Mayor

GOVERNMENT OF THE DISTRICT OF COLUMBIA

Department of Parks and Recreation

Thennie M. Freeman
Interim Director

Texas Avenue Dog Park

Questions & Answers

Construction Kickoff Meeting - June 14, 2023 (Hybrid / Benning Stoddert Community Center)

1. Will fencing for the small dog section also be small width so that small dogs don't escape?
Fencing will follow the DPR standards for dog parks (standard chain link fence), which won't allow small dogs to escape the dog park.
2. Is the seating area right in front of the entrance gate to the dog park? Is it possible for there to be some distance between the two?
The precise location of the grill and picnic seating area will be determined on-site during the construction.
3. Also, do the wood chips need to be replaced yearly or will DPR sanitize the park regularly?
DPR relies on community organizations such as Friends of Dog Parks to help maintain dog parks.
4. Can we get a water hose that the community can use to sanitize the park regularly?
Yes, the dog park will have water fountains hose bibbs for hose attachment connection to sanitize the park regularly.
5. Will the dog park have agility equipment?
No, the scope of work of the project does not include agility.
6. Will the project include trash receptacles?
The project includes trash and recycling receptacles that DPW will manage.
