

Ward 5 Advisory Team for Short-term Family Housing

The District of Columbia has a plan to end homelessness. As part of that plan, we will close DC General - a former hospital that has served as the District's largest family shelter for seven years. We will replace DC General by developing several short-term family housing facilities across the city. Advisory Teams from each community where these new facilities are located will serve to advise government agencies throughout the development process.

Co-Chairs

- Kristy Greenwalt, Director, Interagency Council on Homelessness
- Henri Makembe, Commissioner, ANC 5B03

Community, ANC and Council Representatives
