or the existence of any claims or disputes. In doing so the Department shall not issue any directions to Subcontractors or suppliers at any tier.

SECTION D LUMP SUM PRICE

D.4.1 Lump Sum Price

The Contractor shall be paid a lump sum price to Fully Complete the Project.

D.4.2 Certain Work Included in the Lump Sum Price

The Contractor acknowledges and understands that the Lump Sum Price is based on the Scope of Work which is incorporated into this contract. It is understood and agreed that the Lump Sum Price represents the Contractor's offer to Fully Complete the Project. The Parties acknowledge and agree that it is their intent to have the Contractor provide all labor, tools, equipment and materials necessary for the locker replacements at the Wilson Aquatic Center as contemplated in the Contract Documents, for the Lump Sum Price and consistent with the Project Schedule. In furtherance of such intent, the Contractor hereby assumes the risks associated with and shall be responsible for (i) any changes in market conditions that affect the cost of labor or materials; (ii) coordination issues between the drawings; (iii) elements of work not shown on the Contract Documents, but which are reasonably inferable from the Contract Documents; (iv) cost associated with acceleration of the work and expediting of materials necessary to meet the Project Schedule which are the result of anything other than an Excusable Delay; and (v) the risk of subcontractor default or non-performance. It is understood and agreed by the parties that items (i) through (v) listed in the preceding sentence are not intended to be an exclusive list of the risks assumed by the Contractor and that such items represent a partial list of the risks assumed by the Contractor.

D.4.3 Review of Contract Documents

The Department has selected the Contractor because of its special expertise in constructing similar projects. Before agreeing to the Lump Sum Price, the Contractor reviewed the Bid Set for accuracy, constructability, and completeness and was required to bring such deficiencies to the attention of the Department and its Architect/Engineer to address any such deficiencies. To the extent that any such deficiencies in the Drawings and Specifications could have been identified by such review by a competent Contractor, such deficiencies shall not be the basis for a change in the Lump Sum Price or delaying the Project Schedule.

D.4.3.1 During the course of the Work, should any errors, omissions, ambiguities or discrepancies be found on the Contract Documents, or should there be found any discrepancies between the Contract Documents to which Contractor has failed to call attention before agreeing to the Lump Sum Price, the Contractor shall bring any such errors, omissions, ambiguities or discrepancies to the attention of Department, and the Department will interpret the intent of the Contract Documents. Contractor hereby agrees to abide by and to carry out the Work in accordance with the decision of the

Department. Wherever the intent of the Contract Documents is not indicated clearly or there is a conflict between the Contract Documents, the Contractor will be held to have included in the Lump Sum Price the more expensive material or method of construction and the quantity of material.

D.4.3.2 If any item or material shown on the Drawings is omitted from the Specifications, or vice versa (except when the Drawings and Specifications clearly exclude such omitted item), and such item or material is required to complete the detail shown or specified, and if additional details or instructions are required to complete the Work, then the Contractor is deemed to have made an allowance in the Lump Sum Price for the completion of the Work, consistent with adjoining or similar details and the best accepted practices of the trade for projects of this type and quality, whichever is more expensive, unless such additional information was not reasonably inferable from the Contract Documents. Without limiting the Contractor's other duties, in the case of a difference among the Contract Documents as to the Contractor's obligations, or an inconsistency in the Contract Documents, the Department will decide which requirement governs; however, the Contractor shall assume that the more expensive material or method of construction and the quantity of material shall be required without a change to the Lump Sum Price.

D.4.3.3 Execution of the Contract by the Contractor is a representation that the Contractor has thoroughly examined all Contract Documents, including all details, plans, elevations, sections, schedules and diagrams, has visited the site, has become familiar with local conditions under which the Work is to be performed, has correlated personal observations with the requirements of the Contract Documents, and has satisfied himself before executing the Contract as to all matters that can affect the Work and its cost, including: (1) the nature of the land and subsoil; (2) the form and nature of the site and surrounding areas; (3) details and levels of existing pipe lines, conduits, sewers, drains, cables or other existing services; (4) the quantities, nature and availability of the materials, tools, equipment and labor necessary for the completion of the Work; (5) the means of access to the site and any accommodation he may require; (6) uncertainties of weather and physical conditions at the site; and in general to have himself obtained all necessary information as to risk contingencies, climatic, hydrological and natural conditions and other circumstances which may influence or affect his performance of the Work. The Contractor waives any and all claims against the Department arising from or relating to such contingencies and conditions that are reasonably inferable from the Contract Documents,

in light of the required preconstruction review and inspection and the Contractor's expertise in the field of construction.

- I.3.3.5.9** the Contractor is otherwise in substantial breach of this Contract (including, without limitation, failures to comply with CBE Utilization requirements in Section C).

I.3.3.7 Department Not Obligated to Others

The Department shall have no obligation to pay or be responsible in any way for payments to a consultant or subcontractor performing portions of the Work.

Payments are due and payable in accordance with Section I.3 of this Agreement. Amounts unpaid after the date of which payments due shall bear interest in accordance with the Quick Payment Act.

SECTION J CONTRACT CHANGES

J.1 Changes Authorized

The Department may, without invalidating the contract, and without notice to or approval of any surety, order changes in the Work, including additions, deletions or modifications. Any such change must be conveyed by the Department to the Contractor via written Change Directive or Change Order. *The CO is the only person authorized to approve changes in any of the requirements of this contract.* The Contractor shall not comply with any order, directive or request that changes or modifies the requirements of this contract, unless issued in writing and signed by the Contracting Officer.

J.1.1 Department-Initiated Changes.

J.1.1.2 If the Department wishes to make a change in the Work or to accelerate the Work, it will execute and issue to the Contractor a written Change Directive, either directing the Contractor to proceed at once with the changed Work or directing it to not to proceed, but to inform the Department, in writing, of the amount, if any, by which the Contractor believes that Substantial or Final Completion Date and/or the Lump Sum Price should be adjusted to take the Change Order or Change Directive into account.

J.1.1.3 Within ten (10) days of receiving a Change Directive, the Contractor shall provide the Department with a written statement of all changes in the Contract, including, without limitation, any changes to the Substantial or Final Completion Date or the Lump Sum Price to which it believes it is entitled as a result of the Change Directive. If additional time is sought, a schedule analysis supporting the requested extension should be included. The schedule analysis should include a written narrative explanation. If a change in the Lump Sum Price is sought (or if the Department has requested a deduct change), the statement should include a breakdown, by line item, of the estimated cost changes attributable to the proposed change. The Department may request, and the Contractor shall provide, further cost breakdowns, clarifications, documentation or back-up if the Department reasonably believes such additional information is needed to understand and evaluate the request. The additional information required may include cost and pricing data in accordance with the Department's regulations. Any requested adjustment to the Lump Sum Price shall be limited to increased Cost of the Work due to the Change Directive. The Contractor is not entitled to any markup on any kind of change orders. All deductive Change Orders shall include a corresponding reduction in the overhead and profit shown on the Schedule of Values.

J.1.1.4 If the Department has not yet directed the Contractor to proceed with the Change described by a Change Directive, the Department may rescind it. If the Department wishes to proceed, or has already directed the Contractor to proceed, the Contractor shall immediately proceed with the changed Work and, the Department and the Contractor shall use their good faith best efforts to reach an agreement upon the modifications to the Substantial or Final Completion Date, and/or the Lump Sum Price that are justified by the Change Directive. If they reach agreement, the agreement shall be set forth in a Change Order and the Contractor shall also execute it, at which point it will become binding on both parties.

J.1.1.5 If the Parties fail to reach an agreement within sixty (60) days after the Department receives the Contractor's detailed statement pursuant to Section 8.3.2, and such other documentation as the Department may request, the Contractor may assert a claim in accordance with this Agreement. In such a case, and subject to adjustment via the claims and disputes process under this Agreement, the Department shall unilaterally grant the Contractor such adjustments, if any, to the Substantial or Final Completion Date, and the Lump Sum Price as the Department has judged to be appropriate.

J.1.2 Contractor-Initiated Changes.

J.1.2.1 Notice of Change Event

The Contractor must give the Department written notice of any Change Event within ten (10) calendar days of the date on which the Contractor knew, or reasonably should have known, of the Change Event. To the extent available, the notice must state the nature of the Change Event and describe, generally, all changes in the Contract to which the Contractor believes it is entitled. Such notice is an express condition precedent to any claim or request for adjustment to the Substantial or Final Completion Date, or the Lump Sum Price arising from the Change Event and, if the notice is not given within the required time, the Contractor will have waived the right to request any adjustment to the Substantial or Final Completion Date or the Lump Sum Price arising from the Change Event.

J.1.2.2 Detailed Change Request

Within twenty (20) days after giving notice of a change event, the Contractor shall submit a written change request describing, in reasonable detail, all adjustments it seeks to the Substantial or Final Completion Date or the Lump Sum Price as a result of the Change Event. The change request shall include the same information as described in Section 8.3 with respect to any Contract changes the Contractor seeks due to the Change Event, and the amount of any

requested adjustment to the Lump Sum Price Sum shall be limited in accordance with that Section.

- J.1.2.3** In the event the Contractor effects any change at the instruction or request of any person other than the Contracting Officer, the change will be considered to have been made without authority and no adjustment will be made in the contract price to cover any cost increase incurred as a result thereof.

J.2 Changes to the Lump Sum Price

Subject to the condition precedent that the Contractor have complied with the notice and documentation provisions of this Article, and subject to the limitations stated in this Agreement, the Contractor will be entitled to request an adjustment to the Lump Sum Price in the following cases:

- J.2.1** If the Department issues a Change Directive or Change Order that directs the Contractor to proceed with work which is beyond the scope of Work included within the Lump Sum; or

- J.2.2** The Contractor encounters Differing Soil Conditions or Hazardous Materials not identified in the Preconstruction Phase.

- J.2.3** For Changes to the Lump Sum Price, the following conditions shall apply:

- J.2.3.1** For increases in the Work which the Contractor is permitted to perform by Contractor's own forces, the Lump Sum Price shall be increased by the sum of: (i) the Direct Cost of the Work; and (ii) a fee (covering home office overhead, field supervision, general conditions and profit) of fifteen percent (15%) of the sum due under (i);

- J.2.3.2** For increases in the Work performed by Subcontractors, the Lump Sum Price shall be increased by the sum of: (i) the Direct Cost of the Work incurred by the Subcontractor for the changed Work; (ii) a fee (covering home office overhead and profit) equal to fifteen percent (15%) of the sum due under (i) above for the Subcontractor performing such Work; and (iii) a fee (covering the Contractor's home office overhead, field supervision, general conditions and profit) of five percent (5%) of the sum of items (i) and (ii). Intervening tier Subcontractors shall be entitled to a mark-up of five percent (5%) (covering home office overhead, field supervision, general conditions and profit); provided, however, that in all situations and regardless of the number of tier Subcontractors involved, the maximum mark-up on the Direct Cost of the Work shall be twenty five percent (25%) and provided, further, that the Contractor shall not be entitled to the markup referred to in item (iii) on changes unless such changes exceed, either individually or in the aggregate, five percent (5%) of the Lump Sum Price.

J.2.3.3 When both additions and credits are involved in any one change in the Work, the Contractor's Change Order and markup shall be figured on the basis of the net increase, if any.

J.2.3.4 Fee will not be paid by Department for overtime or weekend work unless overtime is requested in writing and approved in writing by Department.

J.2.3.5 The amount of credit to be allowed by Contractor to Department for a deletion or change which results in a net decrease in the Lump Sum Price shall be the Cost avoided as confirmed by Department plus Five percent (5%) for profit on the deleted work.

J.2.4 If the cost to Department of changed Work is determined by the lump sum method, Contractor warrants that the charge to Department shall not exceed the sum of: (a) any Subcontractor's charge to Contractor for such work; and (b) Contractor's best estimate of the actual cost of Contractor's work plus the permitted markup. If the cost to Department of changed Work is determined on a time and materials basis, Contractor warrants that the cost of any addition represents the true and actual cost, including Contractor's permitted markup, of such addition to Contractor, Subcontractor or Sub-subcontractor or other entity involved in such addition. If the changed Work will result in a reduction in the cost to Department, Contractor warrants that the amount of any deduction shall represent the amount of deduction to Contractor by the appropriate Subcontractor or the amount of Contractor's best estimate where the deduction involves Work, which Contractor will perform.

J.3 Executed Change Directive/Order Required

Changes to the Agreement may be made only by a written Change Directive or Change Order executed by the Department.

J.4 Prompt Notice

In the event the Contractor encounters a situation which the Contractor believes to be a change to this Agreement, the Contractor shall provide the Department with prompt written notice of such event and the possible impact such event could have on cost and schedule. All such notices shall be given promptly, considering the then applicable situations, but in no event more than ten (10) calendar days after encountering the situation. The Contractor acknowledges that the failure to provide such notice in a timely manner could limit or eliminate the Department's ability to mitigate such events, and thus, the Contractor shall not be entitled to an adjustment in the event it fails to provide prompt notice. The Contractor shall include provisions similar to this provision in all of its subcontracts.

J.5 Deductive Change Orders

The Department is likewise entitled to issue deduct Change Orders (reducing the Lump Sum Price) when changes are effected, by Change Directive or otherwise, which will decrease the cost of completing the Work or the time within which it can be completed.

J.6 Executed Change Orders Final

The Contractor agrees that any Change Order executed by the Department and the Contractor constitutes its full and final adjustment for all costs, delays, disruptions, inefficiencies, cumulative impact, accelerations, schedule impacts, or other consequences arising from the change in question, whether a Change Directive, or a Change Event, or from any claimed cumulative effect of changes made to the date of the Change Order, and that no further adjustments in compensation or time shall be sought or made with respect to the Change Directive or the Change Event giving rise to the Change Order.

J.7 Failure to Agree

If the Contractor claims entitlement to a change in the Agreement, and the Department does not agree that any action or event has occurred to justify any change in time or compensation, or if the parties fail to agree upon the appropriate amount of the adjustment in time or compensation, the Department will unilaterally make such changes, if any, to the Agreement, as it determines are appropriate pursuant to the terms of this Agreement. The Contractor shall proceed with the Work and the Department's directives, without interruption or delay, and may make a claim of this Agreement. Failure to proceed due to a dispute over a change request shall constitute a material breach of the Agreement and entitle the Department to all available remedies for such breach, including, without limitation, termination for default.

**SECTION K
MISCELLANEOUS PROVISIONS**

K.1 Liquidated Damages

Liquidated Damages will be assessed in the amount of **Five Hundred Dollars** (\$500.00 per day). The Contractor and the Department agree that the liquidated damages do not constitute and shall not be deemed a penalty, but represent a reasonable approximation of the damages to the Department associated with a delay in the Project.

K.2 Extent of Contract

The Contract, which includes this Agreement and the exhibits attached hereto, and other documents incorporated herein by reference, represents the entire and integrated agreement between the Department and Contractor and supersedes all prior negotiations representations or agreements, either written or oral. The Contract may be amended only by written instrument signed by both the Department and Contractor. If anything in any document incorporated into this Agreement is inconsistent with this Agreement, this Agreement shall govern.

K.3 Governing Law

The Contract shall be governed by and construed in accordance with the laws of the District of Columbia, without regard to its conflict of laws principles.

K.4 Assignment

The Department and Contractor respectively bind themselves, their partners, members, joint venturers, constituent entities, successors, assigns and legal representative to the other party hereto and to partners, members, joint venturers, constituent entities, successors, assigns and legal representatives of such other party in respect to covenants, agreements and obligations contained in the Contract. Neither party to the Contract shall assign the Contract as a whole without written consent of the other. If either party attempts to make such an assignment without such consent, that party shall nevertheless remain legally responsible for all obligations under the Contract.

K.5 Retention of Records and Inspections and Audits.

K.5.1 The Contractor shall maintain books, records, documents and other evidence directly pertinent to performance under the Contract in accordance with generally accepted professional practice and appropriate accounting procedures and practices consistently applied in effect on the date of execution of the Contract.

K.5.2 The Contractor shall also maintain the financial information and data used in the preparation and support of the costing and cost summary submitted to the Department and the required cost submissions in effect on the date of execution of the Department.

K.5.3 The Department, the District of Columbia government, the District of Columbia Financial Responsibility and Management Assistance Office, the Comptroller

General of the United States, the U.S. Department of Labor and any of their authorized representatives shall have access to the books, records, documents and other evidence held, owned or maintained by the Contractor for the purpose of inspection, audit and copying during normal business hours and upon advance written notice to the Contractor. The Contractor shall provide proper facilities for such access and inspection.

K.5.4 The Contractor agrees to include the wording of this Section in all its subcontracts in excess of five thousand dollars (\$5,000) that directly relate to Project performance.

K.5.5 Audits conducted pursuant to this Section will be in accordance with generally acceptable auditing principles and established procedures and guidelines of the applicable reviewing or audit agency.

K.5.6 The Contractor agrees to the disclosure of all information and reports, resulting from access to records, to any authorized representative of the Department. Where the audit concerns the Contractor, the auditing agency will afford the Contractor an opportunity for an audit exit conference and an opportunity to comment on the pertinent portions of the draft audit report. The final audit report will include the written comments, if any, of the audited parties.

K.5.7 The Contractor shall preserve all records described herein from the effective date of the Contract completion and for a period of seven (7) years after a final settlement. In addition, those records which relate to any dispute, appeal or litigation, or the settlement of claims arising out of such performance, or costs or items to which an audit exception has been taken, shall be maintained and made available until seven (7) years after the date of resolution of such dispute, appeal, litigation, claim or exception.

K.6 Inspection for Supplies and Services.

K.6.1 To the extent applicable or appropriate, the Department may, in its sole discretion, enter the place of business of the Contractor or the place of business of any Subcontractor in order to inspect or test supplies or services for acceptance by the Department. If inspections and tests are performed at the place of business of the Contractor or any Subcontractor, the inspections and tests shall be performed in a manner so as to not unduly delay the Work. Inspections and tests by the Department shall not relieve the Contractor or any Subcontractor of responsibility for defects or other failures to meet Contract requirements, and shall not constitute or imply acceptance.

K.6.2 Notwithstanding the Department's acceptance of or payment for any product or service delivered by Contractor, the Contractor shall remain liable for latent defects, fraud, gross mistakes amounting to fraud and the Department's rights under any warranty or guarantee.

K.6.3 The Department shall have the right to enter the place of business of the Contractor or the place of business of any Subcontractor in order to investigate any contractor or offeror with respect to a debarment or suspension of the Contractor or any such Subcontractor.

K.7 Laws and Regulations Incorporated by Reference

All federal and District of Columbia laws and regulations, and all Department procedures now or hereafter in effect, whether or not expressly provided for or referred to in the Contract, are incorporated by reference herein and shall be binding upon the Contractor and the Department. It shall be the responsibility of the Contractor to perform the Contract in conformance with the Department's procurement regulations and all statutes, laws, codes, ordinances, regulations, rules, requirements, and orders of governmental bodies, including, without limitation, the U.S. Government and the District of Columbia government; and it is the sole responsibility of the Contractor to determine the procurement regulations, statutes, laws, codes, ordinances, regulations, rules, requirements, and orders that apply and their effect on the Contractor's obligations thereunder. However, if the application of a future law or regulation requires the Contractor to undertake additional work that is materially different in scope than that presently contemplated or required, the Contractor shall be entitled to an equitable adjustment for such additional work.

K.8 Tax Exemption Provision

Any tax exemptions applicable to the District of Columbia, including the gross receipts sales tax exemption for the sale of tangible personal property to the District, codified in D.C. Code § 47-2005, shall apply to the performance of the Contract.

K.9 Anti-Competitive Practices and Anti-kickback Provisions

K.9.1 The Contractor recognizes the need for markets to operate competitively and shall observe and shall comply with all applicable law, rules, and regulations prohibiting anti-competitive practices. The Contractor shall not engage, directly or indirectly, in collusion or other anti-competitive practices that reduces or eliminates competition or restrains trade. The Department shall report to the appropriate authority any activity that evidences a violation of the antitrust laws, and take such other further action to which it is entitled or obligated under the law.

K.9.2 The Contractor shall observe and comply with all applicable law, rules, and regulations prohibiting kickbacks and, without limiting the foregoing, Contractor shall not (i) provide or attempt to provide or offer to provide any kickback; (ii) solicit, accept, or attempt to accept any kickback; or (iii) include, directly or indirectly, the amount of any kickback in the contract price charged by Contractor or a Subcontractor of the Contractor to the Department. The Contractor shall have in place and follow reasonable procedures designed to prevent and detect possible violations described in this subparagraph in its own operations and direct

business relationships. The Department may take any recourse available to it under the law for violations of this anti-kickback provision.

K.9.3 The Contractor represents and warrants that it did not, directly or indirectly, engage in any collusive or other anti-competitive behavior in connection with the bid, negotiation or award of the Contract.

K.10 Responsibility for Agents and Contractors

At all times and during performance under this contract, the Contractor shall be responsible to the Department for any and all acts and omissions of the Contractor's agents, employees, Subcontractors, Sub-Subcontractors, material suppliers, and laborers, and the agents and employees of the Subcontractors, Sub-Subcontractors, material suppliers, and laborers performing or supplying Work in connection with the Project.

K.11 Ethical Standards for Department's Employees and Former Employees

The Department expects the Contractor to observe the highest ethical standards and to comply with all applicable law, rules, and regulations governing ethical conduct or conflicts of interest. Neither the Contractor, nor any person associated with the Contractor, shall provide (or seek reimbursement for) any gift, gratuity, favor, entertainment, loan or other thing of value to any employee of the District or the Department not in conformity with applicable law, rules or regulations. The Contractor shall not engage the services of any person or persons in the employment of the Department or the District for any Work required, contemplated or performed under the Contract. The Contractor may not assign to any former Department or District employee or agent who has joined the Contractor's firm any matter on which the former employee, while in the employ of the Department, had material or substantial involvement in the matter. The Contractor may request a waiver to permit the assignment of such matters to former Department personnel on a case-by-case basis. The Contractor shall include in every subcontract a provision substantially similar to this section so that such provisions shall be binding upon each Subcontractor or vendor.

K.12 Gratuities and Officers Not to Benefit Provisions

K.12.1 If it is found, after notice and hearing, by the Department that gratuities (in the form of entertainment, gifts, payment, offers of employment or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor, to any official, employee or agent of the Department or the District with a view toward securing the Contract or any other contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performance of the Contract, the Department may, by written notice to the Contractor, terminate the right of the Contractor to proceed under the Contract and may pursue such other rights and remedies provided by law and under the Contract.

K.12.2 In the event the Contract is terminated as provided in K.12.1, the Department shall be entitled:

K.12.2.1 To pursue the same remedies against the Contractor as it could pursue in the event of a breach of the Contract by the Contractor; and

K.12.2.2 As a penalty in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount (as determined by the Department) which shall be not less than ten times the costs incurred by the Contractor in providing any such gratuities to any such officer or employee.

K.12.3 No member of, nor delegate to Congress, Mayor or City Council Member, nor officer nor employee of the District, nor officer nor employee of the Department shall be admitted to any share or part of the Contract or to any benefit that may arise therefrom, and all agreements entered into by the authorized representative of the Department in which he or any officer or employee of the Department shall be personally interested as well as all agreements made by the Department in which the Mayor or City Council Member or officer or employee of the District shall be personally interested shall be void and no payments shall be made on any such contracts by the Department or by any officer thereof; but this provision shall not be construed or extend to the agreement if the share of or benefit to the member of, or delegate to Congress, Mayor or City Council Member, or officer or employee of the District is de minimus.

K.13 Covenant Against Contingent Fees Provisions

The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a Commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the Department shall have the right to terminate the Contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of the Department, percentage, brokerage of contingent fee.

K.14 Non-Discrimination in Employment Provisions

K.14.1 The Contractor agrees to take affirmative action to ensure that applicants are employed and that employees are treated during employment, without regard to their race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, family responsibilities, matriculation, political affiliation, or physical handicap. The affirmative action shall include, but not be limited to, the following:

K.14.1.1 Employment, upgrading, or transfer;

K.14.1.2 Recruitment or recruitment advertising;

K.14.1.3 Demotion, layoff, or termination;

K.14.1.4 Rates of pay, or other forms of compensation; and

K.14.1.5 Selection for training and apprenticeship.

K.14.2 Unless otherwise permitted by law and directed by the Department, the Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Department setting forth the provisions of this Section concerning non-discrimination and affirmative action.

K.14.3 The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment pursuant to the non-discrimination requirements set forth in this Section.

K.14.4 The Contractor agrees to send to each labor union or representative of workers with which it has a collective bargaining agreement, or other contract or understanding, a notice to be provided by the Department, advising each labor union or workers' representative of the Contractor's commitments under this Section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

K.14.5 The Contractor agrees to permit access by the Department to all books, records and accounts pertaining to its employment practices for purposes of investigation to ascertain compliance with this Section, and shall post copies of the notices in conspicuous places available to employees and applicants for employment.

K.14.6 The Contractor shall include in every subcontract the equal opportunity clauses of this Section so that such provisions shall be binding upon each Subcontractor or vendor.

K.14.7 The Contractor shall take such action with respect to any Subcontractor as the Contracting Officer may direct as a means of enforcing these provisions, including sanctions for non-compliance.

K.15 Buy American Act Provision

The Contractor shall comply with the provisions of the Buy American Act (41 U.S.C. § 10a), including, but not limited to, the purchase of steel.

K.16 Reserved

K.17 Termination or Suspension

K.17.1 Cancellation before Notice to Proceed

The Department may cancel the Contract at any time before issuance of a Notice to Proceed, in the Department's sole discretion. Such a cancellation shall not be a breach of the Contract, and the Contractor shall not be entitled to any compensation or damages if cancellation occurs.

K.17.2 Termination for Default

The Department may terminate the Contract for default if the Contractor fails materially to perform any of its duties or obligations under the Contract. In particular, but without limitation, the Department may terminate the Contract if:

- K.17.2.1** the Contractor fails to prosecute the Work diligently, in accordance with the Project Schedule or to make such progress in the Work as the Department reasonably believes is necessary to complete the Project within the time required by the Contract; or
- K.17.2.2** the Contractor fails to perform the Work in a good and workmanlike manner or to correct defects in the Work promptly upon notice by the Department; or
- K.17.2.3** the Department reasonably determines that the Contractor has abandoned the Work, or has failed to pay laborers, mechanics, materialmen, Subcontractors or suppliers when payment is due; or
- K.17.2.4** becomes insolvent, makes an assignment for the benefit of creditors, files a voluntary petition under any chapter of the Bankruptcy Code or has an involuntary petition filed against it under any chapter of the Bankruptcy Code, or has a receiver appointed, or files for dissolution or otherwise is dissolved; or
- K.17.2.5** the Contractor fails to pay its debts in a timely manner or becomes insolvent or the Department reasonably determines that the Contractor does not have the financial ability to carry out its obligations under the Contract and the Contractor fails to give the Department prompt and reasonable assurances of its ability to perform.
- K.17.2.6** the Department must provide the Contractor with written notice of its intent to terminate the Contract under this provision seven (7) days before actually putting the termination into effect. If the Contractor has begun its curative action and has made progress satisfactory to the Department within the seven days, the Department may so notify the Contractor and the termination will not take effect. Otherwise, the

termination shall take effect after seven days without further notice or opportunity to cure.

K.17.2.7 If the Department terminates the Contract for default, the Department will have the right to take over the Work, to accept assignment of some or all Subcontracts or agreements with material suppliers, to take possession of the Project, to take and use all tools, equipment and supplies then being used in connection with the Work, and to finish the Project by whatever method it deems expedient, including accepting assignment of all outstanding Subcontracts and Supply Agreements.

K.17.3 Termination for Convenience.

K.17.3.1 The Department may, upon seven (7) days written notice to the Contractor, terminate the Contract in whole or specified part, for its convenience, whether the Contractor is in breach of Contract or not. The notice of termination shall state the effective date of termination, the extent of the termination, and any specific instructions.

K.17.3.2 After receiving notice of termination for convenience, the Contractor shall (1) stop work on the terminated portion of the Project as of the effective date of the termination and stop placing subcontracts or supply agreements thereunder; (2) consult with the Department regarding the disposition of existing orders and subcontracts, and use its best efforts to terminate them on terms favorable to the Department; (3) consult with the Department to decide what actions should be taken to protect work in place and equipment that has been delivered and not yet installed, and to render the site safe, and proceed to take such actions as may be agreed upon or, absent agreement, as may be reasonable; (4) take necessary or directed action to protect and preserve property in the Contractor's possession in which the Department has or may acquire an interest and, as directed by the termination notice or other order from the Department, deliver the property to the Department; and (5) promptly deliver to the Department all computer files it has prepared relating to the Project. The Contractor shall also promptly notify the Department, in writing, of any legal proceeding arising from any subcontract or supply agreements related to the terminated portion of the Project, and, in consultation with the Department, settle outstanding liabilities arising out of the terminated portion of the Project on the best terms reasonably possible.

K.17.3.3 The Contractor shall be entitled to receive only the following with respect to the terminated portion of the Project: (1) Cost of Work performed up to the date of termination; (2) reasonable costs of terminating outstanding subcontracts and supply agreements and other

similar wind-up costs in a reasonable amount; (3) a fair and reasonable portion of the overhead and profit attributable to the Work performed on the terminated portion of the Project, up to the time of termination. The Contractor shall not be entitled to recover overhead or profits on unperformed portions of the Work. Further, if it appears to the Department that the cost of completing Work would have exceeded the Price, the Department shall have the right to adjust the settlement figure downward in an appropriate amount. In no case shall the Contractor be entitled to receive an amount in settlement for termination for convenience that would exceed the percentage value of the Work actually performed in accordance with the Contract, multiplied by the Price, and reduced by any damages, liquidated or otherwise, the Contractor may owe the Department.

K.17.3.4 Payment of such amounts shall be the Contractor's sole remedy for termination for convenience.

K.17.3.5 The Contractor shall, promptly after termination, submit a proposal for settlement of the amounts due to it as a result of the termination for convenience. The proposal shall be consistent with the requirements of Subparagraphs K.17.6.2 and shall be accompanied by such documentation of costs as the Department may reasonably require. Such documentation may include cost and price data in accordance with the Department's Regulations.

K.17.4 Effect of Wrongful Termination

Any termination for cause which is later determined to have been improperly affected shall be deemed to have been a termination for convenience pursuant to Paragraph K.17.3 and shall be governed by that Paragraph.

K.17.5 Continued Responsibility after Termination

If the Contractor is terminated, either for default or otherwise, the Contractor shall remain responsible for defects or non-conformities in all Work performed to the date of the termination.

K.17.6 Suspension

K.17.6.1 Suspension at the Convenience of the Department

The Department may at any time, with or without cause, suspend, delay, reduce or interrupt performance of all or any portion of the Work for such period or periods as the Department elects by giving the Contractor written notice specifying which portion of the Work is to be suspended and the effective date of such suspension. Such suspension, delay or interruption shall continue until the Department terminates such suspension, delay or interruption by written notice to the Contractor. No such suspension, delay, interruption or reduction by

the Department shall constitute a breach or default by the Department under the Contract Documents. The Contractor shall continue to diligently perform any remaining Work that is not suspended, delayed, reduced or interrupted and shall take all actions necessary to maintain and safeguard all materials, equipment, supplies and Work in progress affected by the suspension, delay, reduction or interruption.

K.17.6.2 Payment upon Suspension for Convenience

In the event of suspension, delay, reduction or interruption for convenience by the Department, the Department shall pay the Contractor and the Price shall be increased by such amounts (subject to the payment and related requirements of the Contract Documents) as follows:

K.17.6.2.1 Additional Costs of the Work, if any, which are incurred by the Contractor, its Subcontractors and Vendors as a result of continuing to maintain dedicated personnel, materials and equipment at the Site at the Department's request during any suspension, delay or interruption period, including for the purpose of safeguarding all material, equipment, supplies and the Work in progress caused solely by such suspension, delay or interruption ordered by the Department for convenience, but the Price shall be increased only if and to the extent such delay, suspension or interruption exceeds a period of thirty (30) consecutive days following commencement of the Work; and

K.17.6.2.2 Other reasonable and unavoidable Costs of the Work, if any, which are directly related to any subsequent re-mobilization of the suspended, delayed or interrupted the Work caused solely by such suspension, delay or interruption ordered by the Department for convenience, but the Price shall be increased only if and to the extent such delay, suspension or interruption exceeds a period of thirty (30) consecutive days following commencement of the Work.

K.17.6.2.3 Provided, however, that no adjustment shall be made to the extent that performance was otherwise subject to suspension, delay or interruption by another cause for which the Contractor is responsible. Furthermore, the Contractor shall not be entitled to an increase in overhead or profit for a suspension ordered by the Department.

K.18 False Claims Act

Contractor shall be governed by all laws and regulations prohibiting false or fraudulent statements and claims made to the government, including the prescriptions set forth in District of Columbia Code § 22-2514.

K.19 Interpretation of Contract

All of the documents comprising the Contract should be read as complementary, so that what is called for by one is called for by all. Ambiguities should be construed in favor of a broader scope of work for the Contractor, as the intent of the Contract is, with specific identified exceptions, to require the Contractor to assume entire responsibility for a Project. If there is any inconsistency among the documents comprising the Contract, the order of precedence among them is as follows, with the first listed document having the highest priority: this Agreement and its Exhibits. Any Change Order issued and executed by the Department shall supersede those portions of earlier dated contract documents to which it pertains.

K.20 Independent Contractor

In carrying out all its obligations under the Contract, the Contractor shall be acting as an independent Contractor, and not as an employee or agent of the Department, or joint venture or partner with the Department. The Contractor shall have exclusive authority to manage, direct, and control the Work, and shall be responsible for all methods, techniques, sequences, and procedures, as well as for Project safety.

K.21 Confidential Information

In the course of the Contractor's performance of the Work, the Department may make available to the Contractor information that the Department designates as trade secrets or other confidential engineering, technical and business information. As long as, and to the extent that, such information remains confidential and available to others only with the consent of the Department, or is not generally available to the public from other sources, the Contractor shall maintain such information in strict confidence and shall not disclose any such information to others (including its employees or Subcontractors), except to the extent necessary to enable the Contractor to carry out the Project. The Contractor shall similarly obligate any and all persons to whom such information is necessarily disclosed to maintain the information in strict confidence. The Contractor agrees that, in the event of any breach of this confidentiality obligation, the Department shall be entitled to equitable relief, including injunctive relief or specific performance, in addition to all other rights or remedies otherwise available.

K.22 No Third-Party Beneficiary Rights

Nothing in this Agreement shall be construed as creating third-party beneficiary rights in any person or entity, except as otherwise expressly provided in this Agreement.

K.23 Media Releases

Neither the Contractor, its employees, agents or Subcontractors or material suppliers shall make any press release or similar media release related to the Project unless such press release have been discussed with the Department prior to its issuance.

K.24 Goods and Services

This Agreement shall be construed fairly as to all parties and not in favor of or against any party, regardless of which party prepared the Agreement.

K.25 Notices

All notices or communications required or permitted under the Contract shall be in writing and shall be hand delivered or sent by telecopier or by recognized overnight carrier to the intended recipient at the address stated below, or to such other address as the recipient may have designated in writing. Any such notice or communication shall be deemed delivered as follows: if hand delivered, on the day so delivered, if sent by telecopier, on confirmation of successful transmission, and if sent by recognized overnight carrier, the next business day.

If to the Contractor:

Christopher Weaver
Director/Chief Contracting Officer
Department of General Services
2000 14th St, NW – 8th Floor
Washington, DC 20009

This Paragraph shall be read as imposing minimum requirements for distribution of required contractual notices, and not as displacing distribution requirements with respect to periodic reports and other documents.

K.26 Limitations

The Contractor agrees that any statute of limitations applicable to any claim or suit by the Department arising from this Contract or its breach shall not begin to run, or shall be deemed to be tolled, until Final Completion or, with respect to latent defects or nonconformities, such later time as the Department knew or should have known of the defect or nonconformity.

K.27 Binding Effect; Assignment

The Contract shall inure to the benefit of, and be binding upon and enforceable by, the parties and their respective successors and permitted assigns. The Contractor acknowledges that, in entering into the Contract, the Department is relying on the particular qualifications of the Contractor, and the Contractor therefore shall not delegate or assign any of its duties or obligations under the Contract, except in accordance with the Contract's provisions relating to subcontracting, or pursuant to the Department's prior written consent. The Contractor shall not assign its rights under the Contract, including the right to all or a portion of its compensation, without the Department's prior written consent. Any delegation or assignment made contrary to the provisions of this Paragraph shall be null and void.

K.28 Survival

All agreements warranties, and representations of the Contractor contained in the Contract or in any certificate or document furnished pursuant to the Contract shall survive termination or expiration of the Contract.

K.29 No Waiver

If the Department waives any power, right, or remedy arising from the Contract or any applicable law, the waiver shall not be deemed to be a waiver of the power, right, or remedy on the later recurrence of any similar events. No act, delay, or course of conduct by the Department shall be deemed to constitute the Department's waiver, which may be affected only by an express written waiver signed by the Department.

K.30 Remedies Cumulative

Unless specifically provided to the contrary in the Contract, all remedies set forth in the Contract are cumulative and not exclusive of any other remedy the Department may have, including, without limitation, at law or in equity. The Department's rights and remedies will be exercised at its sole discretion, and shall not be regarded as conferring any obligation on the Department's to exercise those rights or remedies for the benefit of the Contractor or any other person or entity.

K.31 Headings/Captions

The headings or captions used in this Agreement or its table of contents are for convenience only and shall not be deemed to constitute a part of the Contract, nor shall they be used in interpreting the Contract.

K.32 Entire Agreement; Modification

The Contract supersedes all contemporaneous or prior negotiations, representations, course of dealing, or agreements, either written or oral. No modifications to the Contract shall be effective unless made in writing signed by both the Department and the Contractor, unless otherwise expressly provided to the contrary in the Contract.

K.33 Severability

In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement, and in lieu of each such invalid, illegal or unenforceable provision, there shall be added automatically as a part of this Agreement a provision as similar in terms to such invalid, illegal or unenforceable provision as may be possible and be valid, legal and enforceable; each part of this Agreement is intended to be severable.

K.34 Anti-Deficiency Act

The Department's obligations and responsibilities under the terms of the Contract and the Contract Documents are and shall remain subject to the provisions of (i) the federal Anti-Deficiency Act, 31 U.S.C. §§1341, 1342, 1349, 1350, 1351, (ii) the D.C. the foregoing statutes may be amended from time to time, and (iv) Section 446 of the District of Columbia Home Rule Act. Neither the Contract nor any of the Contract Documents shall constitute an indebtedness of the Department, nor shall it constitute an obligation for which the Department is obligated to levy or pledge any form of taxation, or for which the Department has levied or pledged any form of taxation. IN ACCORDANCE WITH § 446 OF THE HOME RULE ACT, D.C. CODE § 1-204.46, NO DISTRICT OF COLUMBIA OFFICIAL IS AUTHORIZED TO OBLIGATE OR EXPEND ANY AMOUNT UNDER THE CONTRACT OR CONTRACT DOCUMENTS UNLESS SUCH AMOUNT HAS BEEN APPROVED, IS LAWFULLY AVAILABLE AND APPROPRIATED BY ACT OF CONGRESS.

K.35 Indemnification

To the fullest extent permitted by law, the Contractor shall indemnify and hold harmless the Department and Department's consultants, agents, and employees from and against claims, damages, losses and expenses, including, but not limited to, attorneys' fees arising out of or resulting from performance of work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than Work itself), but only to the extent caused by the negligent acts or omissions of the Contractor, a subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder.

K.37 Disputes.

K.37.1 Informal Resolution

It is the mutual desire of the parties to resolve any disputes arising under, or otherwise related to, this Agreement in an informal manner and by consensus. Toward this end, should any such dispute arise, the parties shall use their best efforts to resolve the dispute without the need for formal litigation or process of any kind. In the event that any such dispute cannot be resolved by the parties' representatives, the parties shall arrange for representatives of their senior management to meet and, if possible, discuss the issue. If this process cannot resolve the problem, then either party may initiate arbitration in accordance with Section K.37.2 of this Agreement, if resolution is not reached in such manner, the PROJECT MANAGER shall make a claim in accordance with this Section.

K.37.2 Formal Dispute Resolution Procedure.

K.37.2.1 Notice of Claim

If the Contractor wishes to assert a claim over a contract dispute, the Contractor shall provide written notice of the claim to the Department pursuant to procedures set forth in Section 4732 of the Department's procurement rules and Section 1004 of the District's Procurement Practices Reform Act of 2010 (PPRA).

K.37.2.2 Contents of Notice of Claim

The notice of claim shall state the nature of the claim, the events or circumstances giving rise to the claim, the type of relief requested, and the amount of time or additional compensation, or other damages sought. If the amount of time, compensation, or other damages sought is not reasonably ascertainable at the time such notice is provided, the Contractor shall so state, explain why, and provide whatever estimates it can reasonably provide. The notice shall state clearly that the Contractor intends to assert a claim against the Department.

K.37.2.3 Appeal Procedures

All claims arising under or in connection with the Agreement or its breach, or relating to the delivery of services, whether framed in contract, tort or otherwise, and which are not resolved via the claims process may be resolved by filing an appeal with the District of Columbia Board of Contract Appeals in accordance with Title X of the Procurement Practices Reform Act of 2010 (PPRA). However, if a third party brings any claim against the Department, including, without limitation, claims of infringement of patents, copyrights or other intellectual property rights, the Department may bring an action for defense or indemnification against the Contractor in the court in which such claim is being litigated.

K.38 Claims for Additional Time.

K.38.1 Time is of the essence for this Contract.

K.38.2 The Contractor shall perform the Work so that it achieves Final Completion no later than March 15, 2017. Unless the failure to achieve Final Completion by the Final Completion Dates is a result of an Excusable Delay, as defined in Section K.39, the delay shall be deemed Non-Excusable and the Contractor shall not be entitled to an extension of time. Without limiting the generality of the foregoing, delays for the following reasons shall be regarded as Non-Excusable and shall not entitle the Contractor to an extension of time:

K.38.2.1 Delays due to job site labor disputes, work stoppages, or suspensions of work;

K.38.2.2 Delays due to adverse weather, unless the Contractor establishes that the adverse weather was of a nature and duration in excess of averages established by data from the U.S. Department of Commerce, National Oceanic and Atmospheric Administration for the Project locale for the ten (10) years preceding the effective date of the Contract. For purposes of this clause, weather shall only be deemed “Excusable” if the weather in question was more severe than that encountered at the

Project site over the last ten (10) years for the month in question. Such determinations shall be made based on the number of rain/snow days or the cumulative precipitation total for the month in question. Notwithstanding the foregoing, named storms shall conclusively be deemed “Excusable”;

K.38.3.3 Delays due to the failure of the Contractor or Subcontractors or material suppliers at any tier to perform in timely or proper fashion, without regard to concepts of negligence or fault; or

K.38.3.4 Delays due to Site conditions whether known or unknown as of the effective date of the Contract, foreseeable or unforeseeable at that time, naturally occurring or man-made; provided, however, that delays due to Differing Soils Conditions or Hazardous Materials Remediation shall be deemed an Excusable Delay.

K.39 Excusable Delay

The Contractor shall be entitled to request an adjustment in the Substantial Completion Dates due to an Excusable Delay. The term “Excusable Delay” shall mean:

K.39.1 Delays due to adverse weather other than those that are classified as a Non-Excusable delay;

K.39.2 Delays due to acts of God, war, unavoidable casualties, civil unrest, and other similar causes of delay that are beyond the control of the Contractor; provided, however, that in no event shall a Non-Excusable delay or the action of the Contractor, or any of its employees, agents, Subcontractors or material suppliers be deemed an Excusable Delay; or

K.39.3 Delays caused by Differing Soils Conditions or Hazardous Materials Remediation.

K.40 In addition to the forgoing, a delay shall be deemed to be an Excusable Delay only to the extent that such delay (i) warrants an extension in the Substantial or Final Completion Dates; (ii) has not been caused by the Contractor or any of its employees, agents, Subcontractors or material suppliers; (iii) is on Project’s critical path; and (iv) is in addition to a time contingency of twenty-one (21) calendar days that is built into the critical path.

K.41 If the Contractor wishes to make a request for an increase in the Contract time, written notice as provided herein shall be given. The Contractor’s request shall include an estimate of the cost and of the probable effect of delay on the progress of the Work. In the case of continuing delay, only one claim is necessary.

K.42 In no event shall the Contractor be entitled to an increase in the Lump Sum Price a result of either an Excusable or Non-Excusable Delay.

K.43 Claims and Dispute Resolution

K.43.1 Notice of Claim

If the Contractor has complied with all provisions in Article 8 regarding changes, and the Department has denied the changes requested in a written Change Proposal, or has failed to respond to a written Change Proposal within thirty (30) days, and the Contractor wishes to pursue a claim over the disputed item, it shall inform the Department's Chief Contracting Officer, in writing, of its claim. The notice must be delivered to the Department within fifteen (15) days of the Department's decision, or within thirty (30) days of the written request for a Change Order, if the Department has failed to respond to the request. If the Contractor wishes to assert a claim, as such term is defined in the General Conditions, over a dispute not arising from matters related to a Change Event, Change Order or Change Directive, the written notice of claim must be delivered to the Department's Chief Contracting Officer within fifteen (15) days of the date the Contractor knew or should reasonably have known of the events giving rise to the claim. All claims must be submitted pursuant to the procedures set forth in section 4733 of the Department's procurement rules and section 908 of the District's *Procurement Practices Reform Act of 2010* (PPRA).

K.43.2 Contents of Notice of Claim

The notice of claim shall state the nature of the claim, the events or circumstances giving rise to the claim, the type of relief requested, and the amount of time or additional compensation, or other damages sought. If the amount of time, compensation, or other damages sought is not reasonably ascertainable at the time, the Contractor shall so state, explain why, and provide whatever estimates it can reasonably provide. The notice shall state clearly that the Contractor intends to assert a claim against the Department under this Contract.

K.43.3 Appeal Procedures

All claims arising under or in connection with the Contract or its breach, or relating to the Project, whether framed in contract, tort or otherwise, and which are not resolved via the claims process may be resolved by filing an appeal with the District of Columbia Board of Contract Appeals in accordance with Title X of the PPRA. However, if a third party brings any claim or suit against the Department, including, without limitation, claims of infringement of patents, copyrights or other intellectual property rights, the Department may bring an action for defense or indemnification against the Contractor in the court in which such claim or suit is being litigated.

K.44.1 Retention of Records and Inspections and Audits

appropriate accounting procedures and practices consistently applied in effect on the date of execution of the Contract.

The Contractor shall provide proper facilities for such access and inspection.
- K.44.1.5** The Contractor agrees to include the wording of this Section in all its subcontracts in excess of five thousand dollars (\$5,000) that directly relate to Project performance.
- K.44.1.6** Audits conducted pursuant to this Section will be in accordance with generally acceptable auditing principles and established procedures and guidelines of the applicable reviewing or audit agency.
- K.44.1.7** The Contractor agrees to the disclosure of all information and reports, resulting from access to records, to any authorized representative of the Department. Where the audit concerns the Contractor, the auditing agency will afford the Contractor an opportunity for an audit exit conference and an opportunity to comment on the pertinent portions of the draft audit report. The final audit report will include the written comments, if any, of the audited parties.
- K.44.1.8** The Contractor shall preserve all records described herein from the effective date of the Contract completion and for a period of seven (7) years after a final settlement. In addition, those records which relate to any dispute, appeal or litigation, or the settlement of claims arising out of such performance, or costs or items to which an audit exception has been taken, shall be maintained and made available until seven (7) years after the date of resolution of such dispute, appeal, litigation, claim or exception.
