

NO.	QUESTION	ANSWER
1	Is the SOW for Meridian Public Charter School limited to task # 3: Construction Budget Review only? Or, were the wrong documents loaded into the system?	No, it is not limited to only task #3. Additional documents have been provided, please see Addendum No.2 for link to additional documents.
2	Is the review limited to the "relevant drawings" provided in the Site # 1 and Site # 2 links, or are there "permit plans" to be reviewed?	The reviews are limited to those relevant drawings and documents provided.
3	For the Keene School, there is a very conceptual 3 page set of drawings. Is this all that will be provided in advance of bidding/pitching?	Yes, only the conceptual drawings will be provided.
4	Can a Contractor participate in lunch pad event for peer review without attending pre bid conference, which was held on April 10.	Yes, The Pre-Bid Conference was not mandatory.
5	The deliverables are based on the document provided for both sites, not as stated in Tasks in attachment A SOW, please clarify.	The deliverable will be site specific and shall be based on documents provided for review only and as applicable. Please review based on what's available to you.
